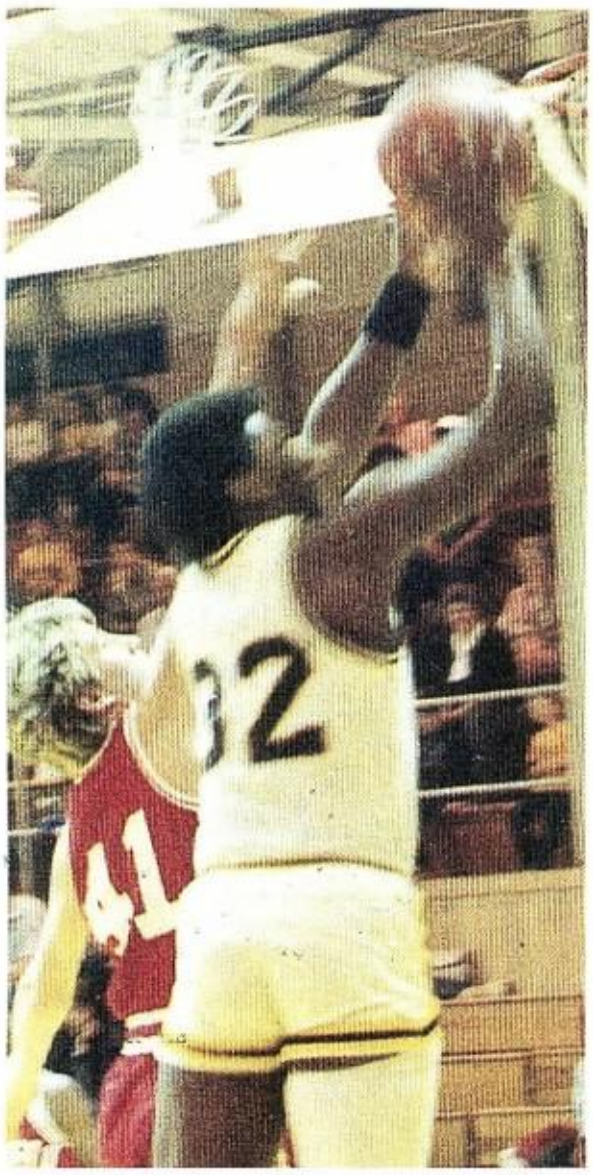
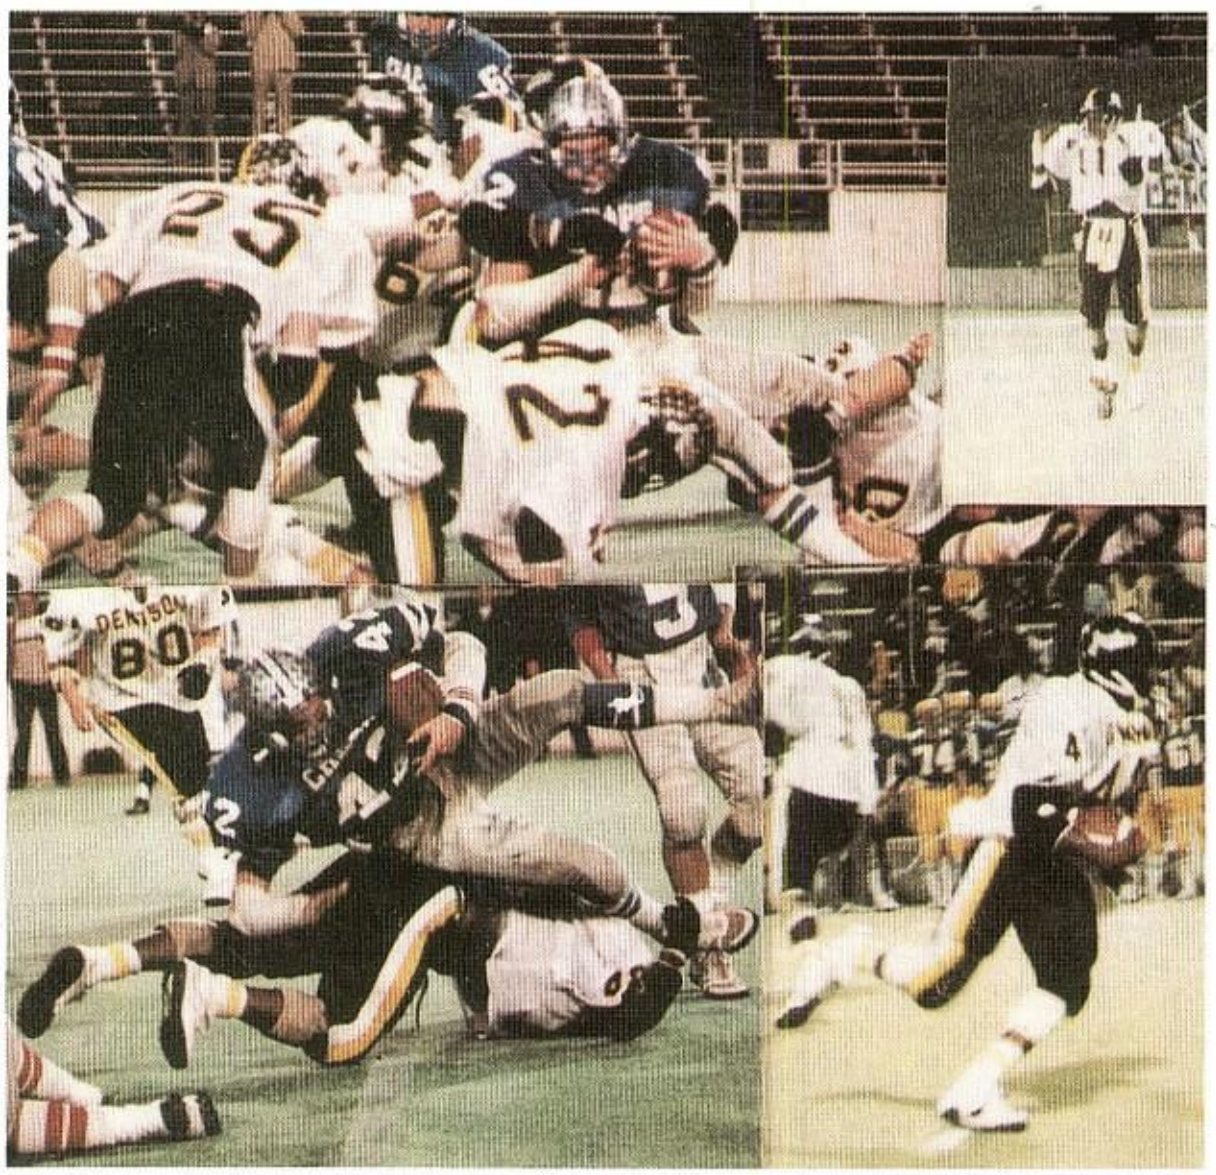
THE SPIRIT CONTINUES . . .

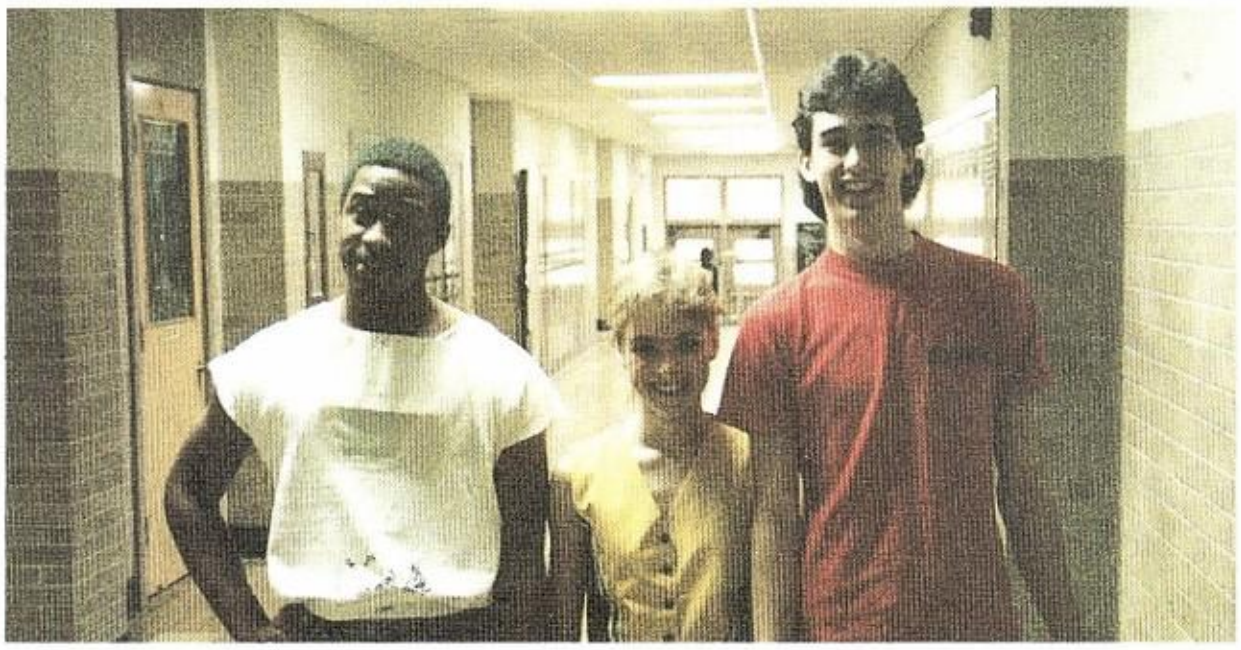
Sports — The sports program proved to be outstanding once again this year. All Jackets have set a standard for talent, pride, attitude and sportsmanship. The winning tradition that started with the 1984 AAAA State Football Championship carried over into 1985-86 in fall, winter and spring sports competition.



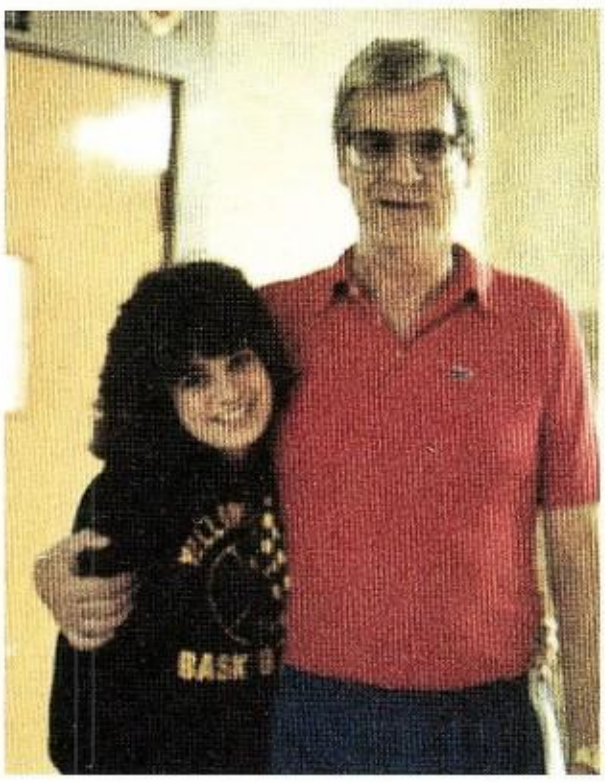


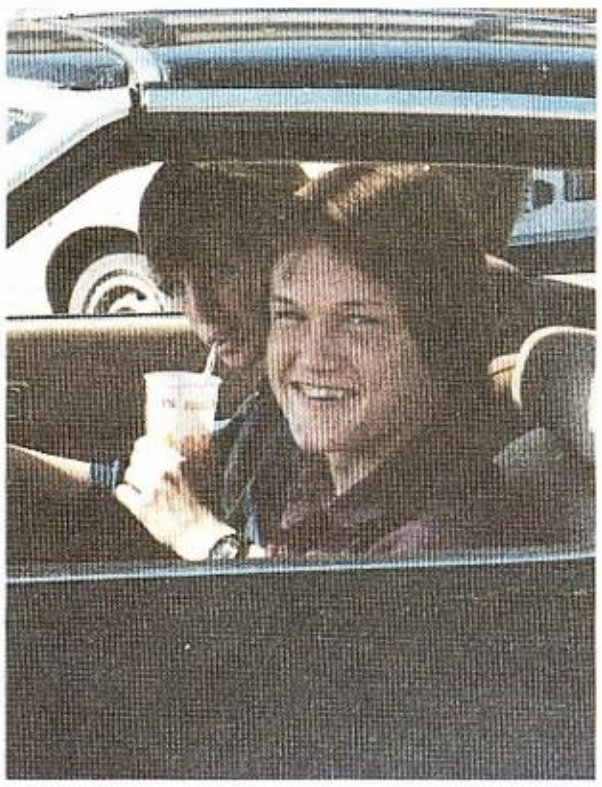
That's Right — Erick Harper, Aaron Jackson, Eric Hunt and the varsity volleyball team join the championship football and basketball teams to enhance DHS sports. A winning spirit and championship style combined with hard work and dedication paid off for all Jacket athletes and rewarded loyal fans with exciting contests. Jacketbackers stampeded the stadium and jammed the gym to be a part of the Jacket spirit. (Photos by Kris Gundlach, Paul Ontiveros, Tracey Smith and Yalonda Tillery)

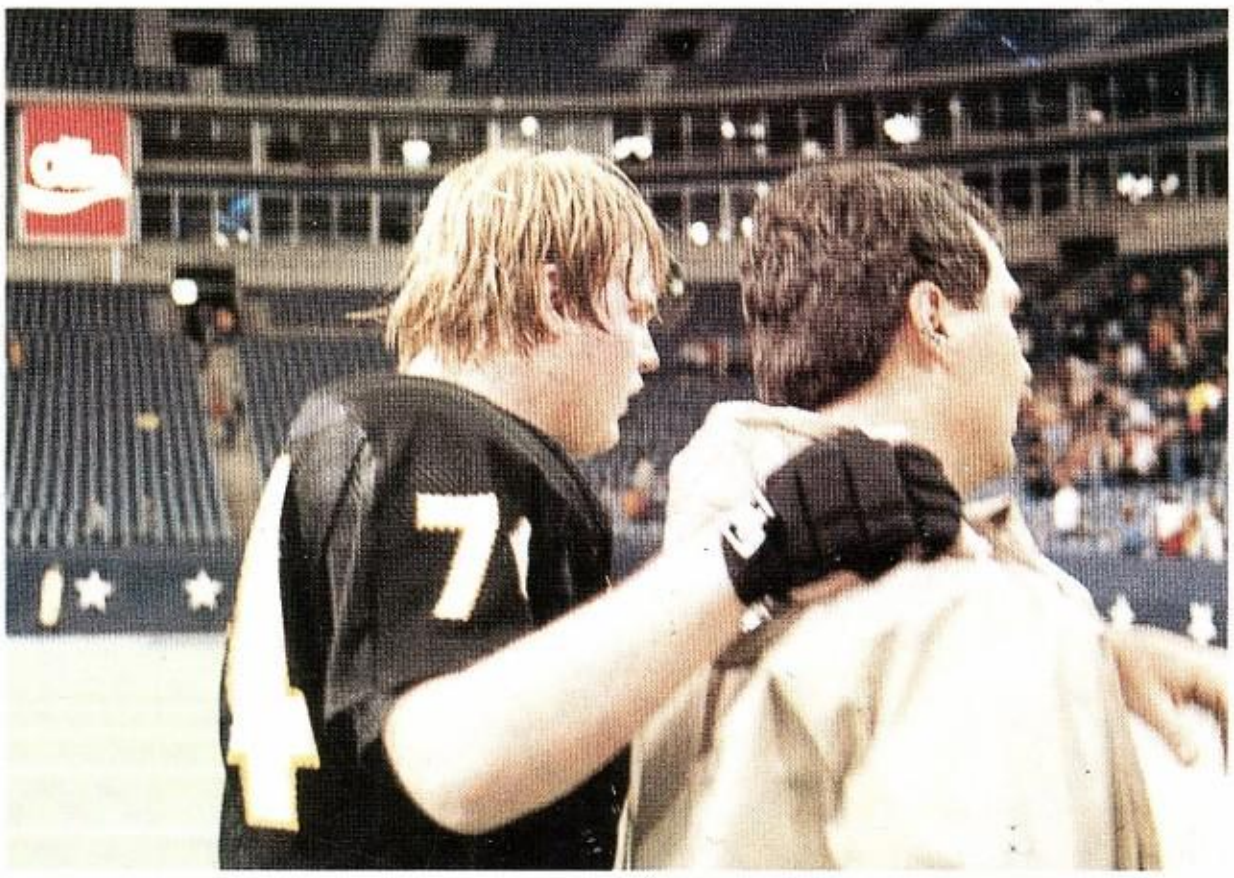
IN OUR HEARTS,



People — Through the same basic goal, the community and school united to be supportive and appreciative of every student organization. Through their common effort, the individuals became closer to one another. Friendships, always highly valued, grew to envelop larger numbers of students, faculty, parents and other Denisonians.



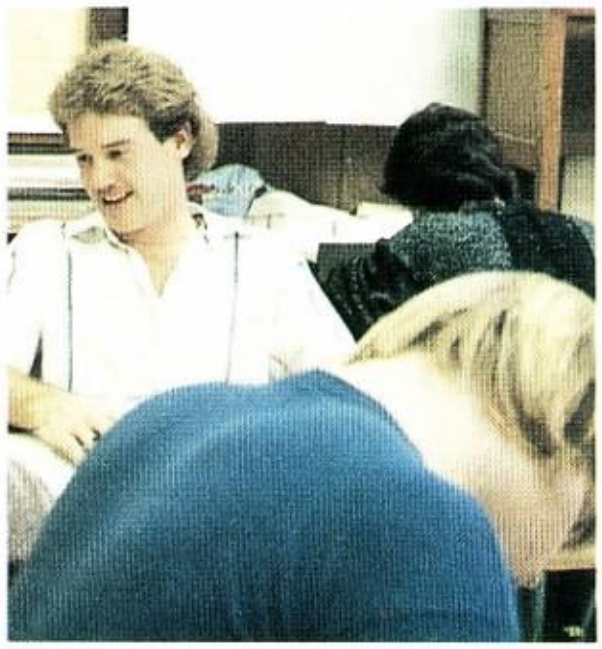




F-R-I-E-N-D-S — Woodie Wilson, Beth Glass and Paul Bardwell (top) take a friendly stroll. Michelle Davis has a friendly smile for everyone as she collects attendance records. Jeff Herzog and Bob Clay (middle) enjoy a friendly lunch. Tony Plauche escorts Jennifer Hysmith) for homecoming. Basketball Coach Bob Clayton gets a friendly hug from Marlene Fritts. Head Coach Marty Criswell and Phillip Pryor (right) share a bond of friendship at DHS. (Photos by Harold Allison and Kris Gundlach)

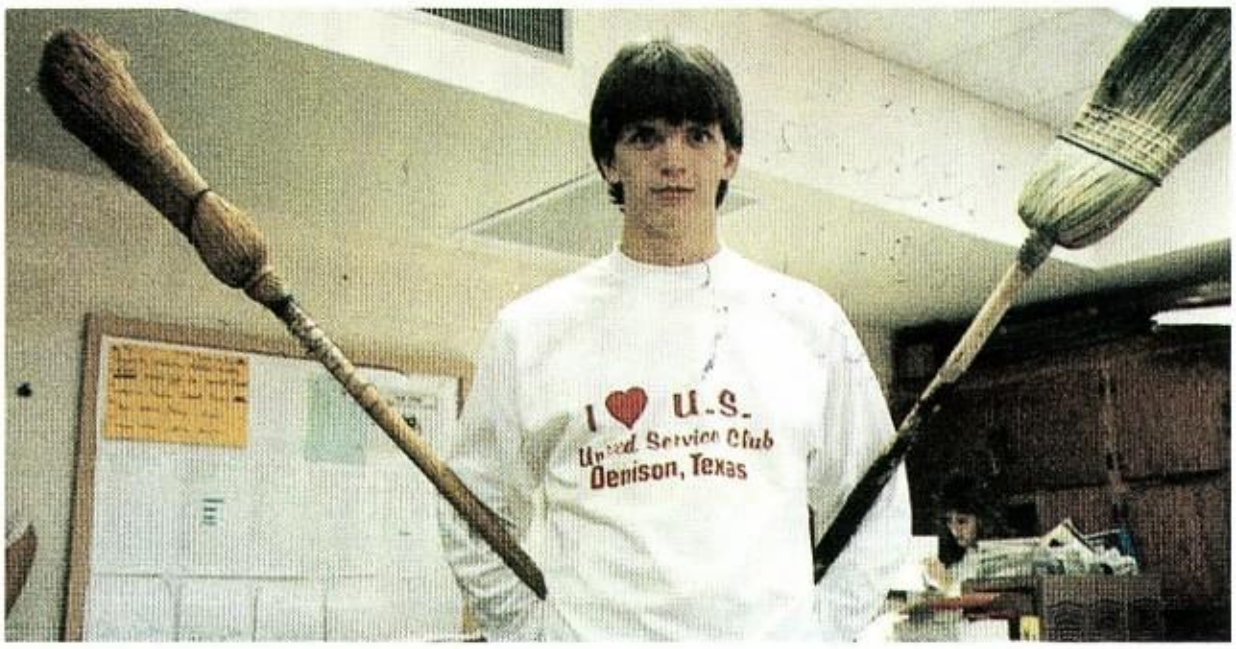
OUR MINDS

Ideas — Students in extra curricular activities were pressured to maintain passing grades due to the "no pass, no play" law which came into effect at the beginning of the school year. Tutoring sessions for athletes and others helped keep students eligible while coaches and sponsors monitored grades.

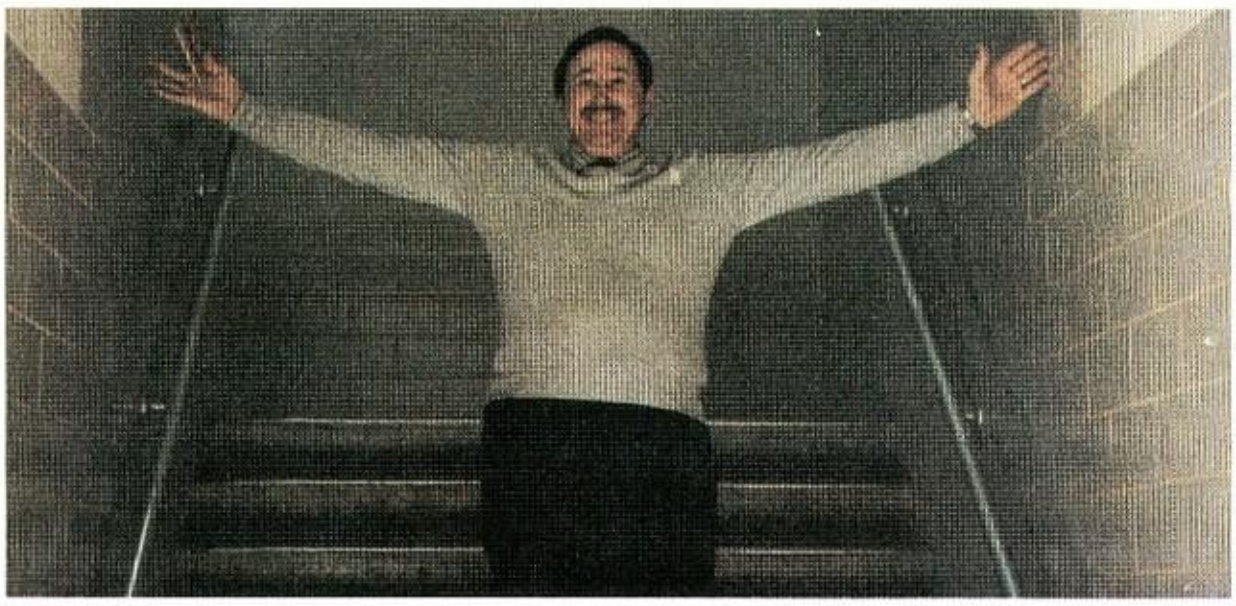


Workin' Hard — Harold Allison, top left, works on The STINGER. Sherman High principal Dr. Mike McDougal applaudes the work of the Jackets and pledges his school's support, top right. Mrs. Donnie Ward helps Tisha Robinson, center, with a history question. Lisa Williams, left, gets some guided practice in typing from Mrs. Katrina Smith. Peter Taul concentrates on a mechanical drawing project, above.

AND OUR ACTIONS



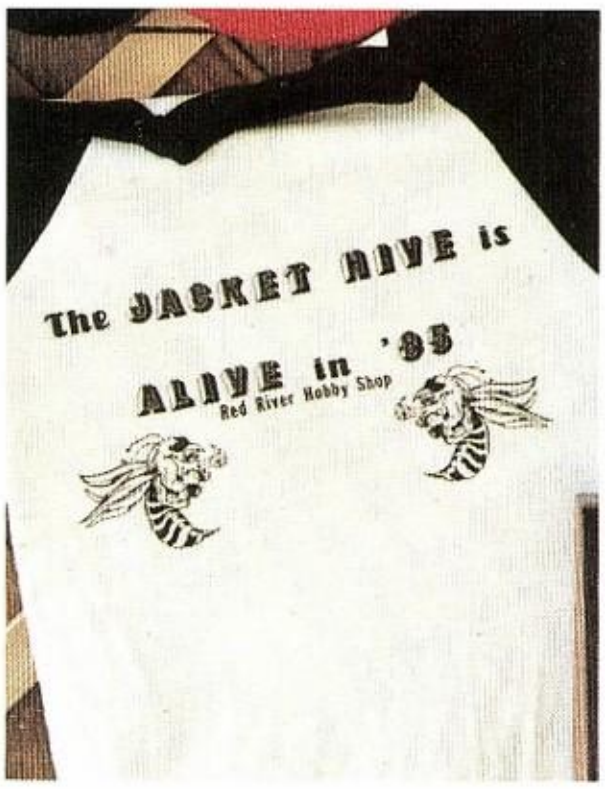
Reactions — As seen through the faces of many, Denison High School is a great place to be. As shown by some, it is also a wild and crazy place. The variety of activities and academics offer students an opportunity to grow and learn. Their positive reactions to the school programs result in a quality education.

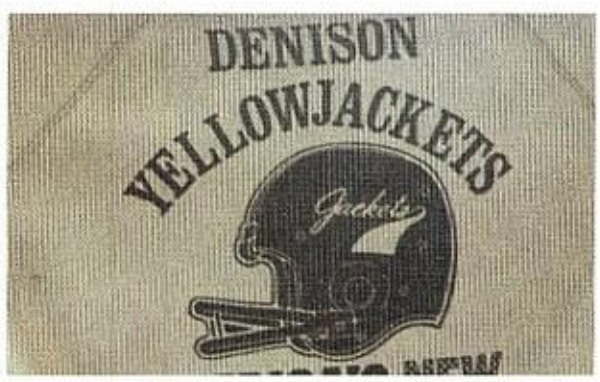


Hello! — Robert Stubbs, United Service Club president, does his Frosty imitation for the STINGER staff, top. Mr. Keith McBrayer welcomes everyone to "history heaven", middle. The cheerleaders, above, Chance Clark, above right, the freshmen spirit leaders and Marlene Fritts demonstrate expressions of DHS.

TO PROVE D.H.S.

Ideas — As the pride of Denison grew, so did the ideas for support. Through these ideas, the "Sting" has been put on and has made the "Jacket Hive Alive." The Jacket fans express their support in many different ways, temporary and permanent. Shirts, signs, and shoe polished windows are all symbols of the fans' support.

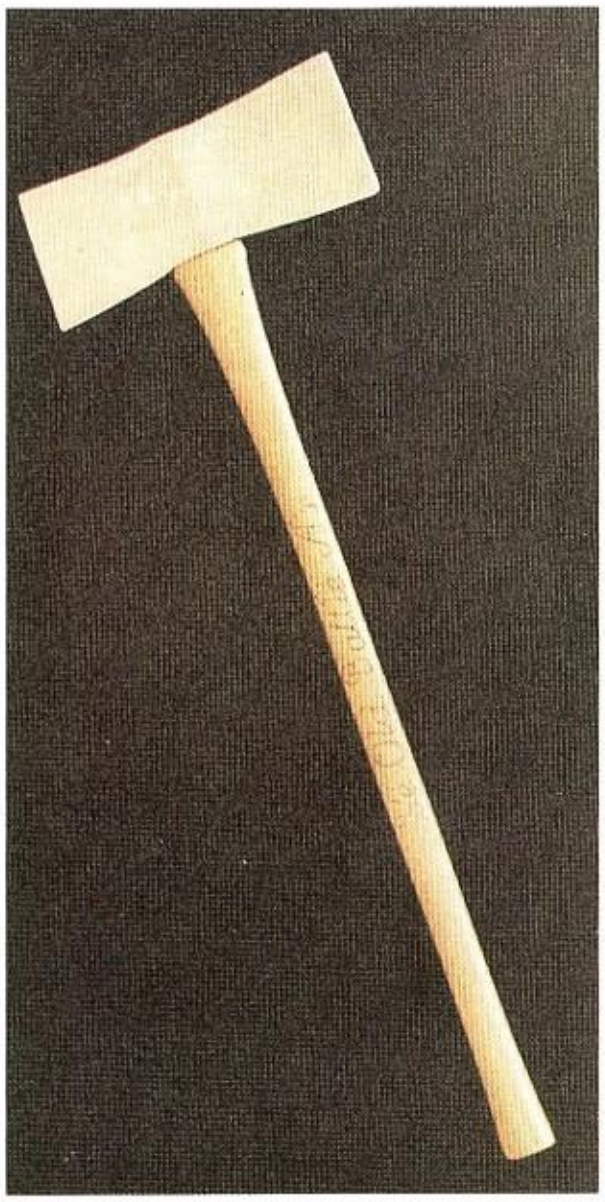




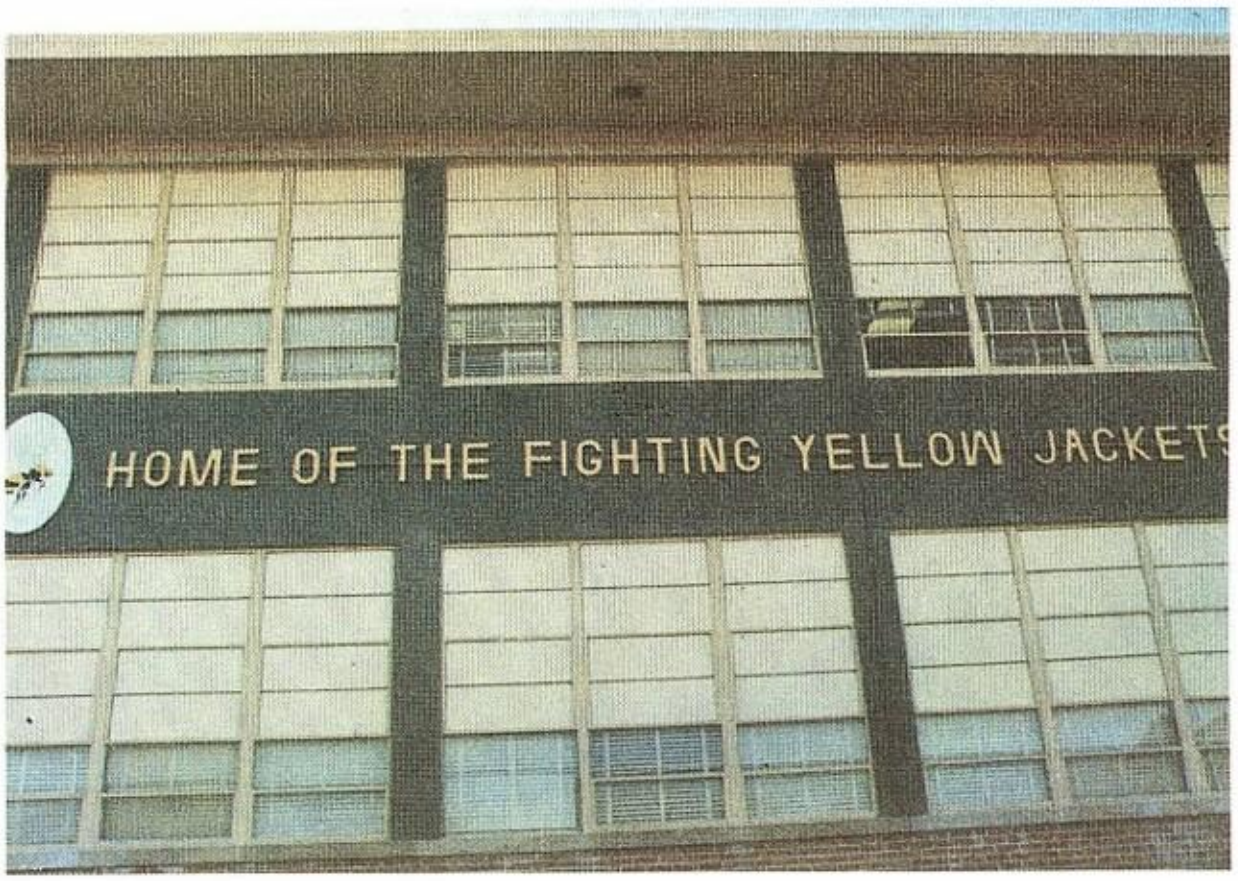
DON'T YOU FORGET IT — Cheerleaders' signs, Jacket sweatshirts, Brett Mayes' license plate, signs of the Jackets, and shoe polished windows express support for the Jackets and Jacket pride. Artists and promotional firms developed new designs. Gold and black satin flags flew from car windows, gold and black Rowdy Rags flapped in the stands and posters of all colors fanned the air as imaginative fans found new ways to say "Sting 'em, Jackets". (Photos by Bill McKinney and Tony Plauche)

IS STILL NUMBER ONE!

Tradition — At D.H.S., tradition is carried out each year. Horse, Jacket War Song, Alma Mater, and keeping the axe are among the many. The increased spirit and support of every Jacket is the beginning of a new tradition. With each year's successes, sportmanship and talent are also becoming lasting traditions.



SCHOOL SONG
HAIL TO THEE, OUR ALMA MATER,
SCHOOL WE LOVE SO DEAR
WITH OUR FRIENDS AND FELLOW COMRADES,
WE SPEND OUR HAPPY YEARS.
THOUGH WE LE WE'LL AWAYS CHERISH.
MEMORIES OLD AND NEW,
HAIL TO THEE OUR
DENISON HIGH SCHOOL,
WE ARE ALL FOR YOU.
yellowjacket booster club '81-'82



HAIL TO THEE — The axe, Alma Mater, and the school itself are lasting traditions here. As Texas celebrates her 150th birthday, Denison schools claim a footnote in the history of education. McDaniel is the site of the first graded free public school in the state. Early Denison settlers gave land and buildings dedicated to educating the youth of the community. They realized, as current citizens do, that the future of the country rests in the young people and their educational preparation to assume their roles as decision makers.

Marlene Fritts is reigning Homecoming Queen

By Harold Allison

Marlene Fritts was named Homecoming Queen in halftime ceremonies of the Yellow Jacket game against Allen, October 18.

Fritts, a senior, is head varsity cheerleader and is also editor of the Yellow Jacket Yearbook. She has been a cheerleader since the eighth grade and has served as DenTeens vice president and a member of the Student Council for three years. A two-year member of Spanish Club, she served as vice president last year and secretary this year. She is presently in Fellowship of Christian Athletes and was sweetheart last year. She is a three-year member of the United Service Club.

Fritts plans to attend Abilene Christian University to major in dental hygiene and advertising.

Homecoming, wet and exciting, was filled with anxiety and hard work to make it come true. Student Council vice president Dylan Stafford crowned Fritts, below, while her father, James Fritts, served as escort.

Lookin' Good! — Marlene Fritts, newly chosen Homecoming Queen, poses for one of the many pictures that are being taken. Rain that cancelled the homecoming parade, also made the field too muddy for use in the halftime ceremonies. Nominees and their fathers were presented in the stands for the crowning.

The Big Day — Homecoming festivities started early in a drenching rain as the queen nominees and their escorts gathered for the pep assembly at 9:30 a.m. Mike Fellinger escorts Fritts in the presentation of candidates to the students before the votes are cast.

Runnersup honored

By Harold Allison

Lori England and Mary Shields were first and second runners up for Homecoming Queen.

Both England and Shields were involved in high school activities such as cheerleading and many other organizations who boost Jacket spirit. They were involved in DenTeens, Yellow Jacket Yearbook, United Service Club and the Fellowship of Christian Athletes. They were presented at the pep assembly and halftime.

And The Spirit Shines — Lori England, above left, and Mary Shields, above right, joined the presentation of nominees and sweethearts in the auditorium when it rained on the parade. England poses with her pep assembly escort, Robert Stubbs, right. Spencer Johns is Shields' escort, below right. The homecoming queen nominees were escorted by seniors for the pep assembly, and by their fathers at the game. England and Shields join Queen Marlene after the halftime. The Student Council, sponsor of the activities, provided arm boquets for the nominees and made decorations for their parade entry. Rain cancelled the parade minutes before it was to begin sending the pageant indoors. Nominees and their fathers proceeded to the Boy's Club where the dance would be held for pictures before the game.

Homecoming Brings Excitement

By Betty Bell

Homecoming is a happy and exciting time of the year. Finding a date for the game, getting a mum or boutonniere, and choosing the Homecoming Queen are some of the activities involved. Everyone seems to get into good spirits as shown by the number of fans that turned out to cheer the Jackets on to victory.

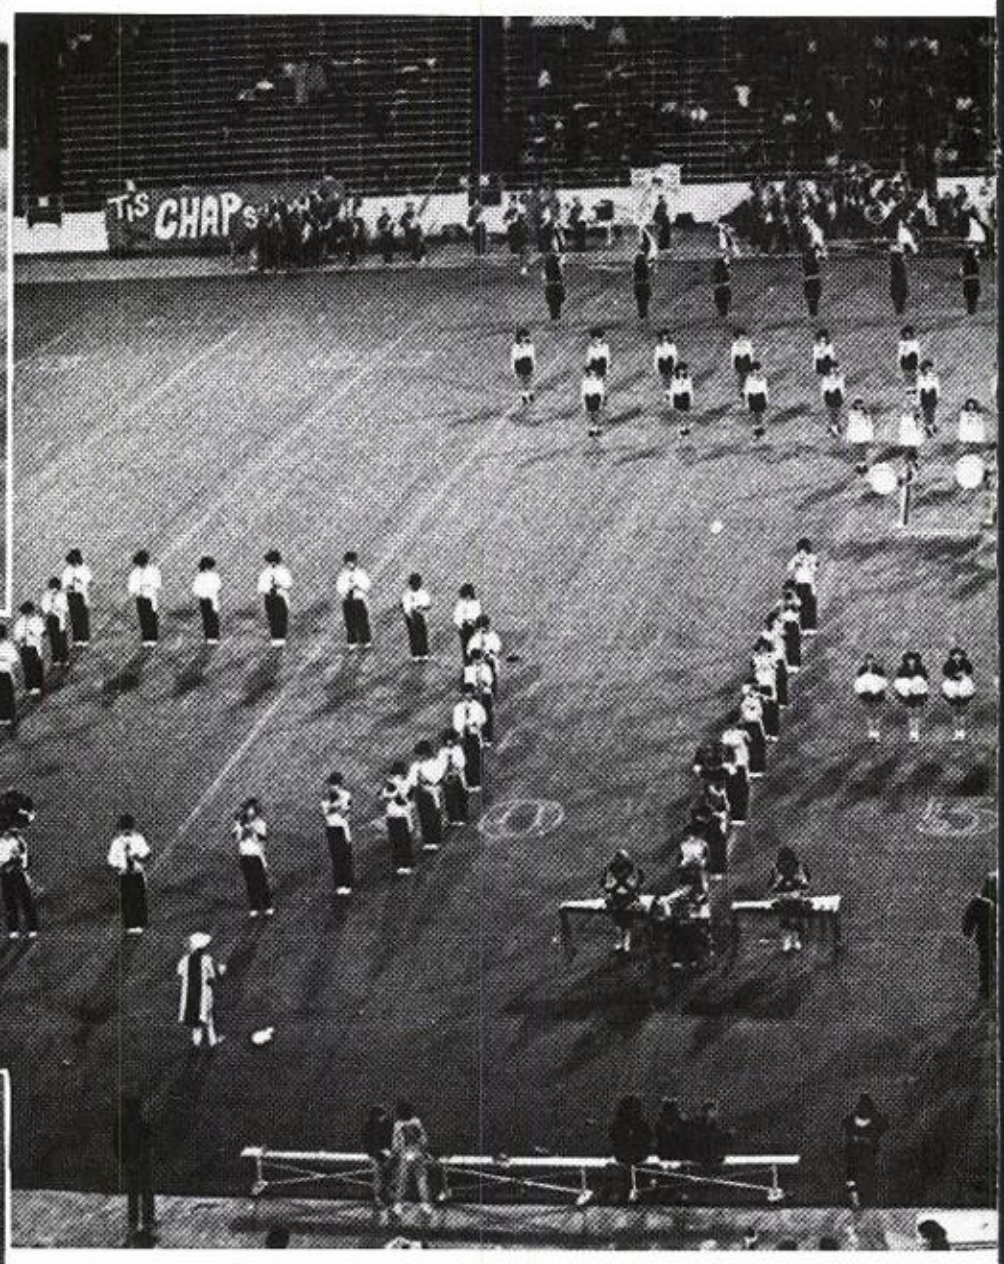
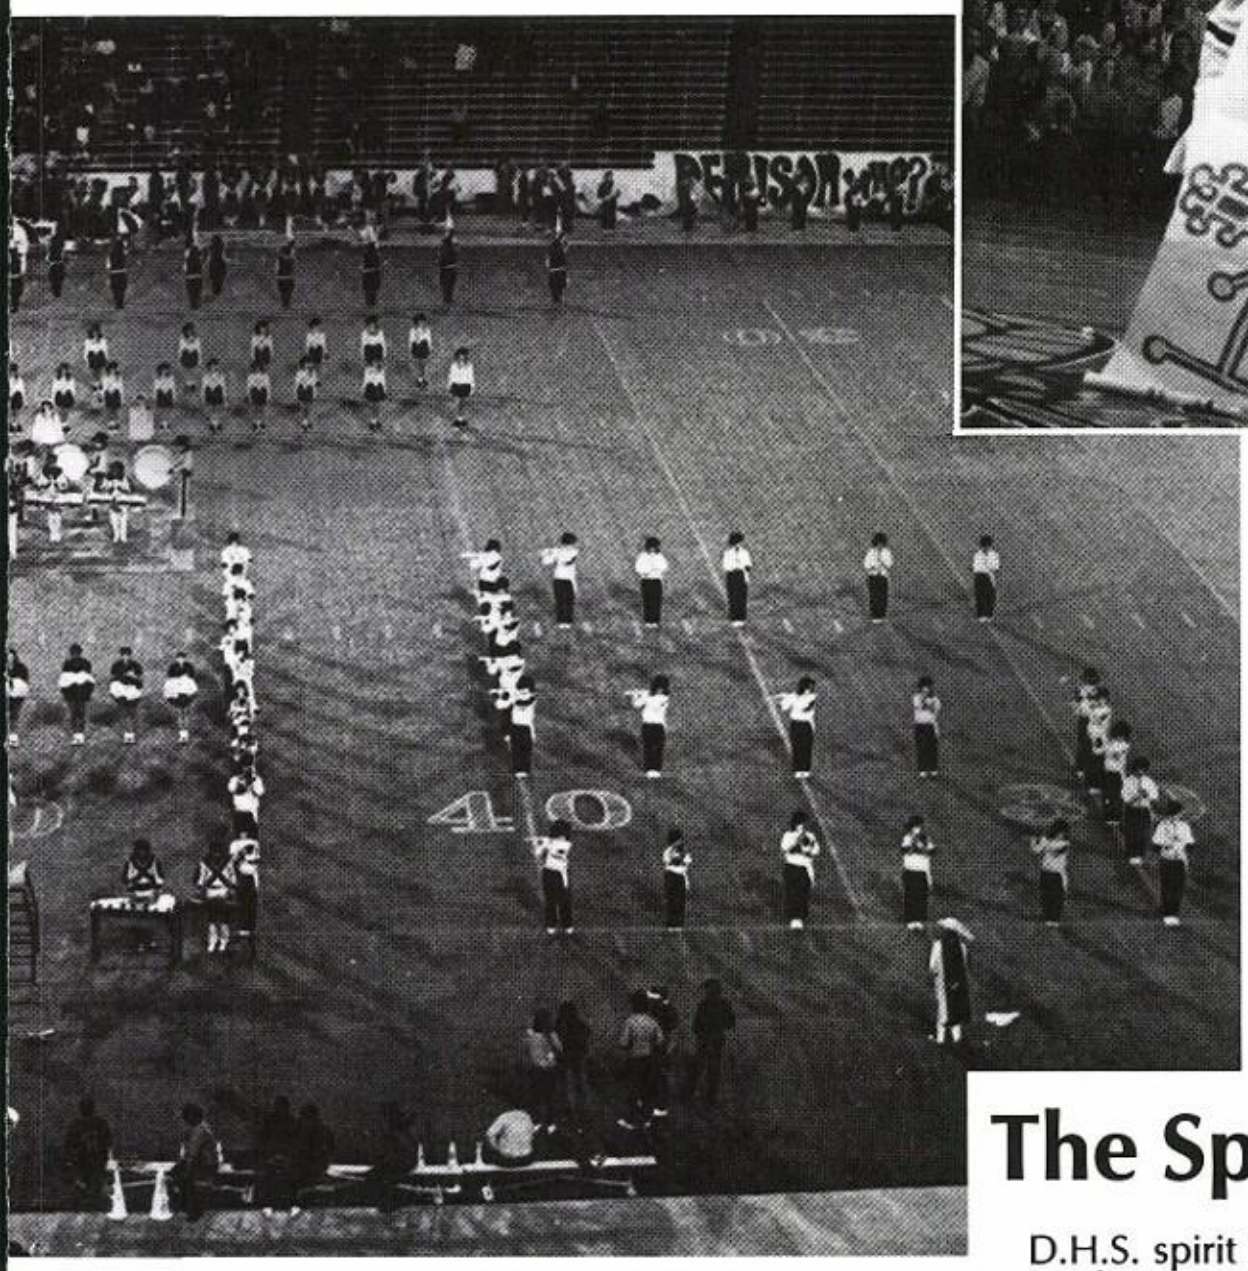
A Big Production — Entertaining the fans at Jacket games required more than time and talent. The Golden Band from Jacketland, The Stingerette Drill team, The Colorguard and The Varsity Cheerleaders in full uniform traveled to all football games and presented spectacular half-time performances. They led the team onto the field at the beginning of the game and at halftime, and played and cheered all the Jacket action. The performance at Texas Stadium for a playoff game ended with the traditional DHS.

Play It Again — Band members joined the colorguard, drill team and cheerleaders as winners in competition, earning them an invitation to march in the Cotton Bowl Parade on New Year's Day in Dallas. This was a first for the band in recent years.



We're Number One — Jacket fans and former players cheered the team to victory 13 times this year as they waved their Rowdy Rags and showed their black and gold colors. The Stingerettes performed spirit raising routines for the pep assemblies on game days. Cheerleaders decorated the gym with colorful signs and treated the players to candy and gum to show that they support the Jackets.

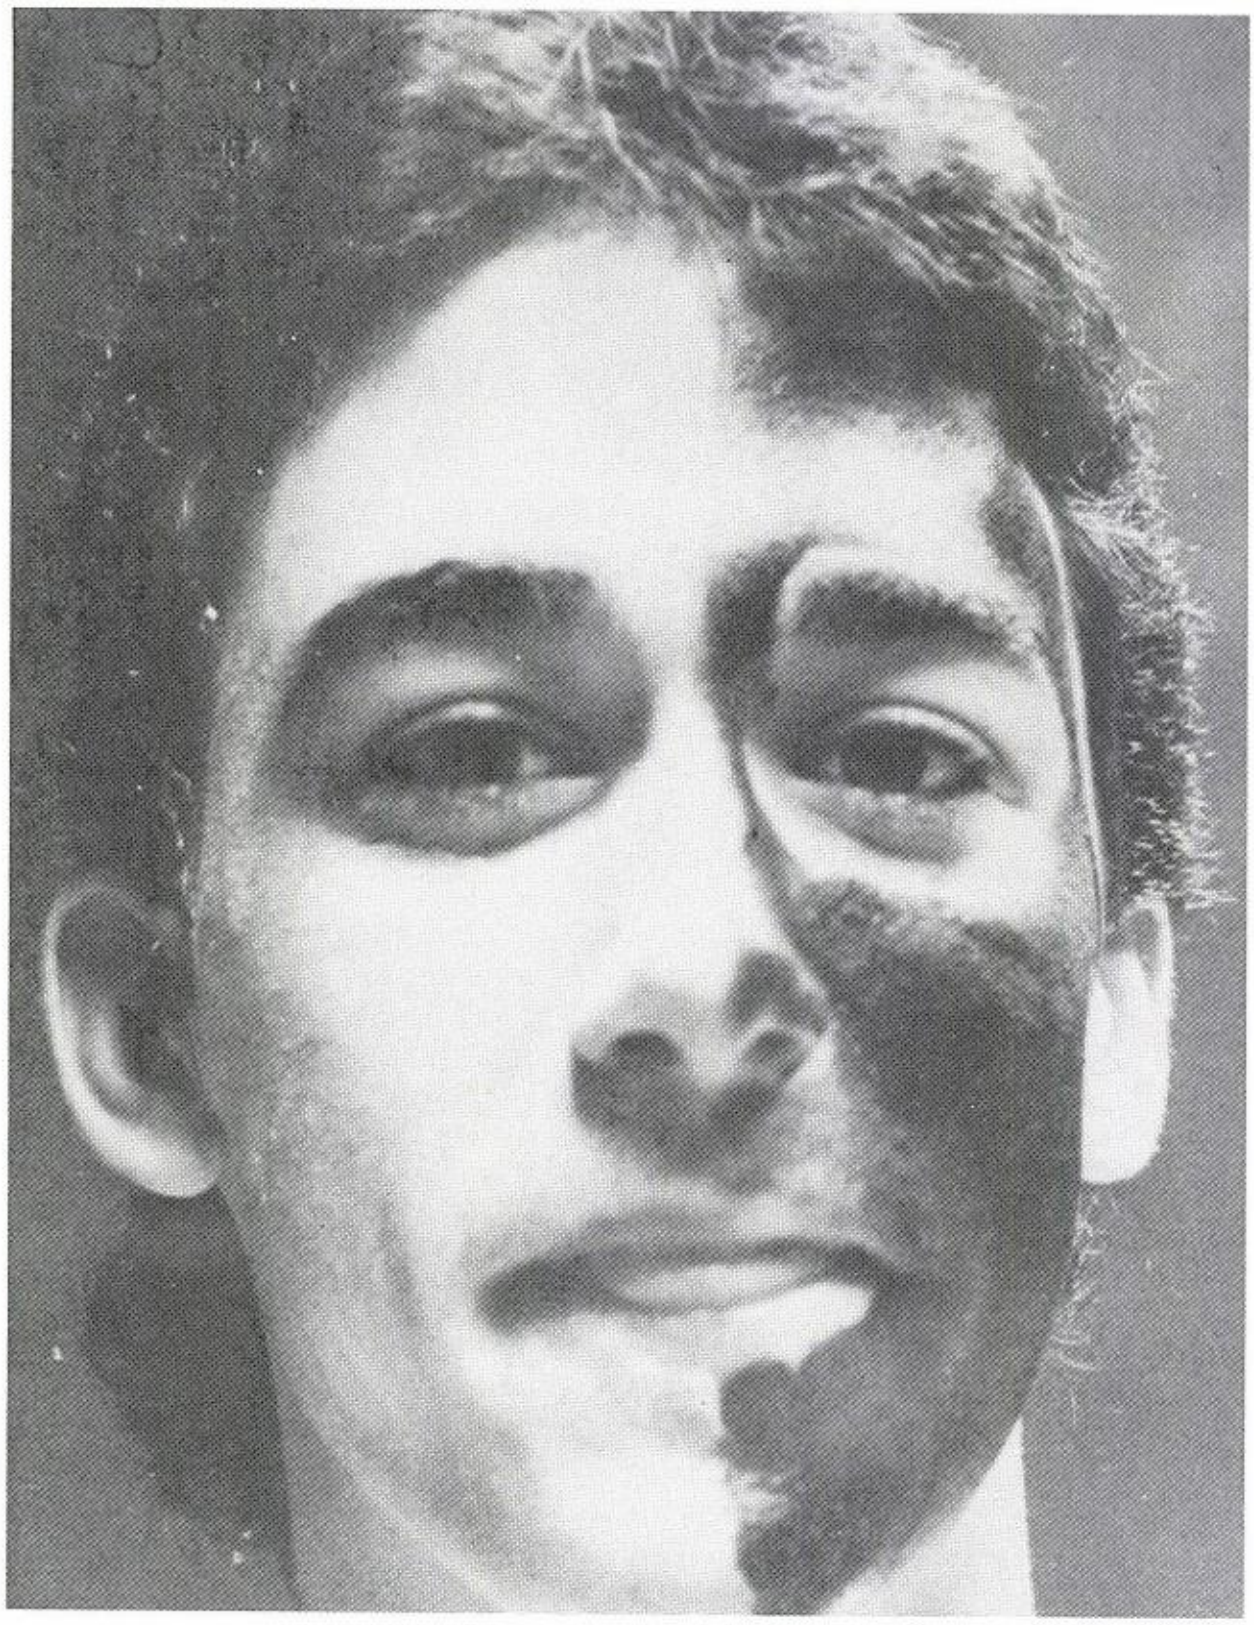


Rowdy Rag Craze — The United Service Club Rowdy Rag project gave Jacket fans a chance to buy the bright gold towels with the black Jacket emblem and wave them at the playoff games. Fans bought flags, pennants and shirts pronouncing themselves Jacket Backers.

Sky High — Varsity cheerleaders paraded a variety of stunts in front of the students. Christy Holland, above, goes topside with a sign with Lori England and Betty Ann Martin lending a helping back while Beth Glass, Shawnna White, Marlene Fritts, Kendall McKinley and Michelle Martindale provide floor support.

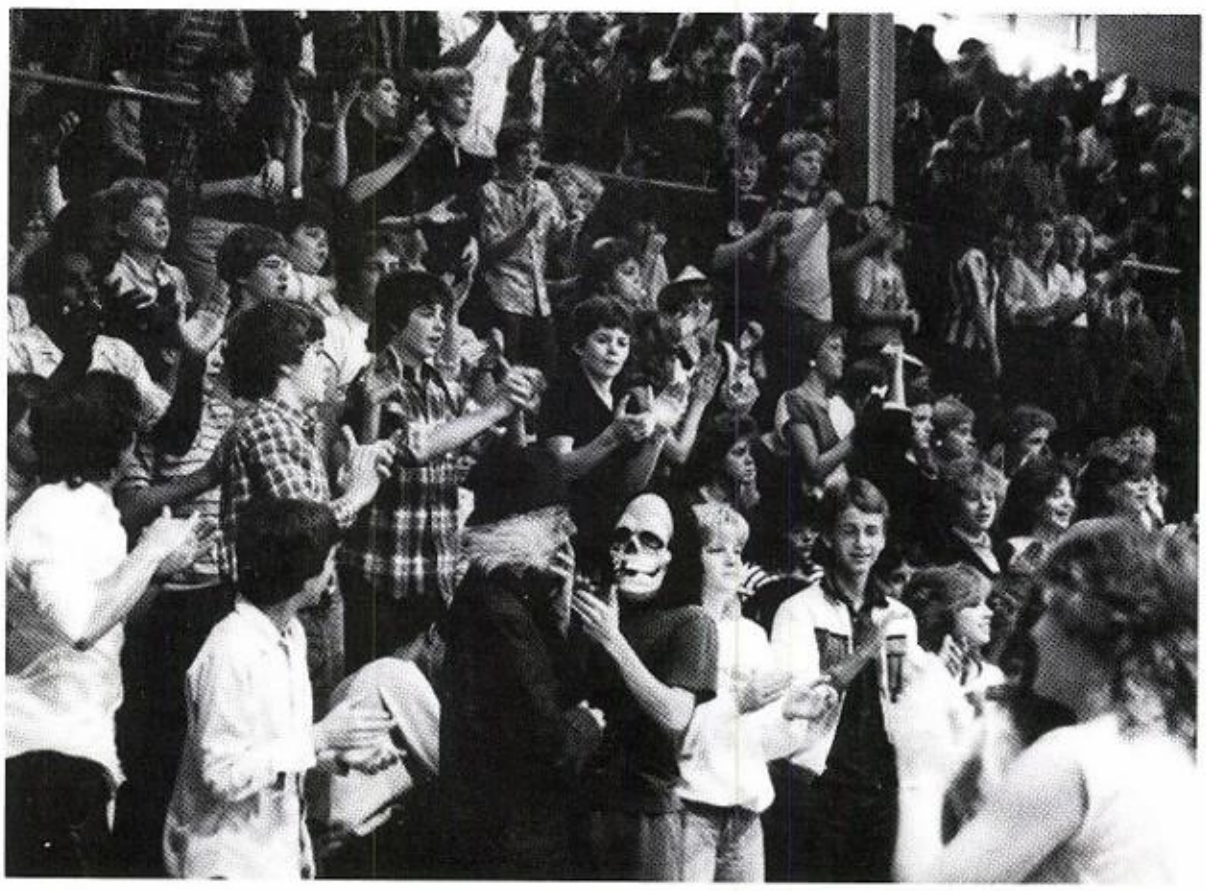
The Spirit continues

D.H.S. spirit has grown over the last two years. It started in 1984 with the State Championship and has continued through 1985 with the Regional Championship. The Yellow Jacket football team has been backed up all the way by the fans, Stingerettes, cheerleaders, band and Bleacher Bums. All through football season it was standing room only in Munson Stadium. Denison is surely home of the champions.



Fans celebrate Sherman Week

Sherman week started and ended as one of the best ever in Denison. The Jackets beat Sherman 36 — 6 and most of all kept the axe! Sherman week started out Monday with "hats off to the Jackets" and everyone wore a hat to salute the Jackets. Tuesday was "sock it to the Bearcats" and everyone wore their most colorful socks to show their spirit. Wednesday was "turn Sherman inside out" with everyone wearing their clothes inside-out. Thursday was "put Sherman in the shade" and everyone turned out with some really great sunglasses. Friday was the original color day with everything from black-n-gold faces to the traditional black-n-gold clothing.



A FACE OF BLACK & GOLD — Paul Bardwell proudly displays his black and gold face for color day. **"HAT'S OFF TO THE JACKETS"** — "Hat Day"was a big success during Sherman week. One of the more original hats is worn by Donny O'Malley. **WE SING THE JACKET WAR SONG** — The crowd is really fired up for the pep ralley!

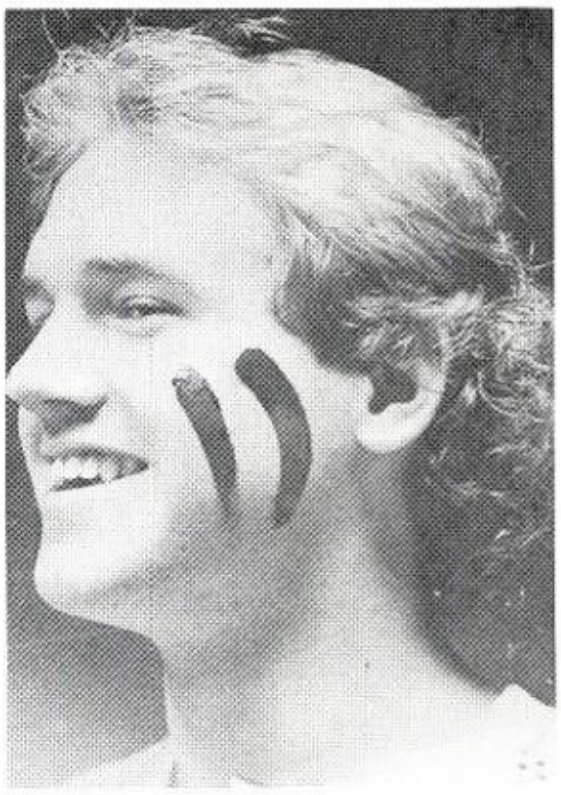
WE'RE REALLY HERE! — Kelly Arthur and Marla Jones dance it up to show the spirit the Stingerettes had for the Sherman pep rally.



WE'RE GONNA WIN — Harold Allison's painted face shows that Jacket spirit! STING'EM JACKETS — DHS spirit was boosted by the help of the JV cheerleaders, one of which served each week as the mascot.

Stingerettes dance it up, show style

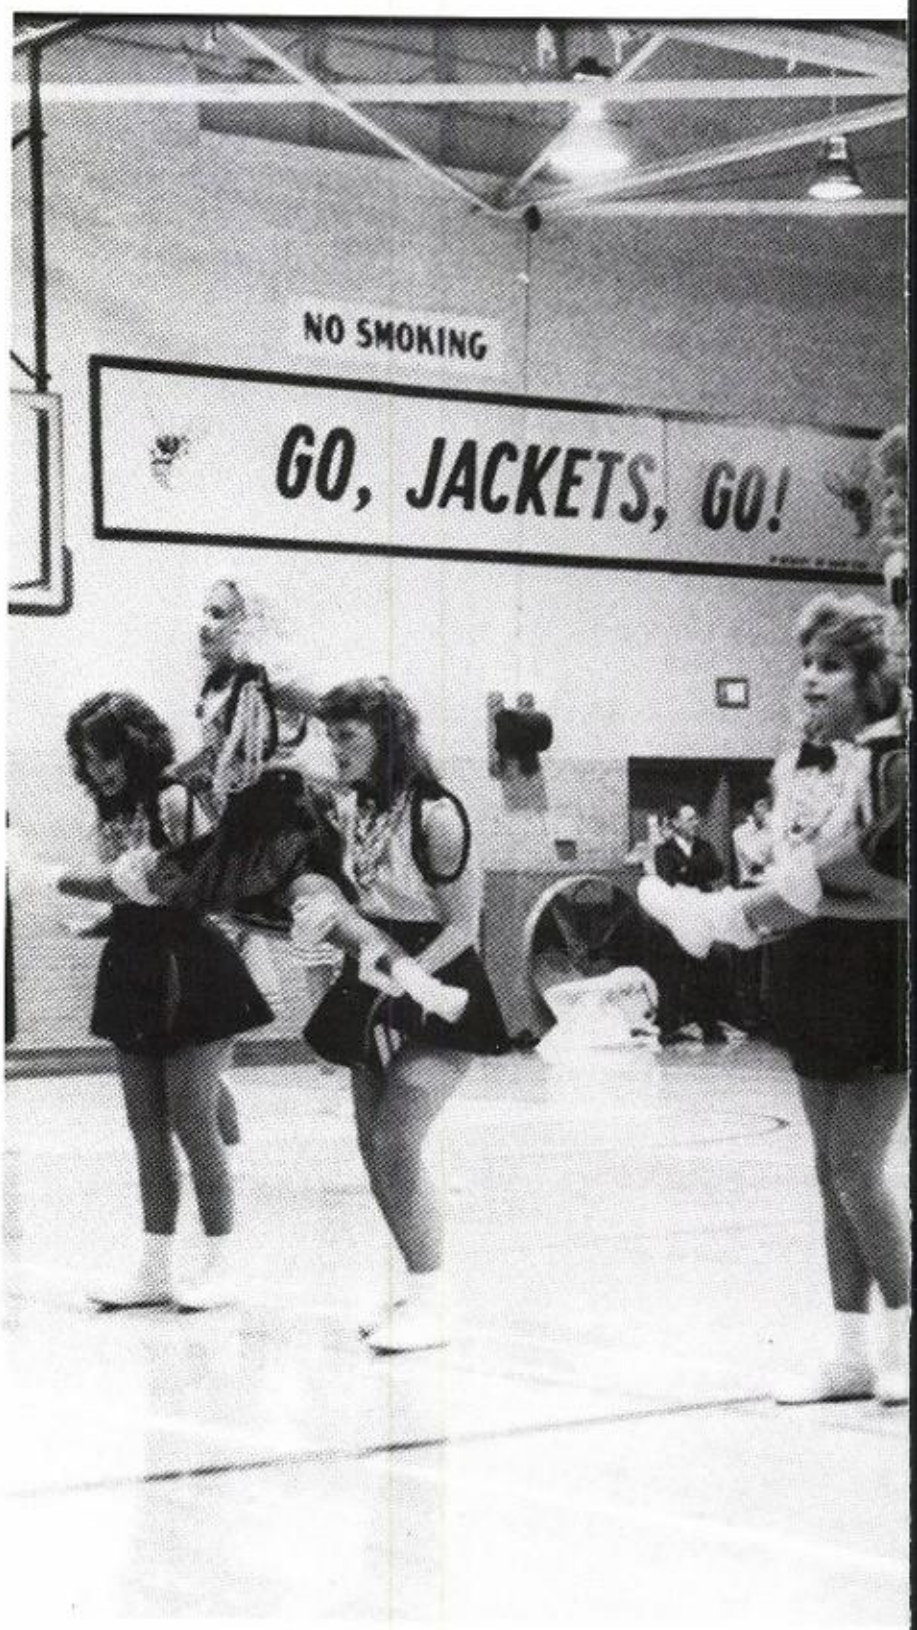
By Mary Jo Martin

The team of excellence really danced it up this year when the group performed at the football games, pep rallies, and basketball games.

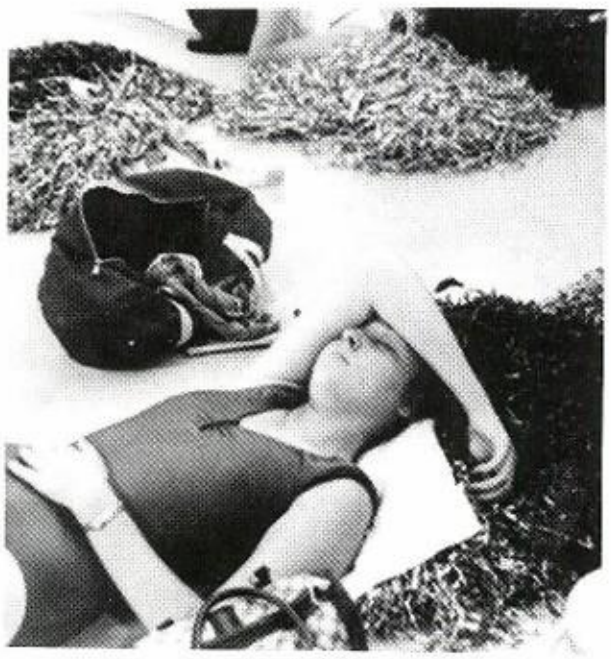
During the summer the members practiced at Golden Rule gym to make all their dances and routines the best. The group started practice in August and worked from 7 a.m. until noon each day. At the end of the summer the old members initiated the new members of the group, and took them around town and to the mall. This year 50 girls are on the team.

The team attended camp in July at Kilgore Junior College, where they learned new routines and competed with teams from other high schools. The members won five medals, a sweepstakes trophy, and three first place trophies in jazz, military, and highkick. This is the first time in ten years that the group has won a first in a highkick routine. The members of the highkick routine were Denise Burden, Caroyln Crenshaw, Kim Fulenchk, Rachel Hill, Jodi Janovec, Marla Jones, Leslie Lester, Mary Jo Martin, Thelma Wilson, Karen Weissenborn and Angie Wynn. The jazz routine was performed by all senior members of the drill team.

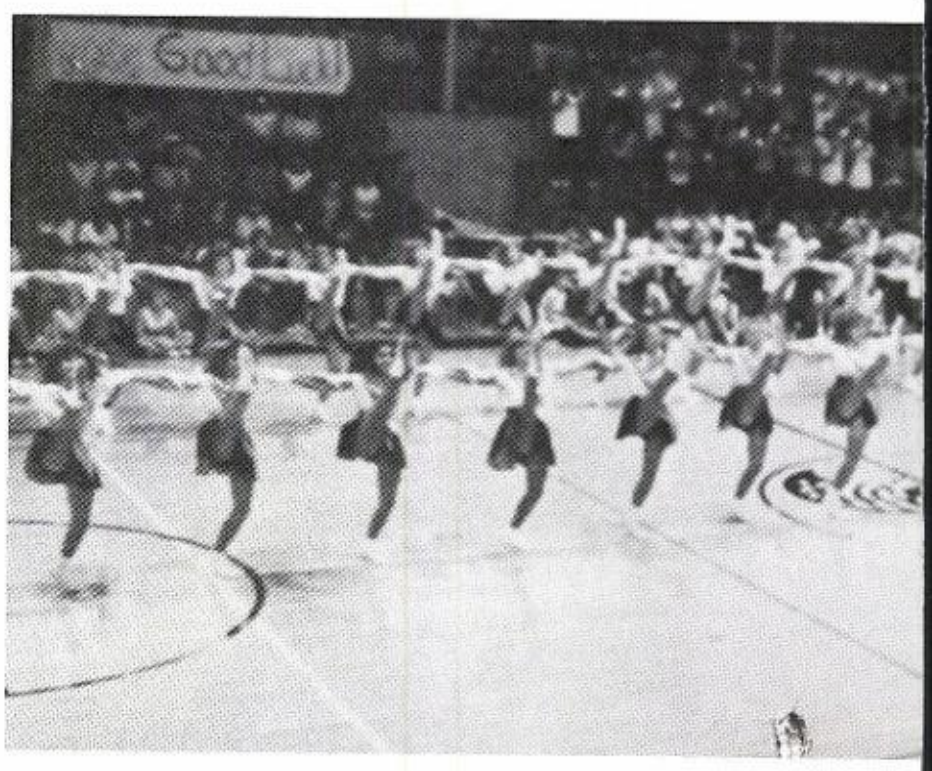
The officers this year were captin, Jennifer Hysmith; head lieutenant, Thelma Wilson; 1st lieutenants were Carolyn Crenshaw, and Tracey Smith; 2nd lieutenants were Rebecca Terry, and Tisha Robinson. The director is Mrs. Darlene Willoughby.

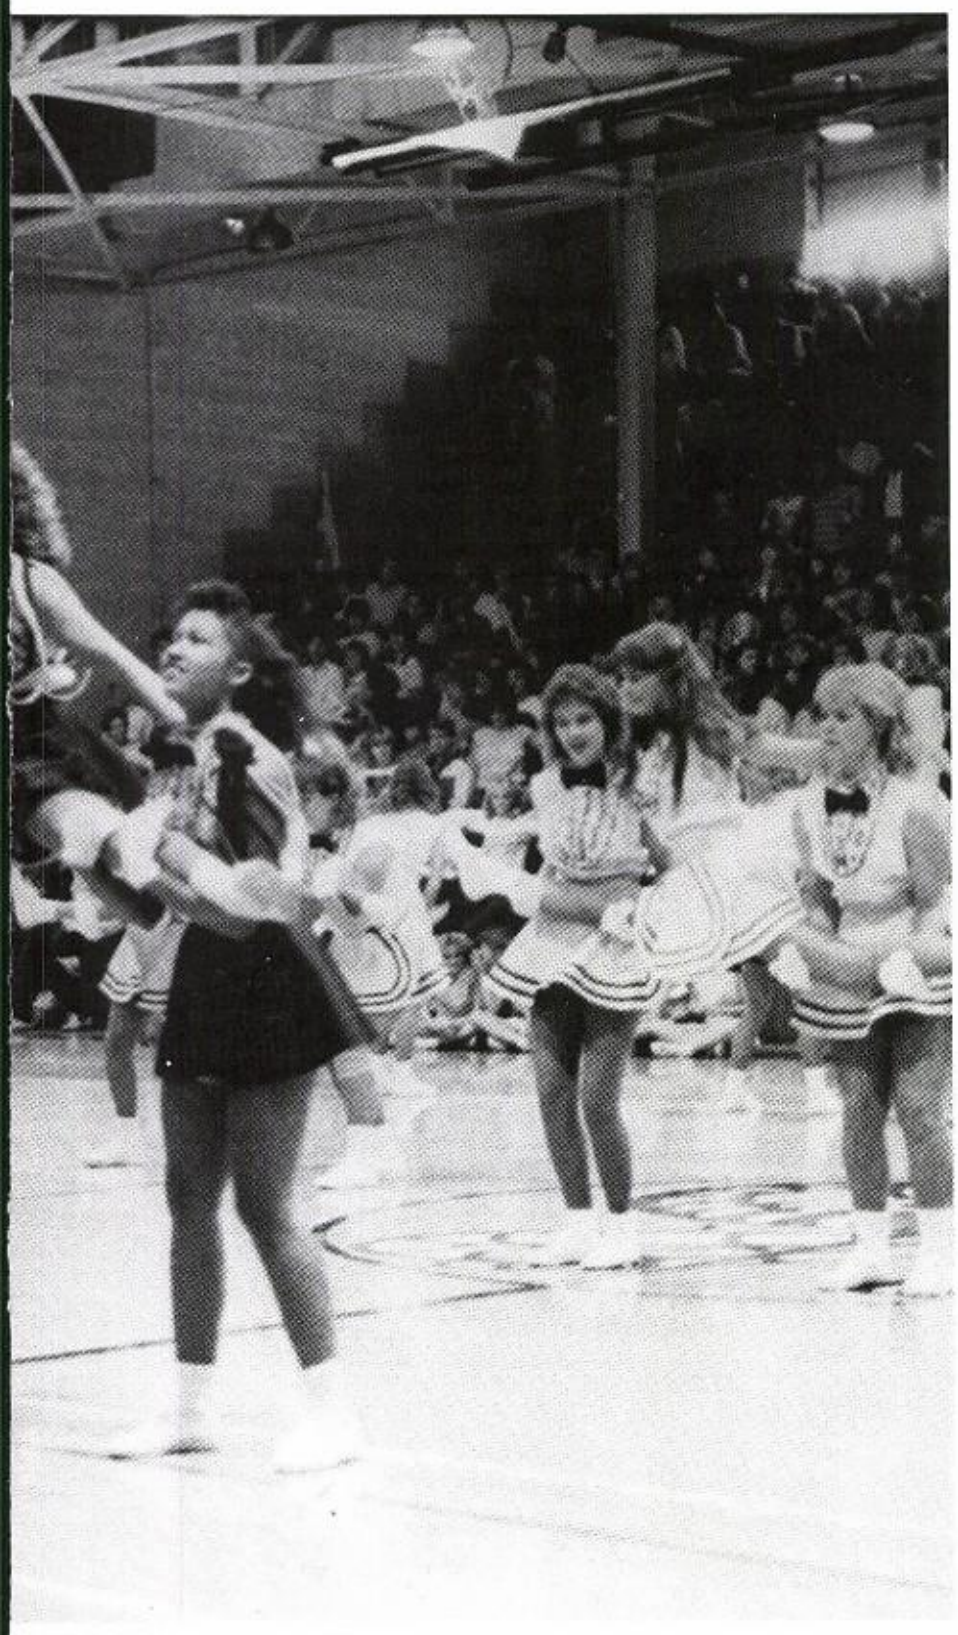


BUILD THAT SPIRIT UP — Stingerettes build a split pyramid to the song "Californa Girls". The drill team performs at every pep assembly.

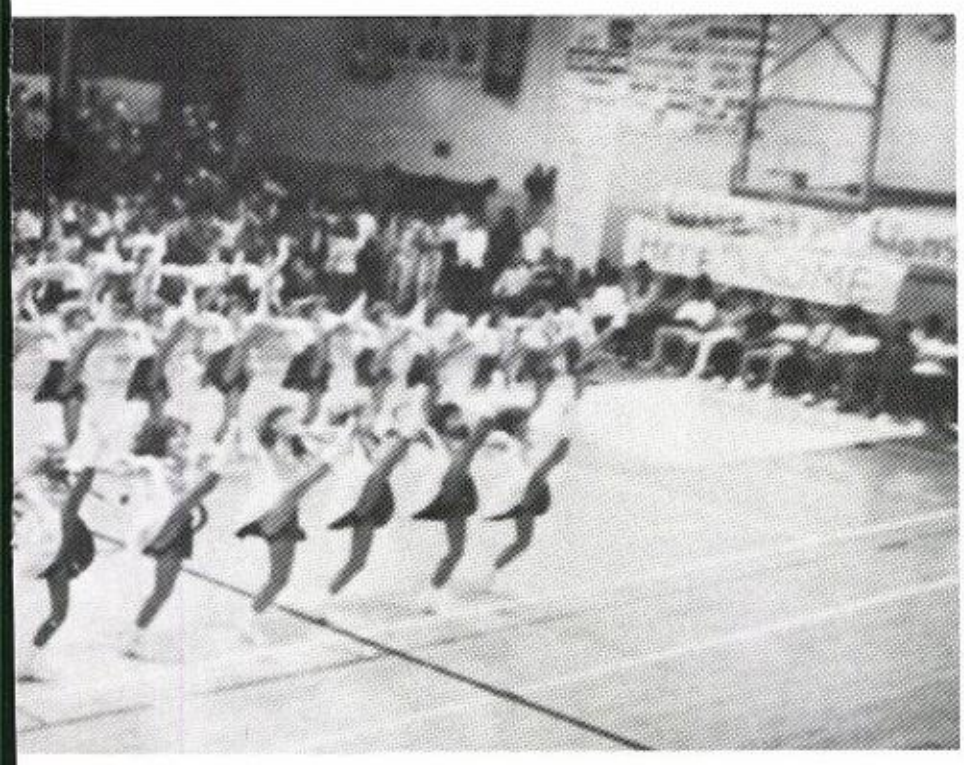


WHEW! WHAT A WORKOUT — Rebecca Terry takes a breather while Keary Souther, right, keeps working out in the morning during summer practice.





FRUIT OF THE LOOM GUYS? — No. Marilyn Jones, Rhonda Smith, and Lori Williams were objects of fruit for the Stingerette drill team initiation. New members were initiated by the senior members at the end of the summer practice sessions.



ATTENTION — Marla Jones and Cristen Gregg look up to find out what is happening on the field at the football game.

THE LEADER OF THE BAND Jeff Arnold, head drum major, leads the band in the Christmas parade.

Golden Band marches in Cotton Bowl Parade

The Golden Band received an invitation this year to march in the annual Cotton Bowl Parade in Dallas on New Year's Day. They were given a party on New Year's Eve at the hotel where they stayed that night. They had to rise early the next morning to line up for the parade which consisted of three miles. It was a great opportunity and a privilege to have this school represented across the nation. After the parade, the band was given free tickets to the Cotton Bowl Game where they watched Texas A.M. beat Auburn. They practiced all year with long hours of hard work and dedication to acheive this opportunity along with a second division rating at University Interscholastic League district contest.

The cheerleaders contributed to the Jacket teams' victories with spirit boosting projects all year. They worked many hours to perfect stunts, cheers and yells for the games and pep rallies. In June, they attended camp at Southern Methodist University in Dallas where they learned new chants and routines. They won numerous ribbons for their spirit and abilities at camp.

Leading the cheers were varsity cheerleaders Lori England, Beth Glass, Christy Holland, Betty Ann Martin, Michelle Martindale, Kendall McKinley, Shawnna White and Head Cheerleader Marlene Fritts. Cheerleading sponsor is Mrs. Cathey Williams. Junior varsity cheerleaders are Stacie Edwards, Tama Groff, Paige Hudgins, Kim Jones, Lori Mullens, Jodie Smith, Rochelle White, and Meredith Williams. Freshman cheerleaders are Laura Ballou, Lara Coker, Missy Hollensed, Jina Horton, Jessica Lowe, Jenny McCarley, Candice Noe, and Rhonda Patterson.

Council recaps busy year, elects officers

By Mary Jo Martin and J. Dean Lindsay

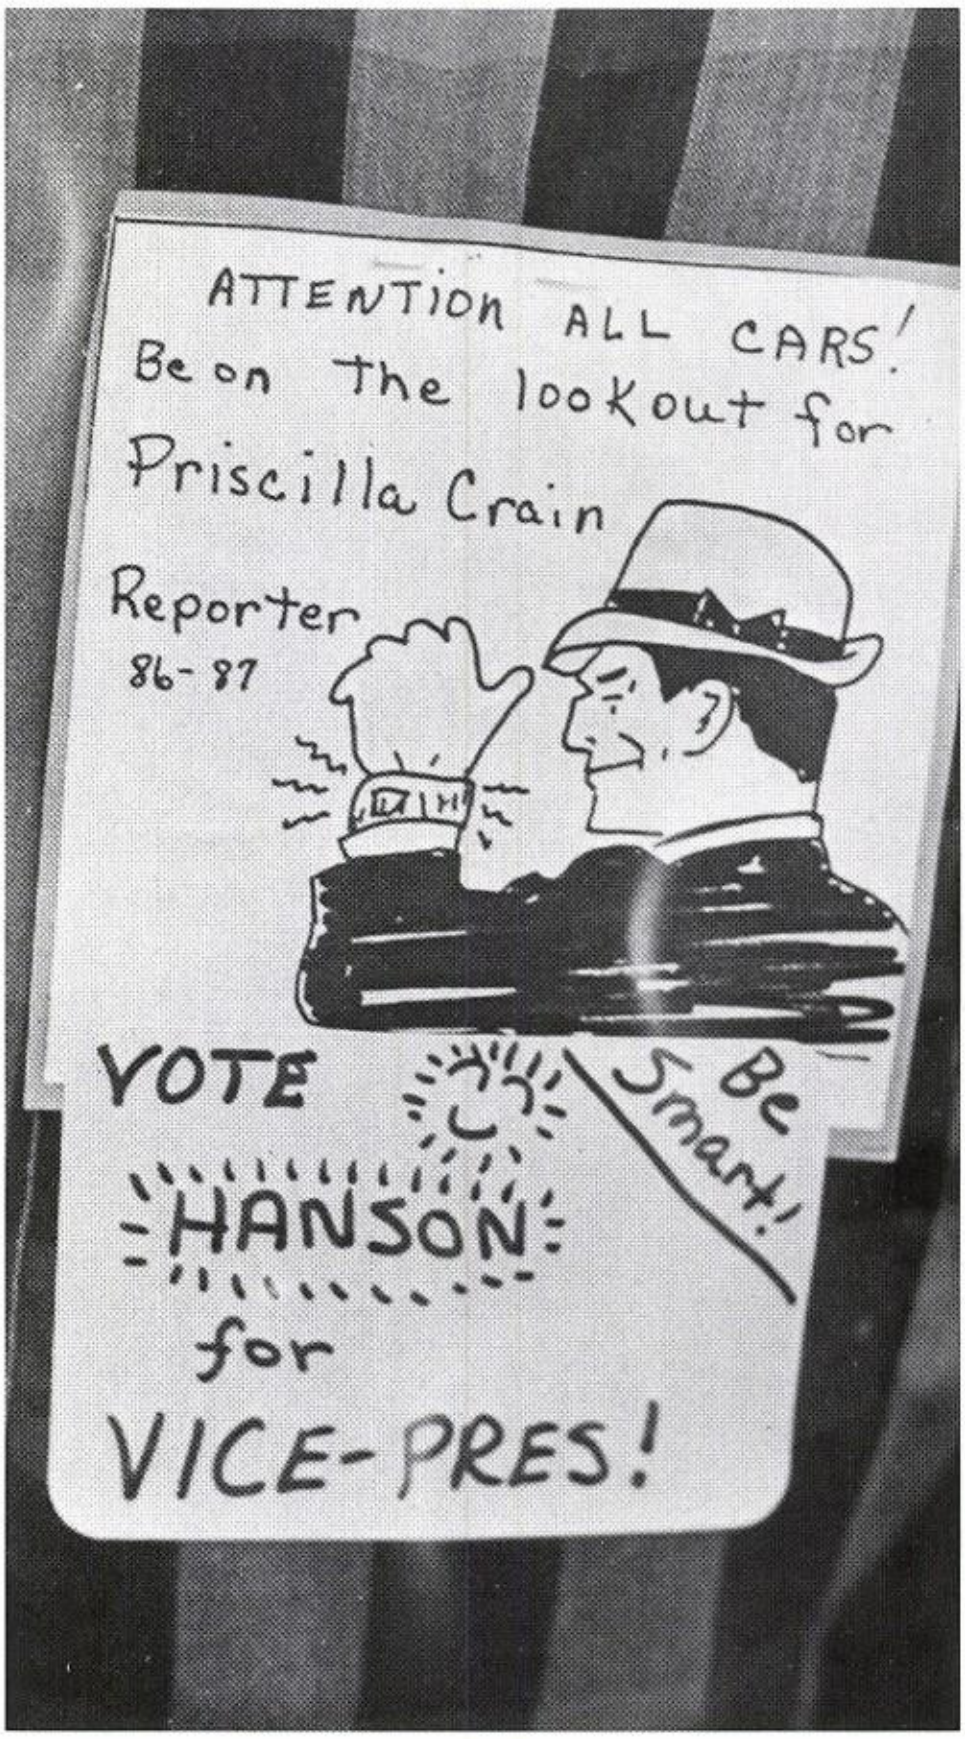
The Student Council set the stage for an active year before school started when members of the council worked in the office stuffing envelopes for the principals.

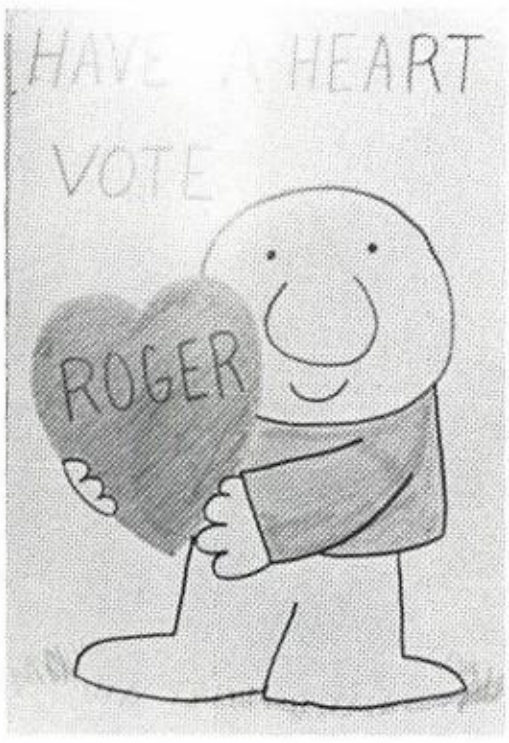
The council hosted a breakfast for the teachers during inservice and sponsored a Spirit Rally at the Texas American Bank parking lot for the football team.

During football season, the council sponsored dances after the home games and was in charge of the homecoming proceedings. Council officers exchanged friendship gifts with councils from the opposing schools prior to football games.

At Christmas, council members had a hayride and caroling party that ended with a pizza feast. The group sponsored a Twilight Zone Dance in the cafeteria decorated with bathroom tissue. As the dancers entered, their hair was painted by council officers. A disc jockey from a local radio station and an unusual array of objects helped carry out the theme. Among the decorations were a canoe, a two-seated bike, trash cans, a neon light, lawn chairs, a bench, a TV, a cow skull, a casket and a male mannequin.

A spirited election campaign produced signs and slogans as council members made claims to lure voters. The new Student Council officers for 1986-87 are president Dylan Stafford, vice president Roger Hanson, secretary Christy Caudill, treasurer Rhonda Cox. parliamentarian Kendal Phillips and reporter Priscilla Crain, below. The officers will go to camp this summer to learn new actitives and ideas for the school next year.





Leaders of the pack — Officers of the 85-86 Student Council are J. Dean Lindsay, president; Tammy Jacobs, Christy Caudill, Dylan Stafford, Eric Hunt and Roger Hanson.

"Just You and I"

By Lori Williams

The prom this year was held May 3, at the Silver Wings Club and was a big success with more students attending than in recent years. The theme was "Just You and I" and was carried out through streamers, helium balloons, silver stars and a background of a starlit night where each couple had prom pictures made. The couples spent the evening dancing to a wide variety of music, visiting with friends and enjoying the refreshments.

After the dance, a breakfast was held at the First Christian Church for the people who attended the prom where a variety of foods was served. It was an exciting and memorable evening and truly a highlight of the year. The prom, each year, means a step closer to graduation for the seniors and provides memories that they will treasure always.

A real Texas welcome Student Council officers Roger Hanson, Tammy Jacobs, J. Dean Lindsay, Kristie Caudill and Dylan Stafford present a tee shirt with an outline of Texas and a Yellow Jacket to Axel Zinke, an exchange student from West Germany.

DHS welcomes exchange student Axel Zinke

By Betty Bell

Axel Zinke from Koplenz, West Germany visited DHS for four weeks this year. In Germany, 15 year old Zinke attends a 300 year old academic high school called a gymnasium. His curriculum includes three foreign languages, French, Latin and English. Health, biology, athletics and geometry were the classes that he visited here.The son of Drs. Heide and Dieter Zinke stayed with Dr. and Mrs. David Buring in Denison. Before leaving, Zinke wrote an open letter to the students and submitted it for the yearbook:

Dear Students and Teachers of Denison High School:

My native country, West Germany, is only one third the size of Texas and 60 million people live there, so you can imagine that for me everything here is new and very large.

When I entered America, I was not sure if I would be accepted, but I must say that everybody wanted to help me and make my vacation as pleasant as possible.

I would especially like to thank Dean Lindsay, Dylan Stafford and Mark Skelton. Also, Mrs. Sue Finley and Mr. John Terry for letting me go on their field trips which I enjoyed very much, and particulary Mrs. Carole Linsteadt for arranging my visit.

I hope to come visit again some day!

Sincerely yours,
Axel Zinke

Club stages Mr. Wonderful

By Lori Williams

United Service Club's annual fundraising talent show and contest was a success even though the rain kept a large part of the crowd from coming. All of the money provided the club with scholarship funds. A sort of reverse Miss America contest, the show was staged for a homeroom audience and an evening audience.

The homeroom show entertained the students with a take-off on the famous educational television station, PBS. Mr. Wonderful talent performed scenes from Sesame Street, Mr. Rogers and The Electric Company.

Kevin Emery was crowned Mr. Wonderful 1986. First runner up was Paul Bardwell, second, Dylan Stafford, third, Rocky Watson and fourth, Robert Stubbs. Other winners were Scott Donowho, swimsuit; Mark Skelton, Mr. Congeniality; J. Dean Lindsay, talent; Michael Beeson, evening wear and Marcus Jackson, Outstanding Drill Team.

The contestants extended a special thanks to Mr. and Mrs. John Terry who coordinated the show and selected the panel of judges.

IN MEMORY

Beyond the sunset's radiant glow,
There is a brighter world, I know,
Where golden glories ever shine.
Beyond the thought of day's decline,
Beyond the sunset's purple rim,
Beyond the twilight, deep and dim,
Where clouds and darkness never come,
My soul shall find its heavenly home.
Beyond this desert, dark and drear,
The golden city will appear,
And morning's lovely beams arise
Upon my mansion in the skies.
Beyond the sunset's radiant glow,
There is a brighter world, I know.
Beyond the sunset, I may spend
Delightful days that never end. — Morgan.

Construction begins

School bonds voted to improve the high school and middle school campus began to become concrete structures and steel spans as the new vocational and science structures took form. A new physical education facility, new commons area for students to gather and visit are all a part of the plan.

While the construction started with cutting down several time-honored trees, the benefits could be realized from the beginning with the increase in the size of the band hall, cafeteria, physical education facilities, vocational classrooms and science laboratories. The new construction will relieve overcrowded conditions for all classes. Faculty and staff members continued implementing changes required by education reform as accountability and documentation took on added meaning. In addition to their teaching responsibilities, educators prepared for, took and for the most part passed the Texas Examination for Current Teachers and Administrators to prove their literacy. All certified educators were required to pass the TECAT to retain their teaching credentials.

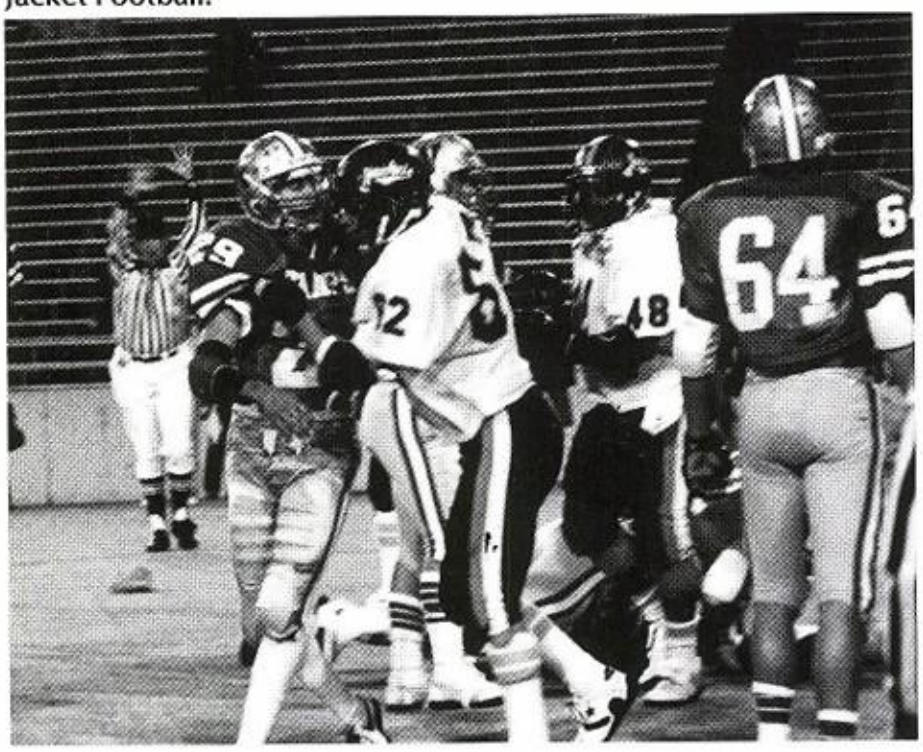
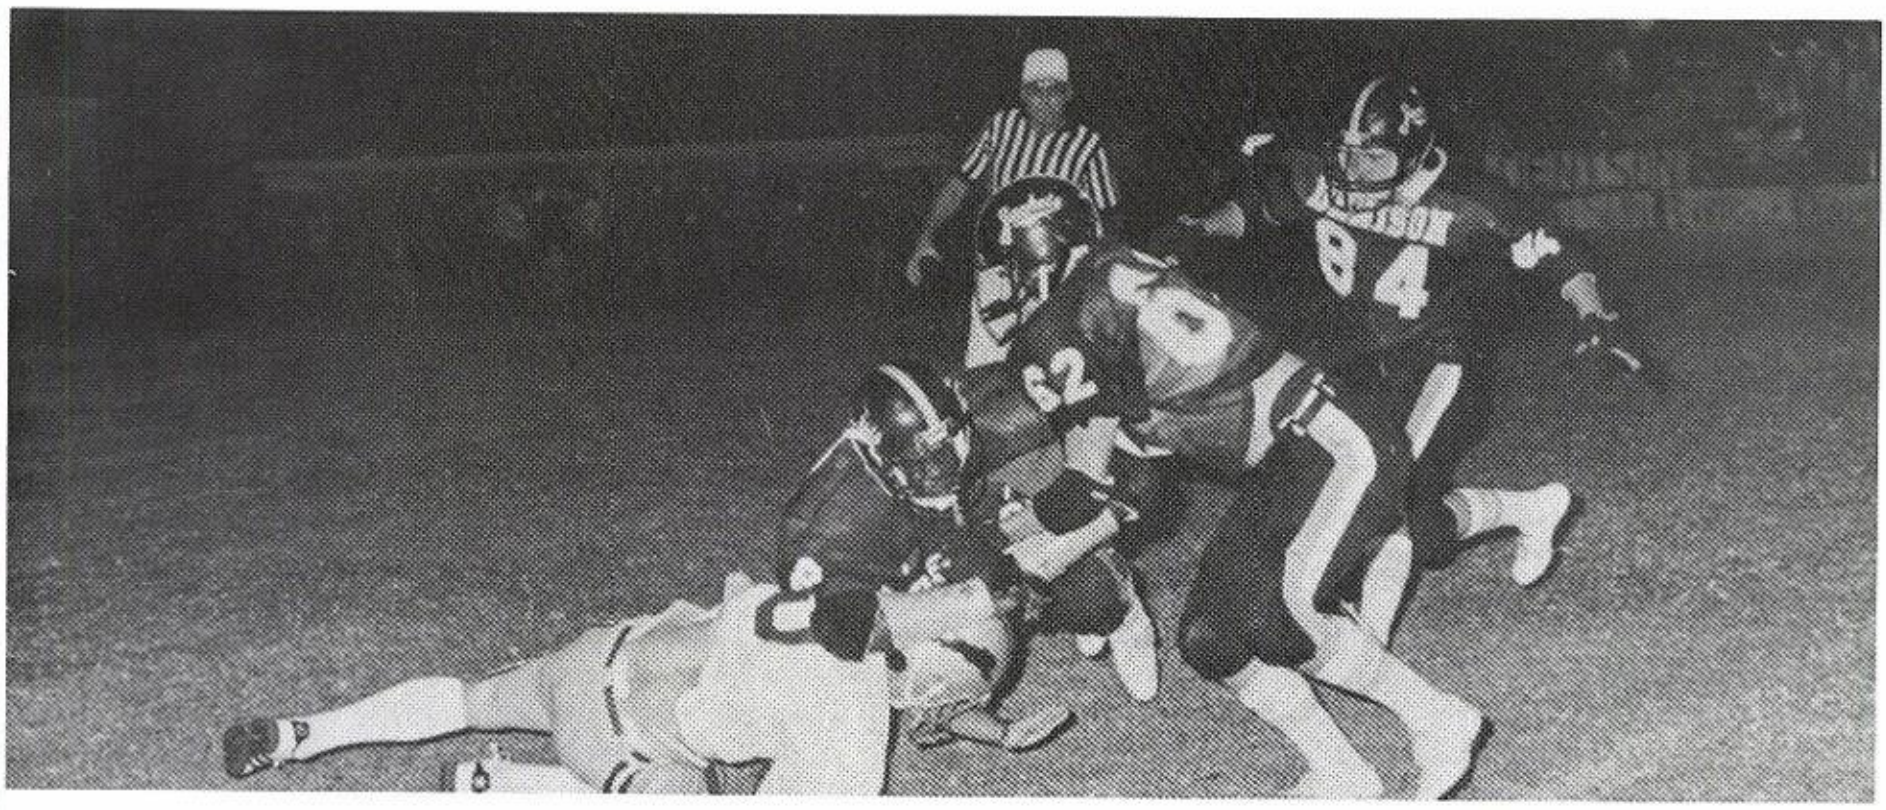
THE JUDGE IS HERE! — Brett Mayes,76, pounces on the Rockwall quarterback for a loss of yardage. The defensive line showed outstanding performances during the season.

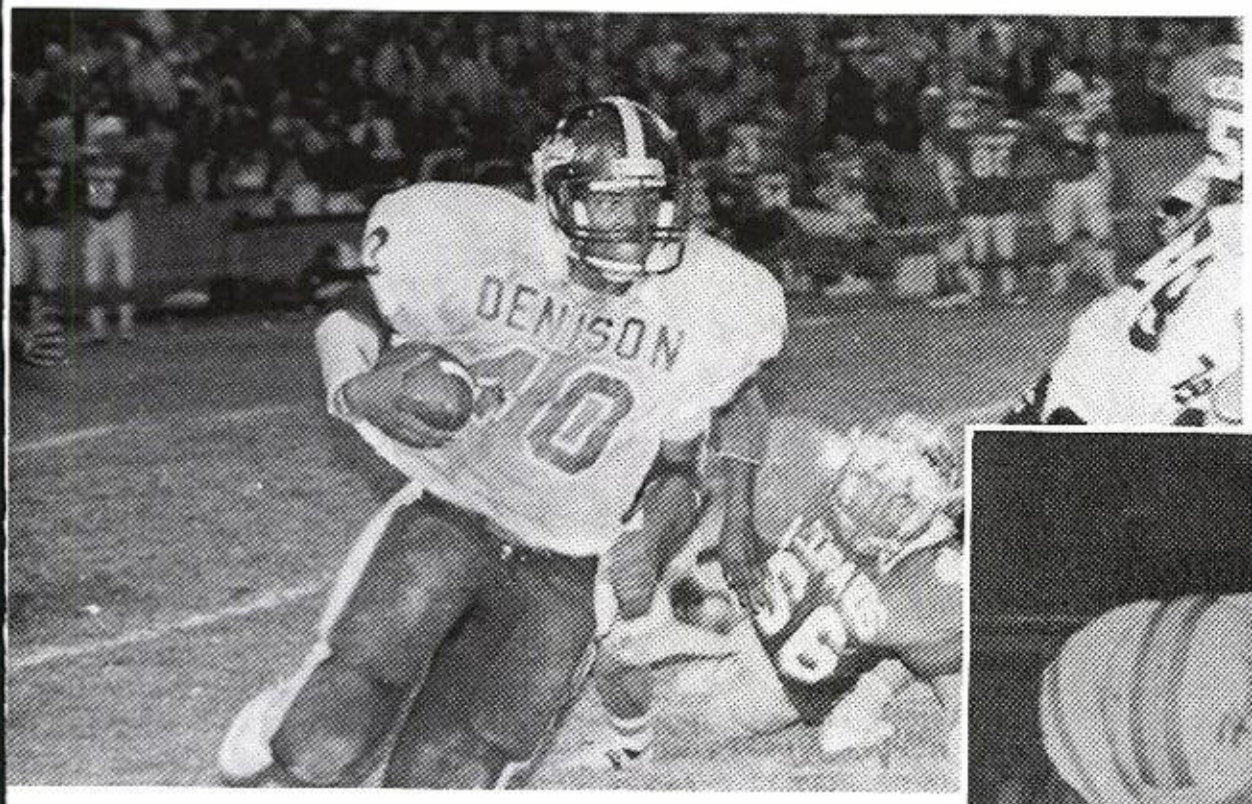
JACKETS 32, R.L. TURNER 8

The Yellow Jackets dominated the season opener on their initial five possessions of the game with senior tailback Aaron Jackson scoring three times and junior fullback Curtis Madden adding two six-pointers. Their efforts were enhanced by outstanding blocking performances of Brett Mayes, Phillip Pryor and Mike Wright. Denison's efforts were similar on defense with Arthur Taylor and Elmar Perry leading a charge that accounted for 10 quarterback sacks. The Lions finished the game with minus five yards rushing and most of their success came against the Yellow Jackets second unit. This game was the start of another great season of Yellow Jacket Football!

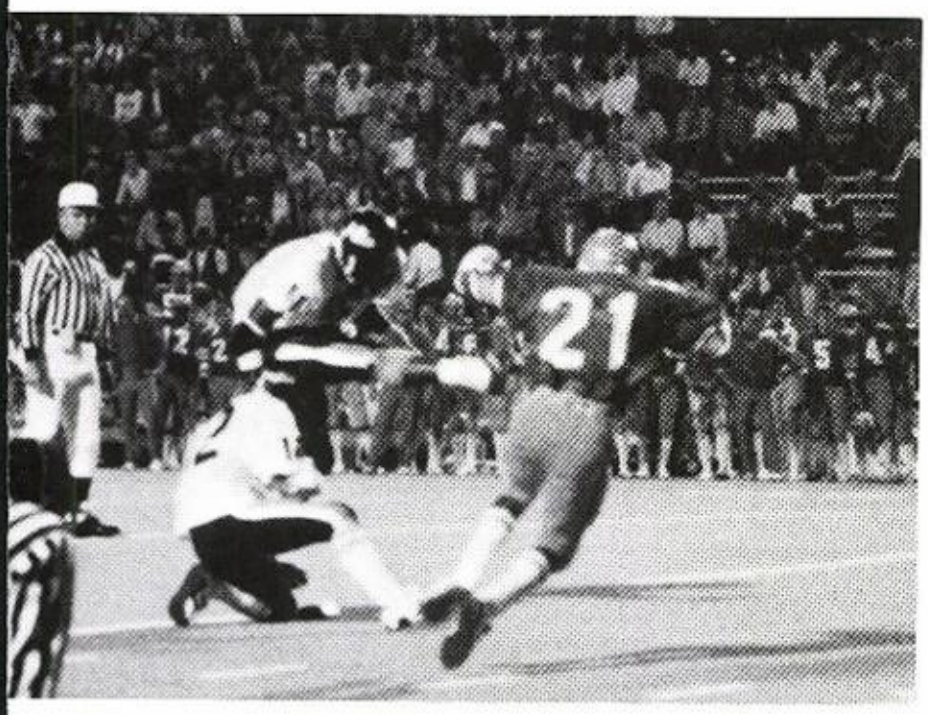


I'VE GOT IT!! — James Cobb,14, intercepts a pass intended for a Rockwall player. The concentration shows on his face. **GO AHEAD, MAKE MY DAY** — Darin Comstock,62, exchanges a few words with his opponent.

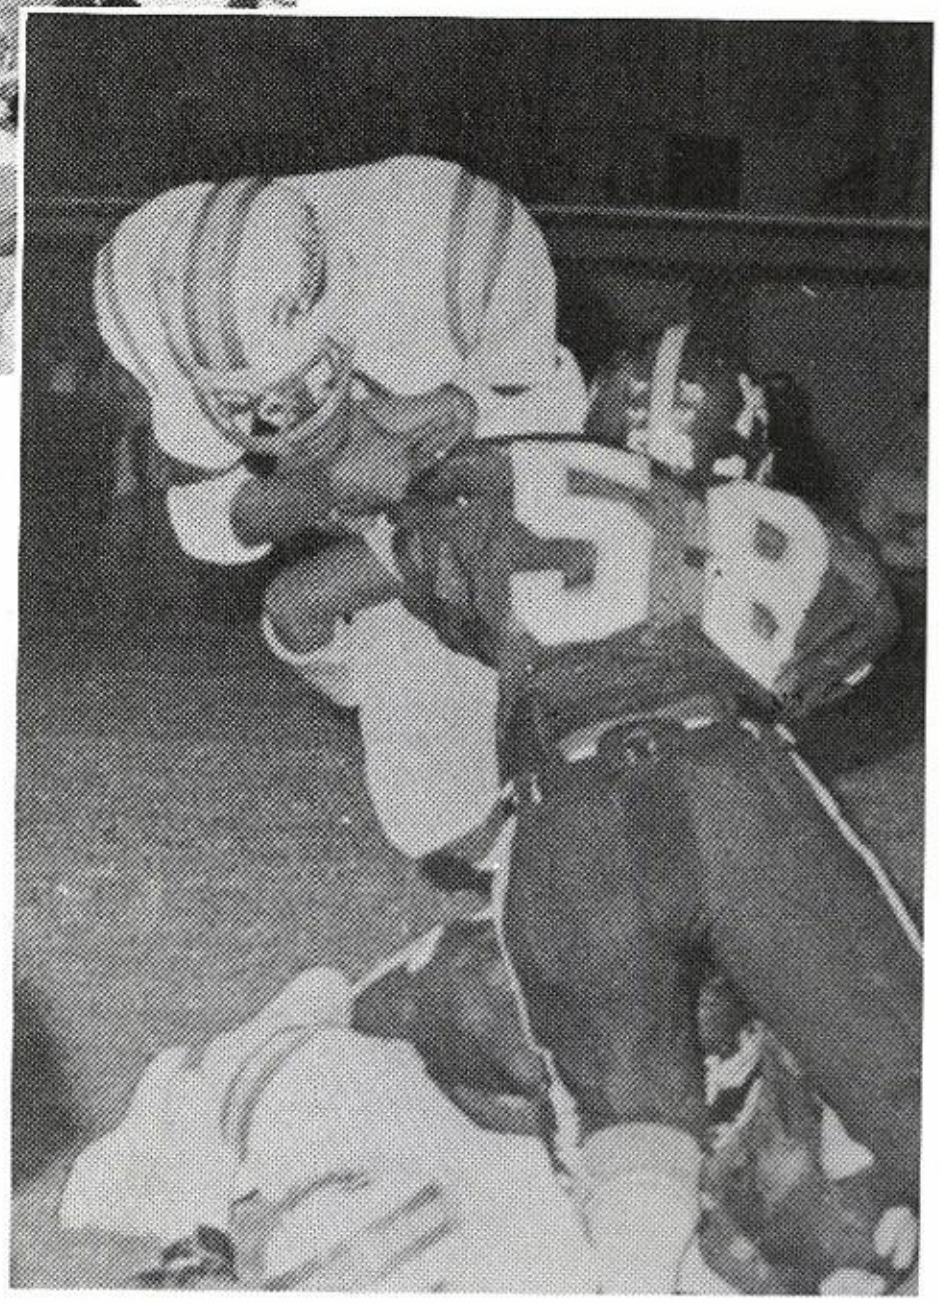


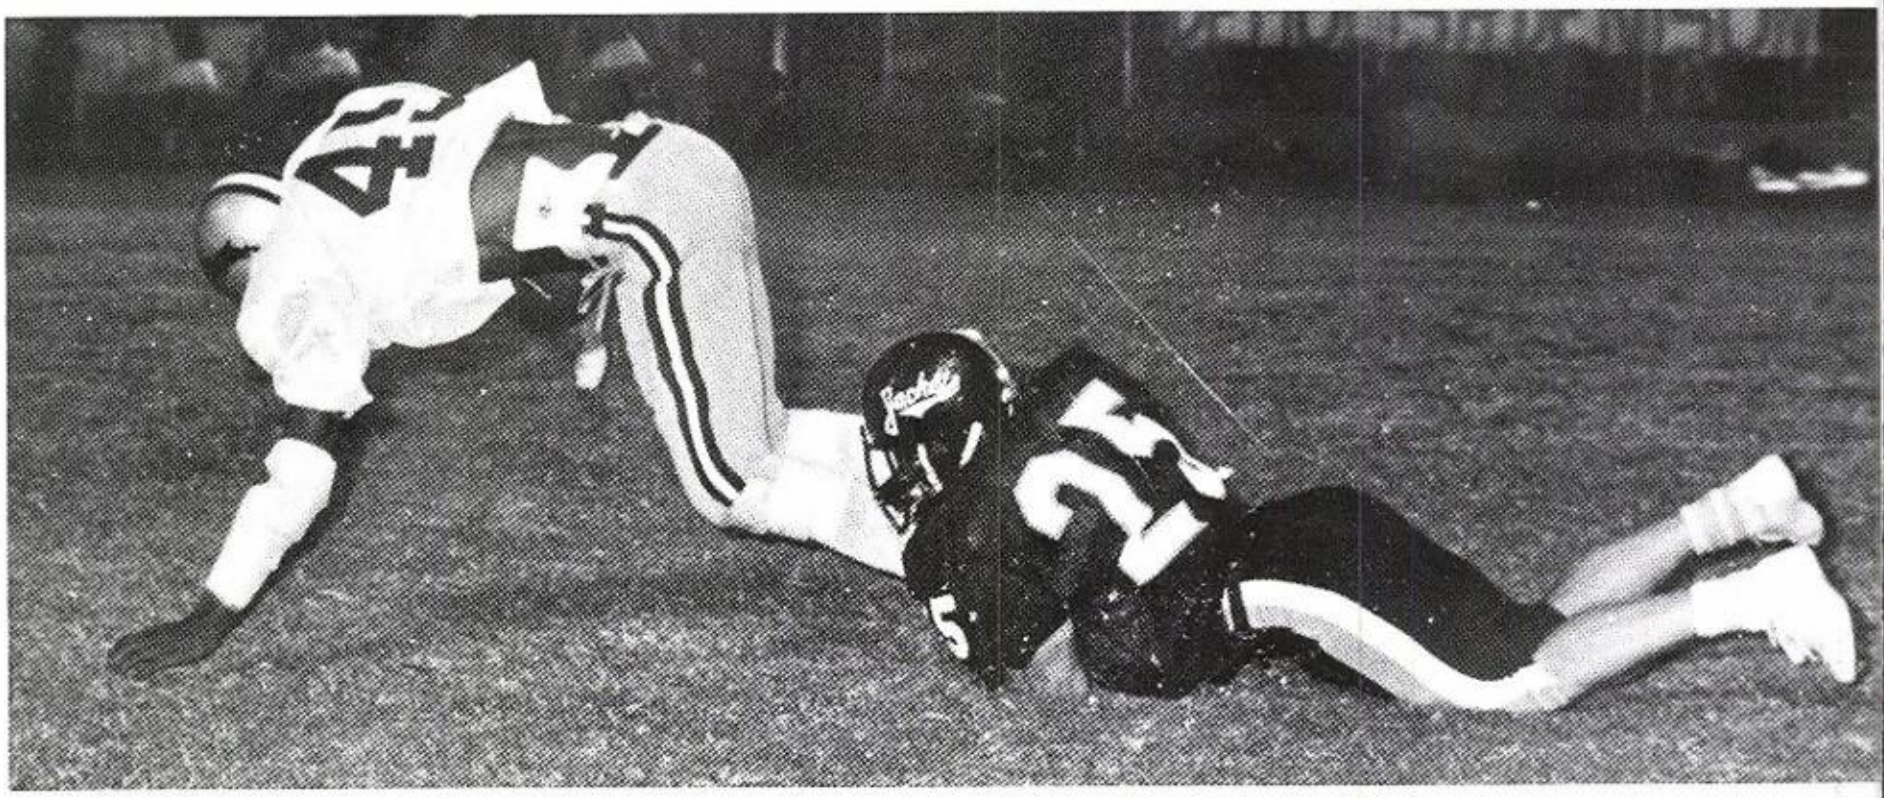


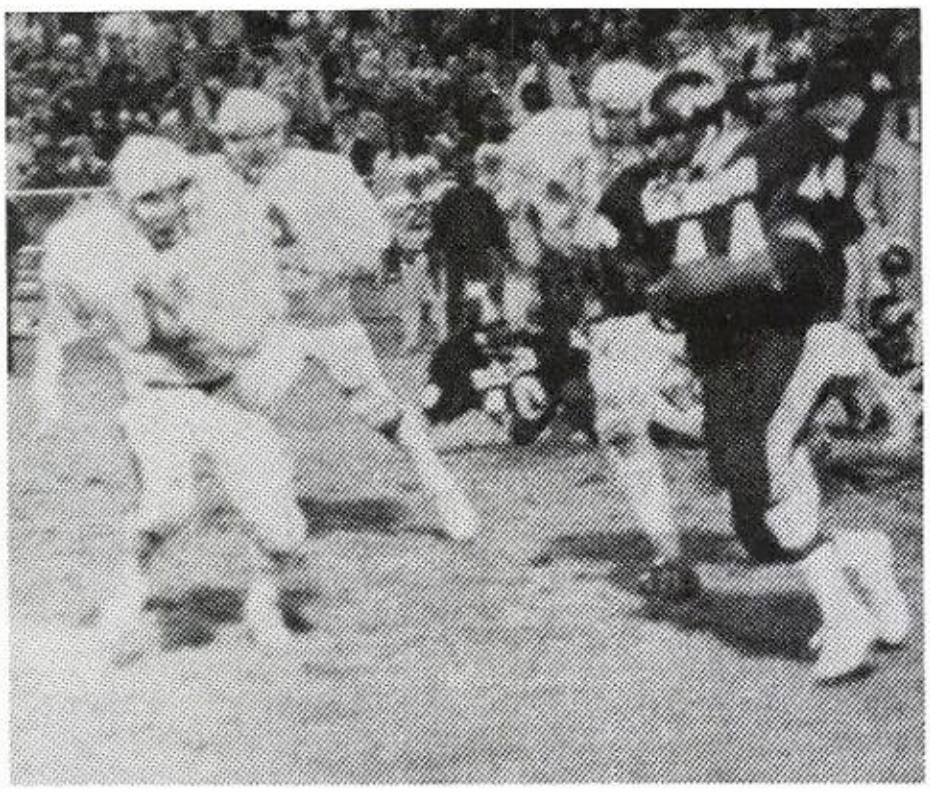
THREE-ON-ONE — Arthur Taylor,88, Darin Comstock,62, and David Beall,84, above, converge to take down the R.L. Turner punter. **I'VE GOT THE BALL** — Running an outside route, Curtis Madden,40, takes a handoff to gain some more yards for the Jackets.



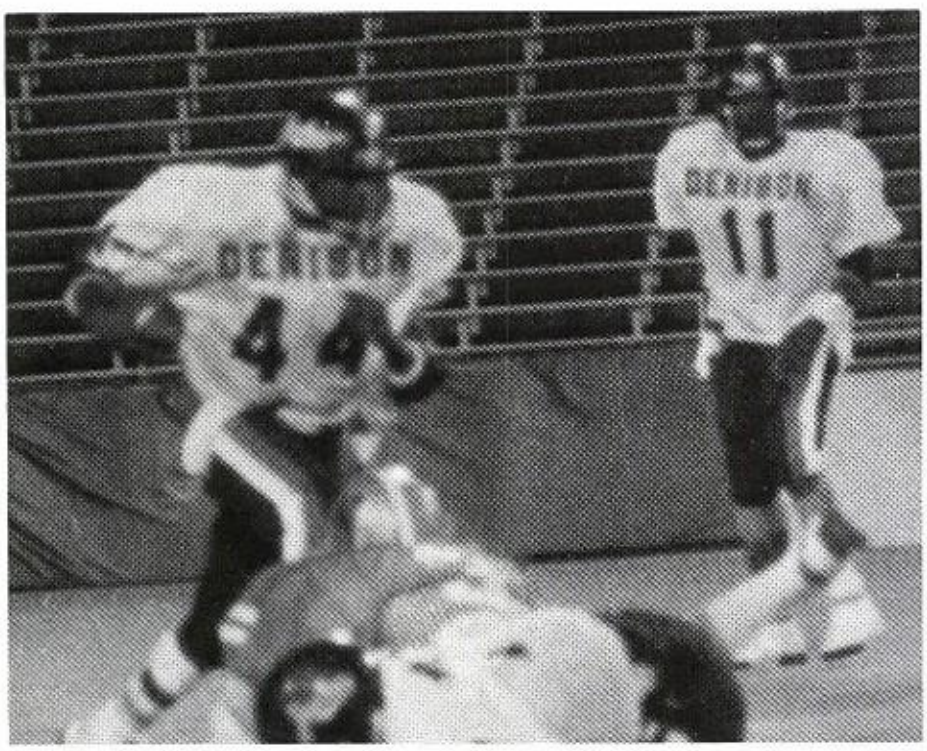
THE RAGU ATTACK!! — Roger Edmondson, 58, right, grabs a Wichita Falls Hirschi running back in mid-air for a take down. **AND AWAY IT GOES . . .** Erick Harper, 11, boots a ball held by Donny Borah,12, to make an extra point after touchdown.



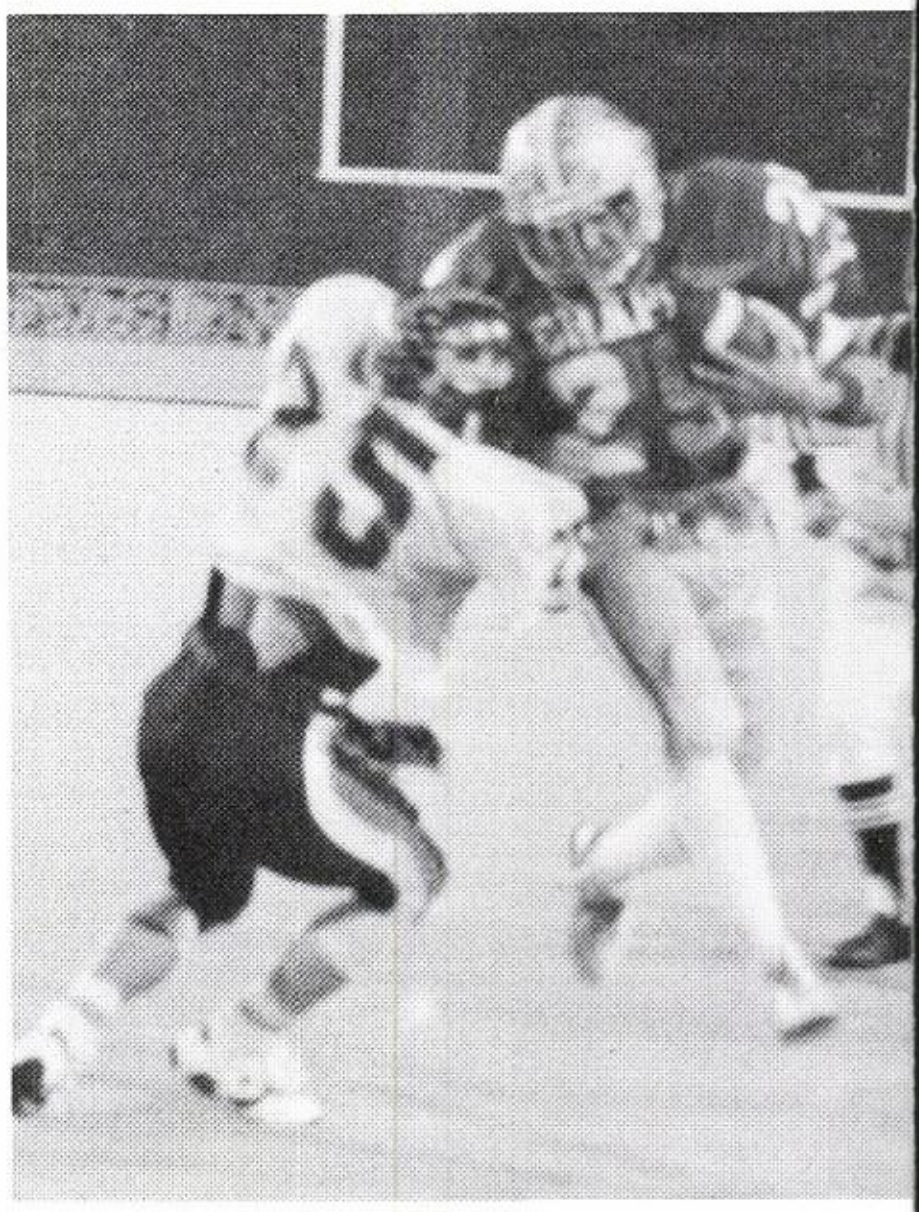




ATHLETE'S FEET? — Bob England, above , dives for a tackle against his opponent.
GET OUT OF THE WAY! — Aaron Jackson, 44, left , runs for extra yardage. Jackson was chosen for all-state honors and all-district team.

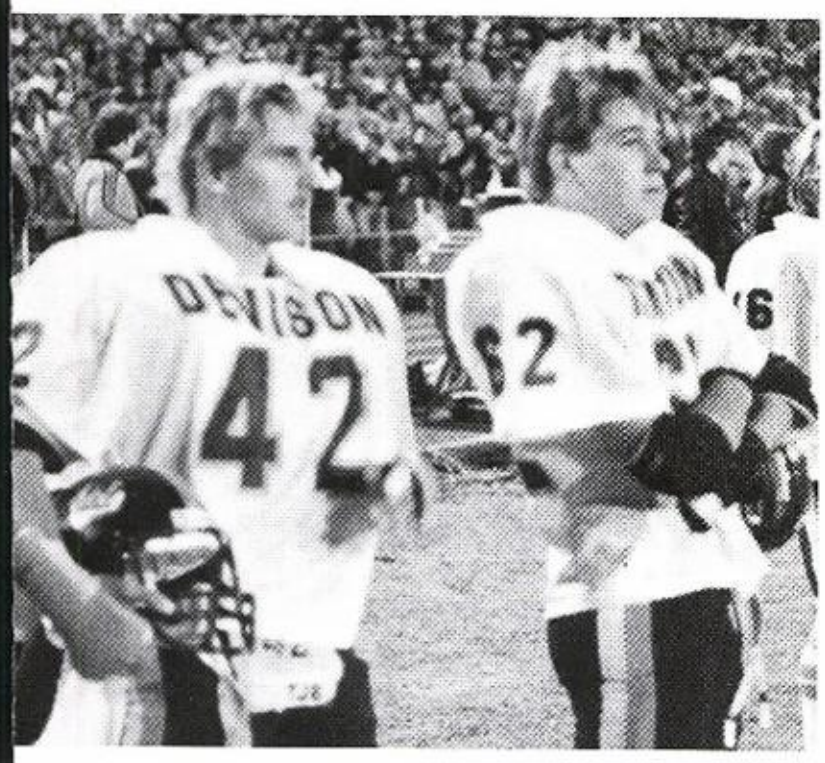


HOLD IT RIGHT THERE! — Bob England tries hard to stop an Austin Westlake player from getting a first down.

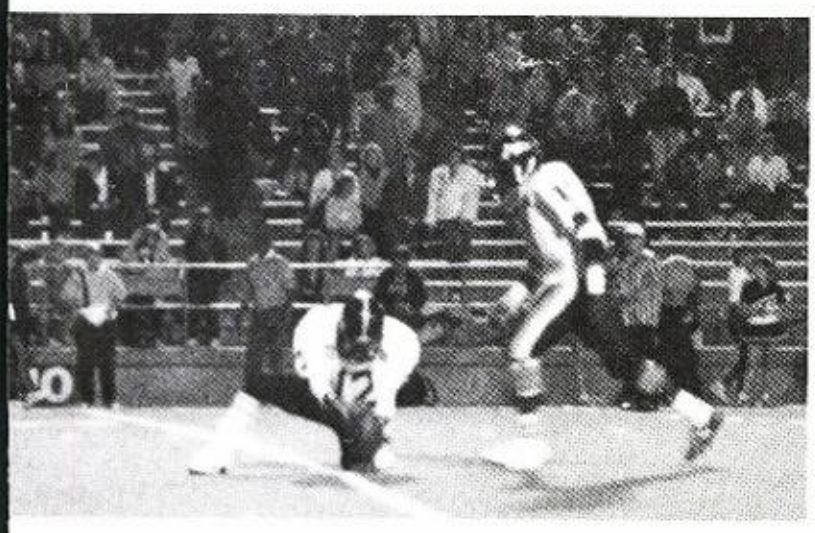


BLAZING A PATH . . . — Scott DeFratus (78) makes a key block fo running back Aaron Jackson to gain a first down. The offensive lin helped Aaron Jackson gain over 1,000 yards during this footba season.

BREAK THE WALL — Dean Lindsay (80) and Brett Mayes (76) tackle a Rockwall player. The Jackets defeated the Rockwall Yellowjackets 23-2.



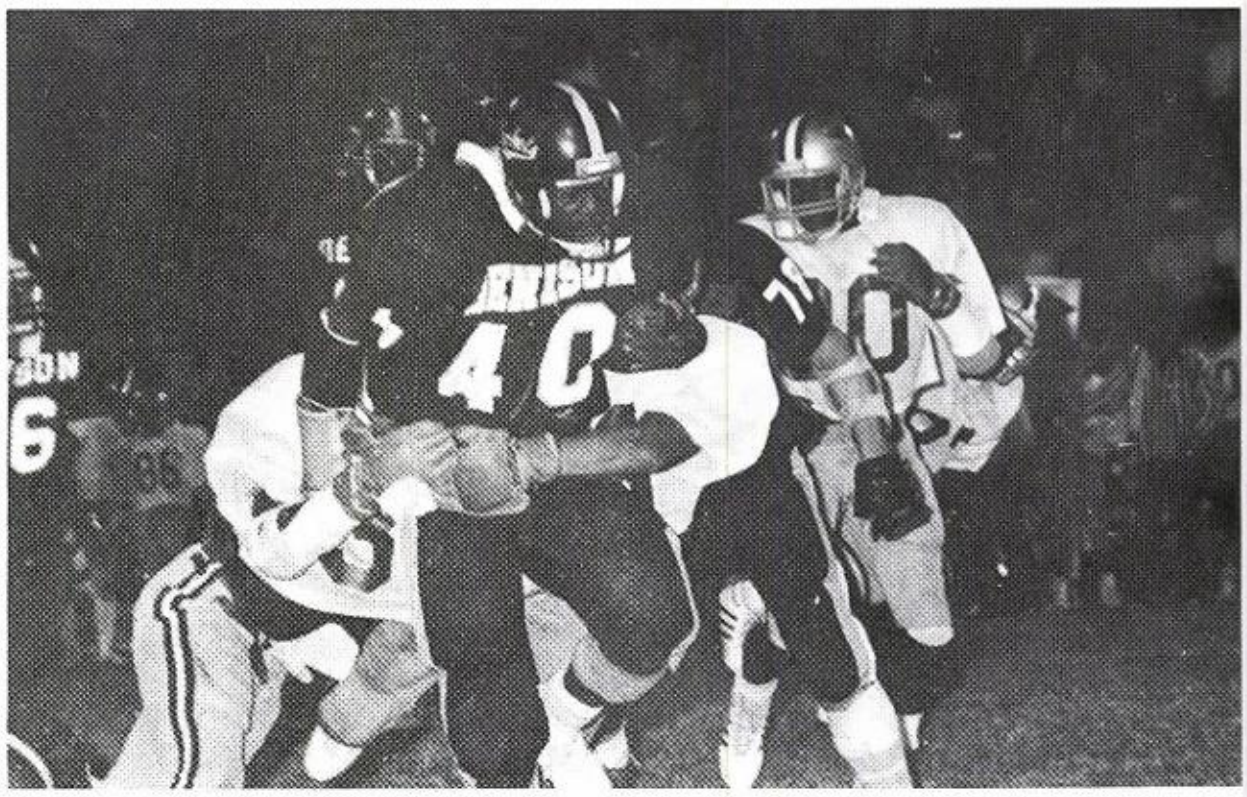
ESTING WHILE THE OFFENSE WORKS — Defensive men hance Clark (42) and Darin Comstock (62) wait anxiously n the sideline for the Jacket offense to score.



CHARGE !!! — Bryan Means (66), above, attempts a block for Aaron Jackson (44). **GOOD FOR EXTRA THREE!** — Donny Borah (12), left, holds the ball while Erick Harper (12) attempts a field goal.

JACKETS 39, SHERMAN 6

The "Battle of the Ax" turns into another victory for the Jackets. Despite the lopsided margin, there were still several critical plays in the game. The first one came early after the Bearcats' defense had seemingly stopped the Jackets on their initial possession of the game. The Jackets quickly regained possession of the ball after the Bearcats received a penalty on the punt. Four plays later, Curtis Madden carried the ball into the end zone to keep the Jackets on top. In the third quarter, Denison wingback Jamie Fennell scored on a 50-yard reverse. Two minutes earlier the Bearcats scored their only points of the game. This game means a lot to the victor because of the rivalry involved.

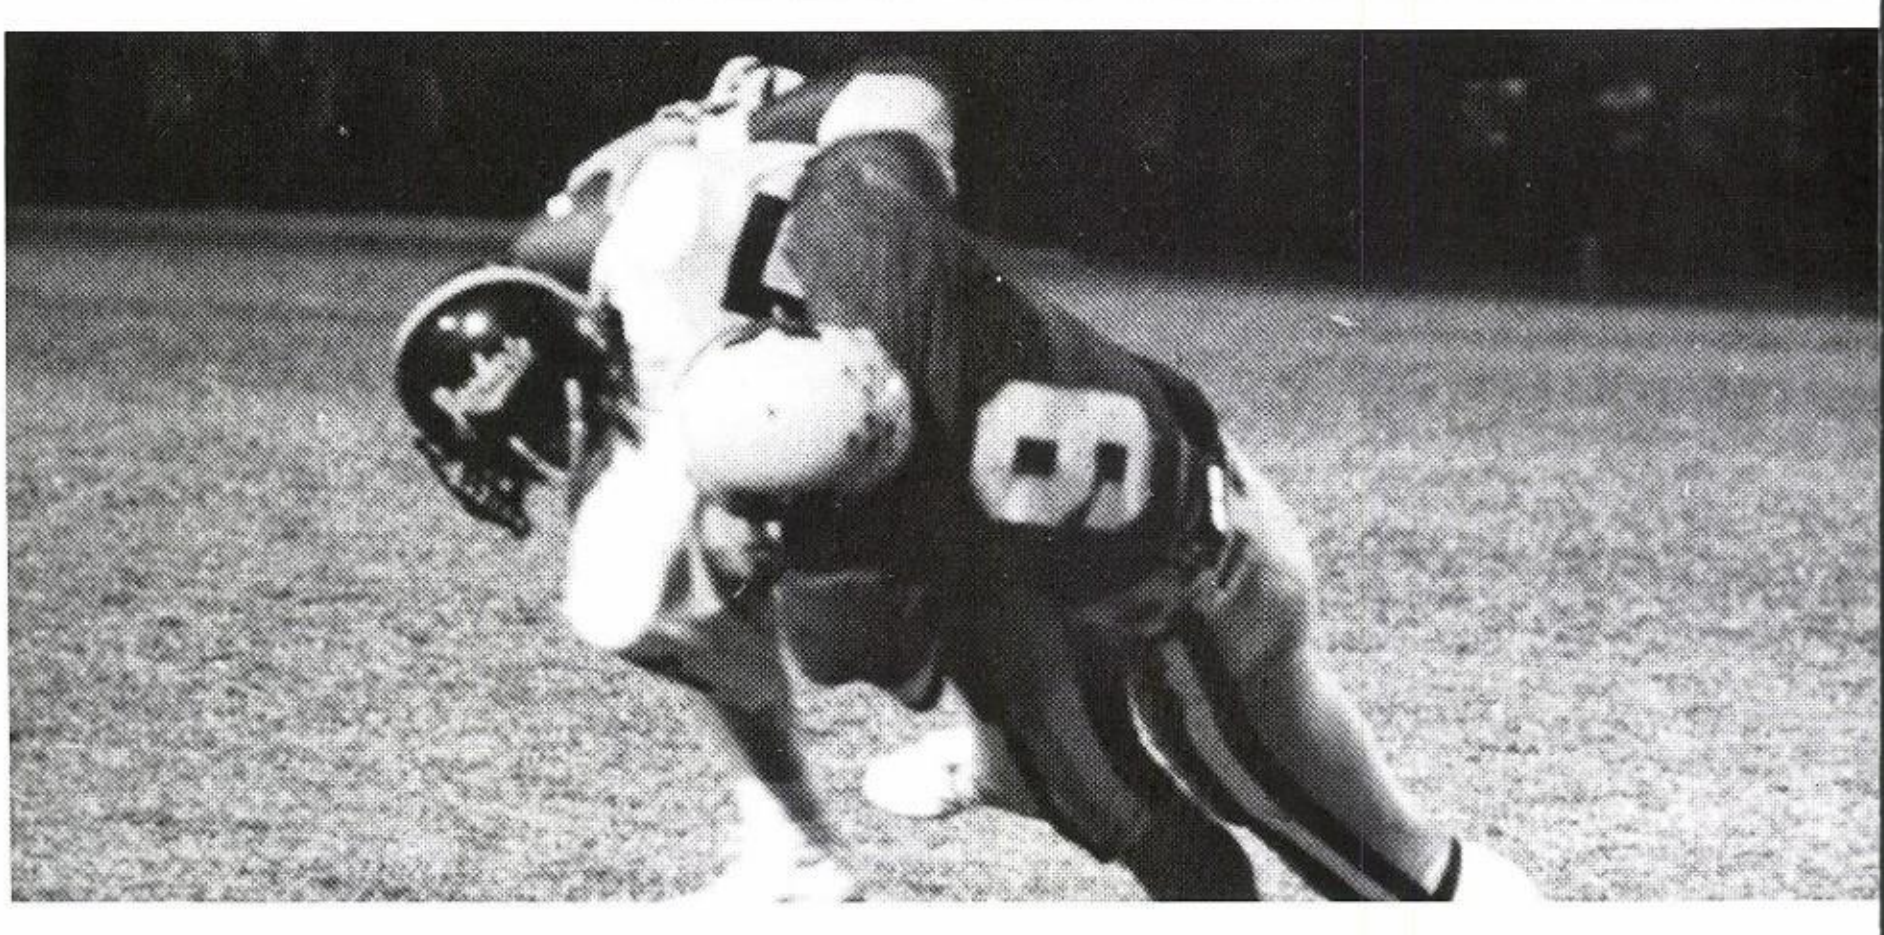


I KNOW I CAN, I KNOW I CAN . . . Fullback Curtis Madden (40), above, is attempting to make a touchdown with tacklers struggling to stop him.

JACKETS 48, WICHITA FALLS HIRSCHI 6

The sixth-ranked Wichita Falls Hirschi Huskies were not the only team in shock after being stomped on by the second-ranked Jackets, 48-6. A majority of the 7,000 fans were constantly on their feet because of the outstanding performance of the Jackets. Head Coach Marty Criswell was literally jumping for joy after the victory. In the first two quarters the Jackets had their first three turnovers, and Harper was sacked for the first time. Aaron Jackson's touchdown runs were only a portion of what eventually destroyed the Huskies. The Jacket team came together to put the Huskies out of their misery.

HE WENT THAT WAY — The Jacket defense, right, converges on a Hirschi Huskie. The Jackets held the Huskies at 48-6. **ALLRIGHT, FALL DOWN ALREADY!!** — Yellow Jacket's Bob England is being brought down by his McKinney opponent after he intercepted a pass.



THE FORCES REACT IN POWER — A Terrell Tiger is making an unsuccesful attempt to stop Curtis Madden, a DENISON YELLOW JACKET. **IN THE HANDS OF?** — Aaron Jackson (44), below, is being hugged all the way down to the ground by his Terrell opponent.

JACKETS 43, DURANT 6

Two penalties in the first half cost the Jackets two scoring opportunities which did not hurt the Jackets in their 43-6 victory over the Durant Lions. The Jackets fumbled on their first possession at the Denison 29, and the Lions recovered. The next four plays netted Durant only four yards. On offense once again, the Jackets scored twice in the first half. The Lions put their only points on the board. Backup fullback Paul Gaffney scored the Jacket's final touchdown on a two-yard run. The Jacket's high-octane offense finished the night with 423 yards rushing, while the Denison defense held the Lions to only four yards rushing.

JACKETS 27, PARIS 7

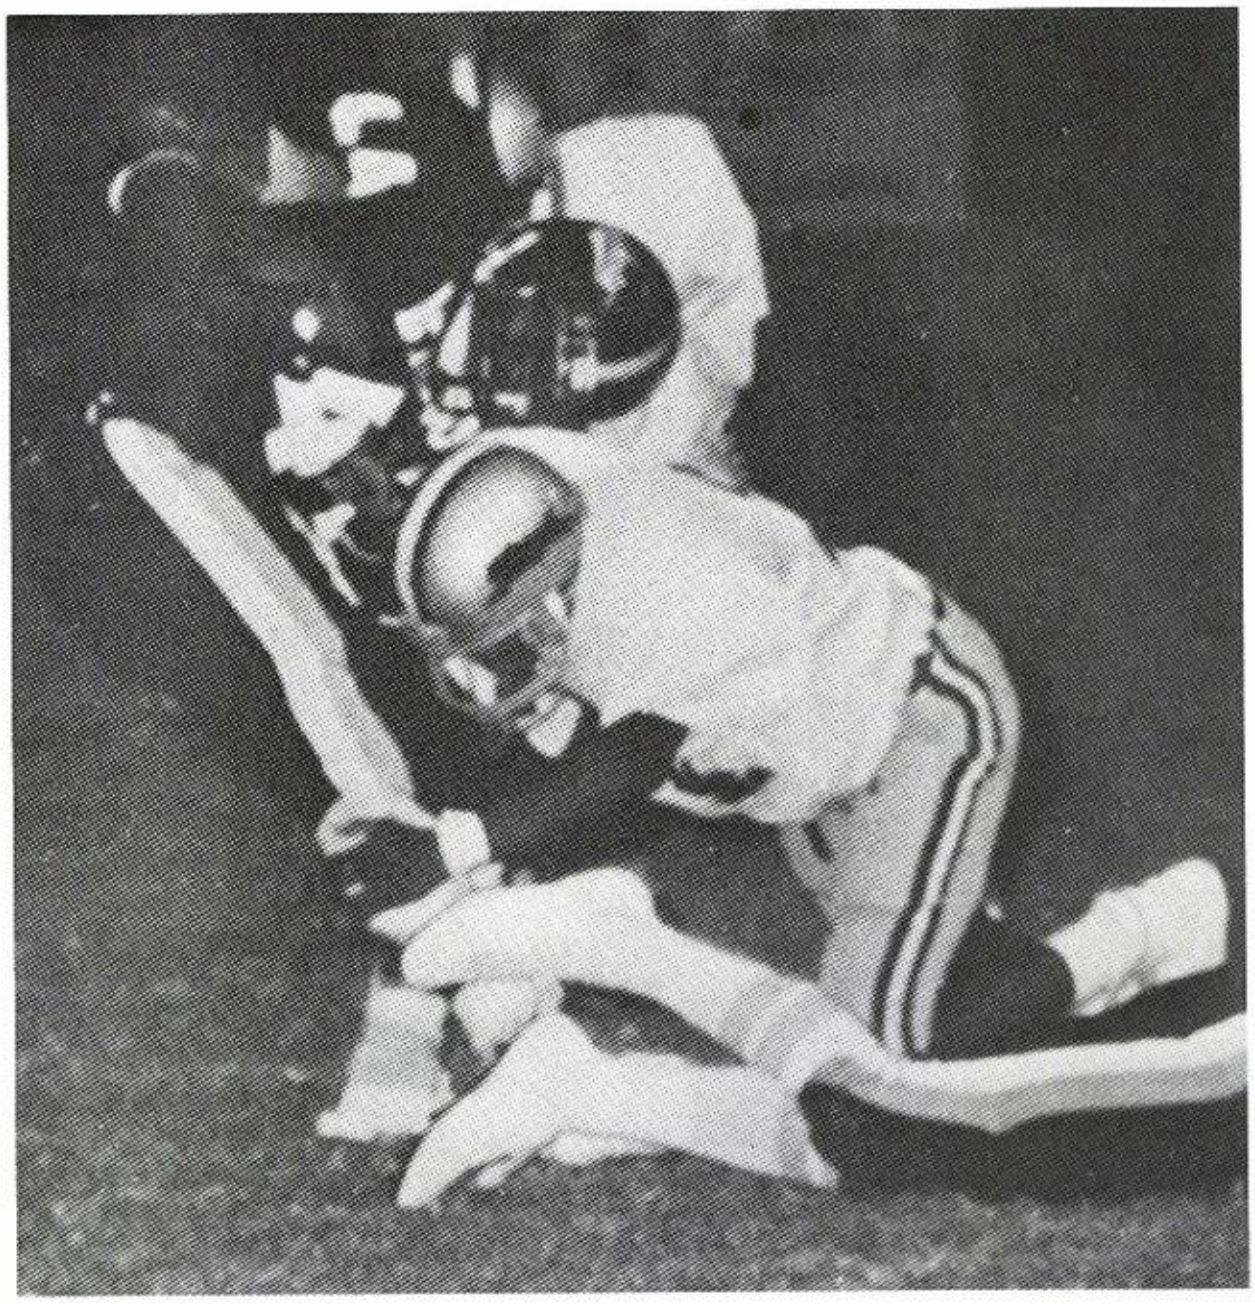
For three quarters, Paris outplayed the top-ranked Jackets. In the fourth quarter, the Jackets exploded with three touchdowns for a 27-7. At the half, the Jackets were behind 7-0, the first time Denison had been scored on in the first half this year. This situation quickly turned around in the second half as Jacket fans reacted to Erick Harper's jumping up and waving arms by standing and cheering. This game proved that the fans have a lot to do with the Jacket's victories.

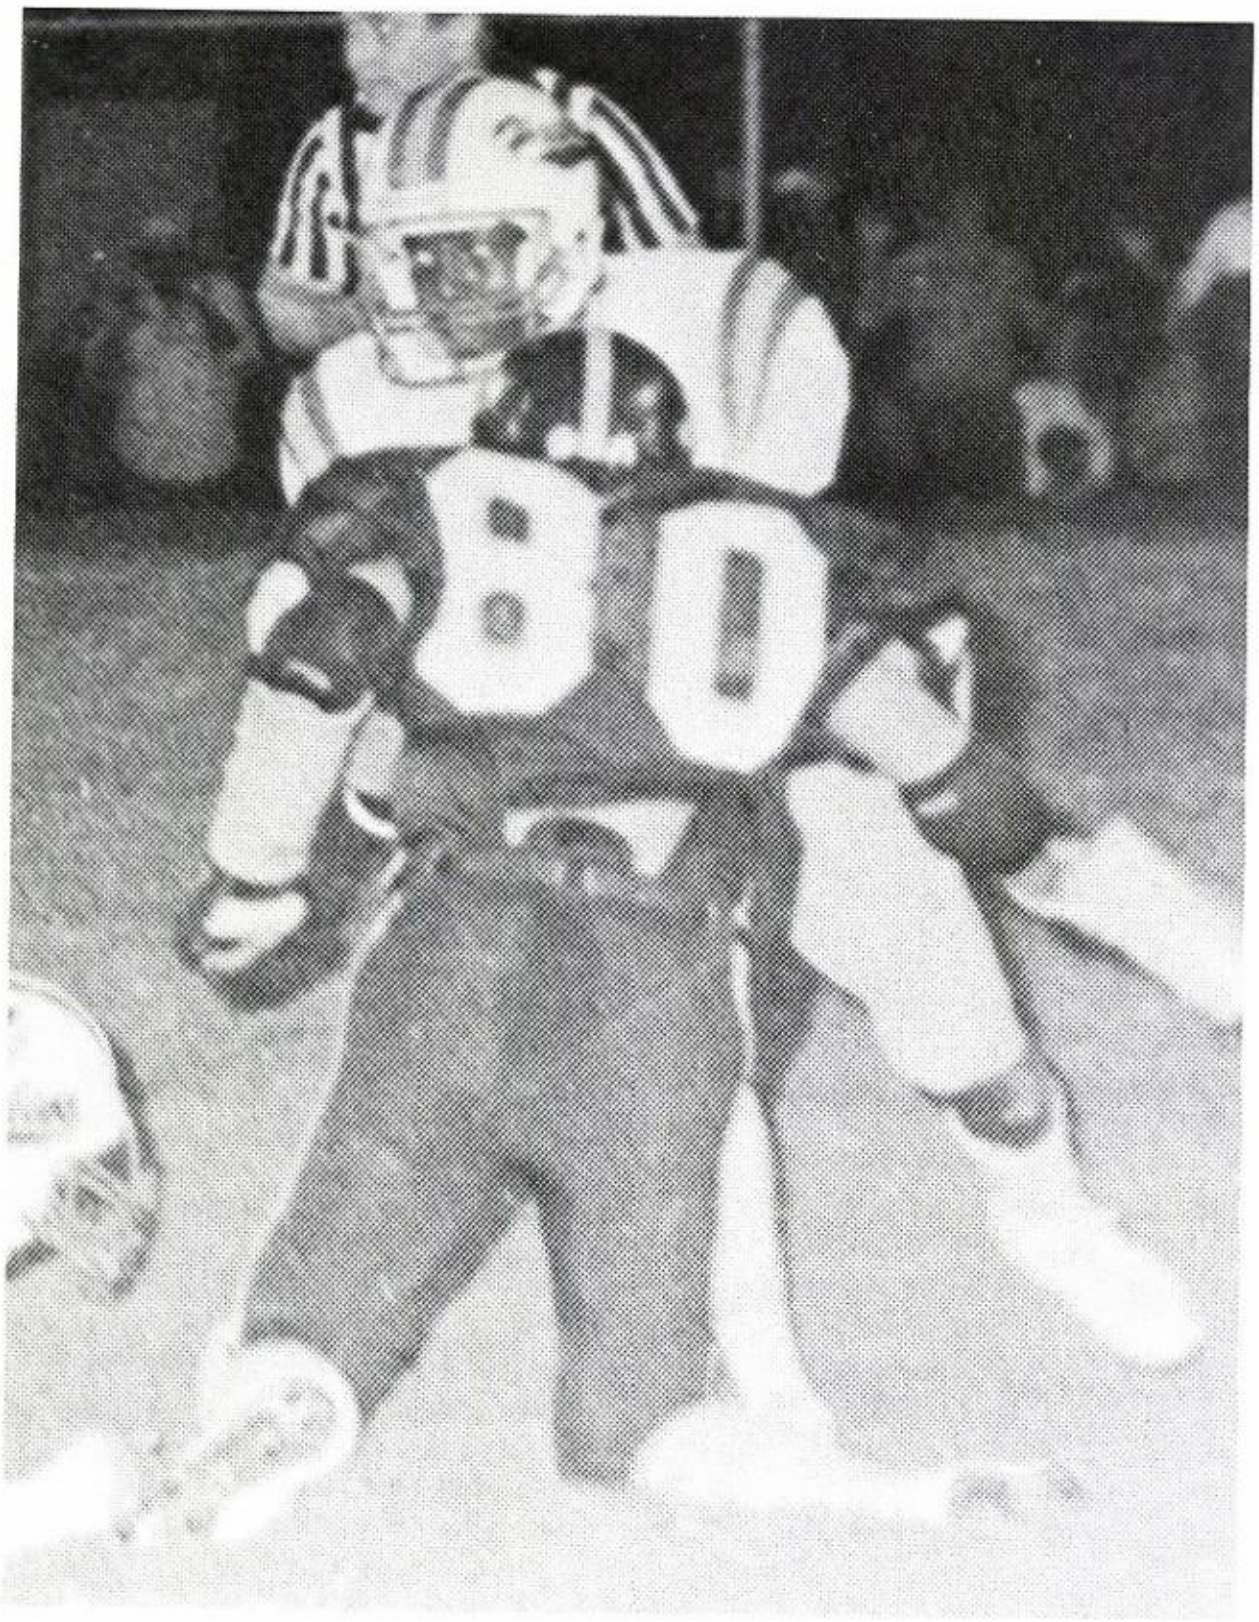
JACKETS 33, McKINNEY 12

This game was a sum victory for the ackets because of the major plays that add- d up. Some of the play figures that were he keys for the Jackets were Aaron ackson's 95-yard touchdown run, the even quarterback sacks against McKin- ey's all state quarterback Greg Ziegler, and ob England's pass interception which set p one of the many touchdowns. The ellow Jackets lost the pregame coin flip for he first time this year, but this quickly turn- d with the defense recovering the ball for he offense. Eight plays later, Curtis Mad- en, scored on a 14-yard run.

JACKETS 27, ALLEN 7

An excited homecoming crowd saw the ackets defeat the Allen Eagles 27-7. enison took complete control of the game the final seconds of the first half and pening seconds when it scored three uchdowns within a 1:07 period. The agles held tailback, Aaron Jackson, under 00 yards which did not hamper the ackets' abilities. Starting at their own 18, fter the opening kickoff, the Yellow ackets drove 82 yards in 11 plays for six oints. A 31-yard run by Curtis Madden was he big play in the drive and the big fullback cored for the seventh straight week when e plunged over from a yard out.





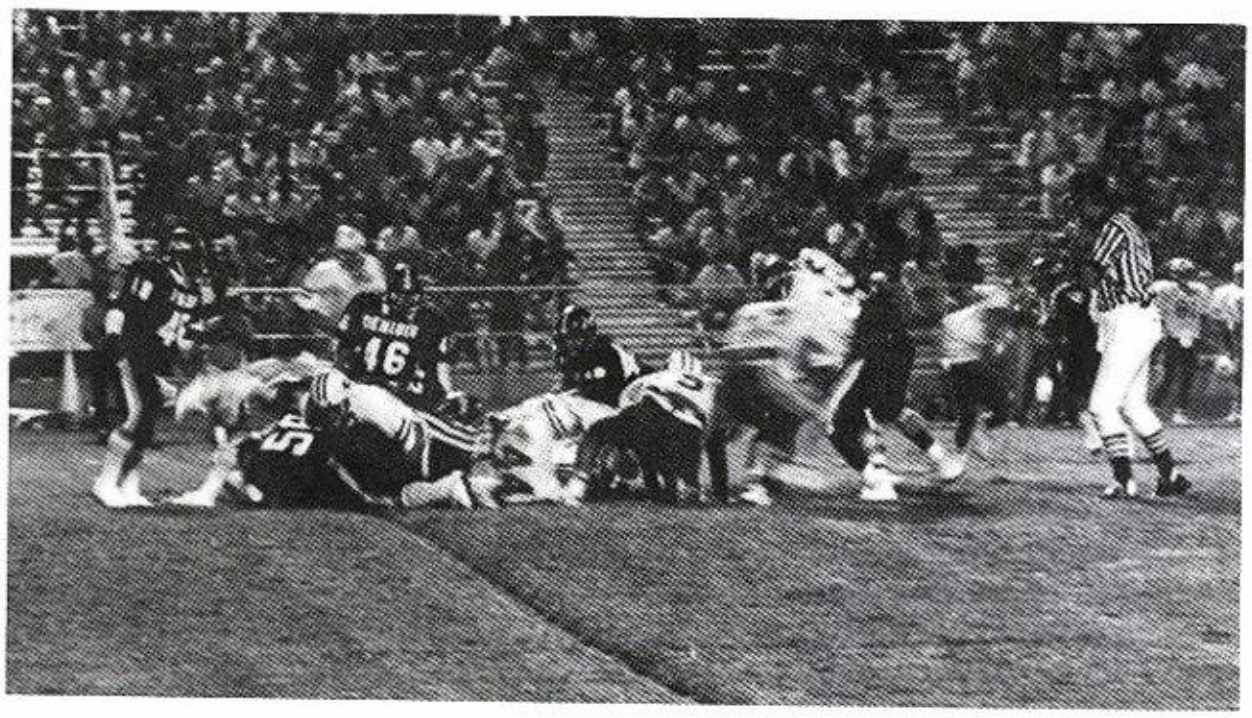
JACKETS 55, TERREL 6

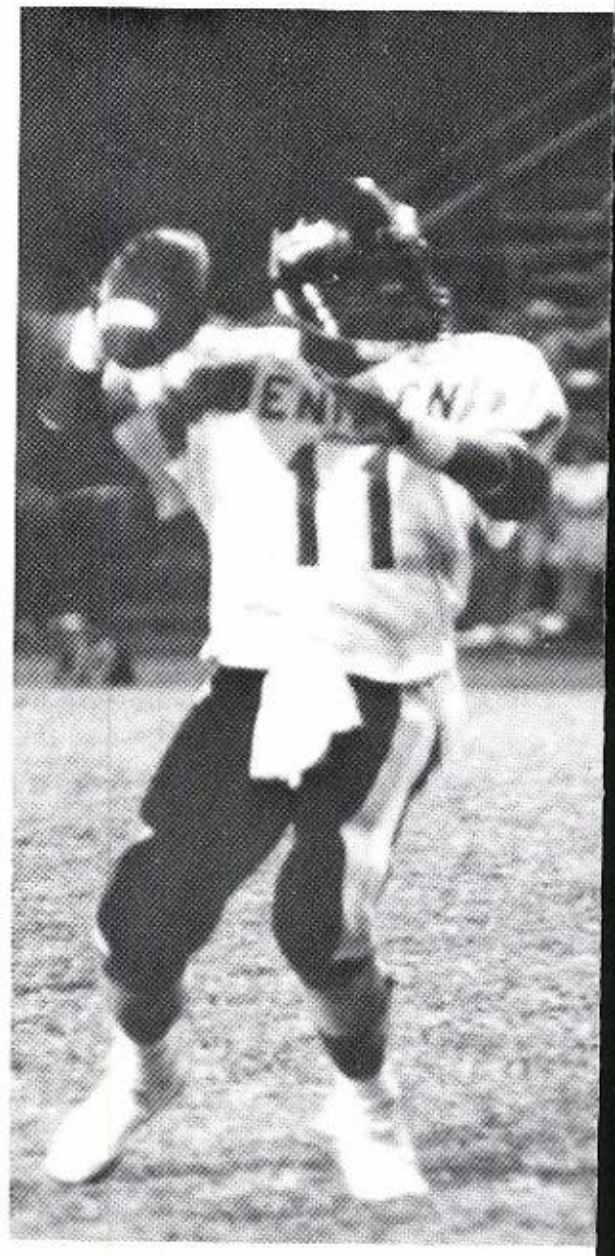
"We went to Terrell a little bit bent up, but the kids went out and really played well. Terrell was a team that was struggling and we broke the first play. That is the thing I really remember from the Terrell game, breaking the first play. The kicking game was probably the biggest factor of all. It just completely took them out of the contest."- Marty Criswell

The Tigers' only score of the game came in the final period when tailback, Anson Dye, plunged in from a yard out against Denison's third unit.

JACKETS 23, ROCKWALL 2

Denison ran head on into a fired-up Rockwall team, which held the host Yellow Jackets without a first down on four possessions in the first quarter. In the second half, the visiting Yellowjackets held the defending state champions to two first downs and 74 total yards. Field position was the whole story in the first half, with Rockwall playing most of the first quarter on Denison's end of the field. Moments after a missed field goal attempt, a 12-yard punt gave Denison possession at the Rockwall 47 and the Yellow Jackets were in business. Rockwall's following 15 and 18 yard punts put Denison's 25th consecutive victory on the charts.





LET ME GIVE YOU A BEAR HUG! — J. Dean Lindsay (80), top, sets himself so that he can bury the Huskies running back. **DOGPILE** — Jacket's defense breaks up one of the many plays that were attempted against them this year.

JACKETS 28, GAINESVILLE 7

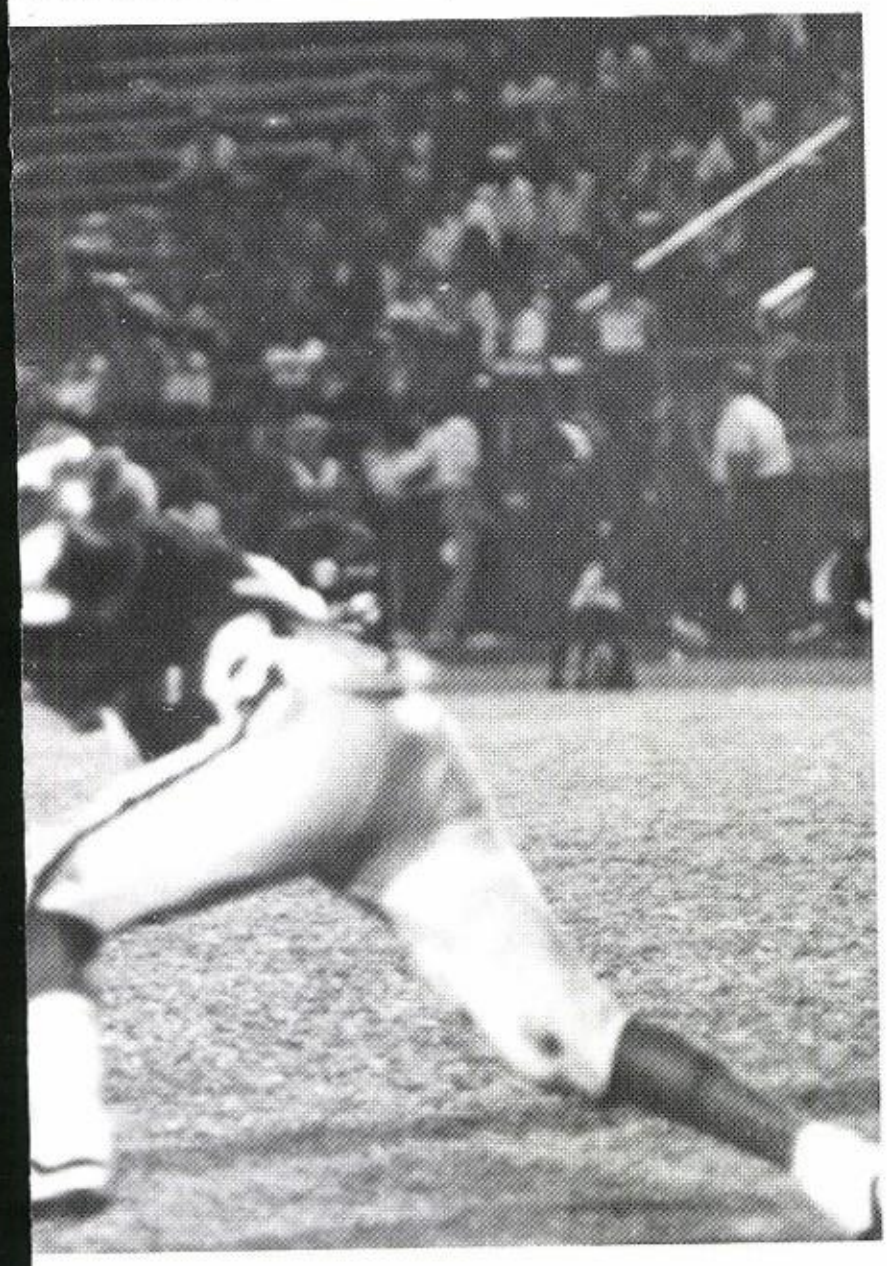
With Gainesville's highly touted defensive unit keying on Yellow Jacket star Aaron Jackson, Denison coaches instructed Erick Harper to keep the ball and he boot-legged the Jackets right past the Leopards, 28-6. It was Denison's 26th consecutive win and assured the Jackets of a host berth in zone playoffs against Waxahachie. The Jackets combined their efforts for 334 yards, narrowly missing the school rushing record for a 10-game season. The Leopard's only score of the game came late via the airways when Denison was playing mostly reserves.

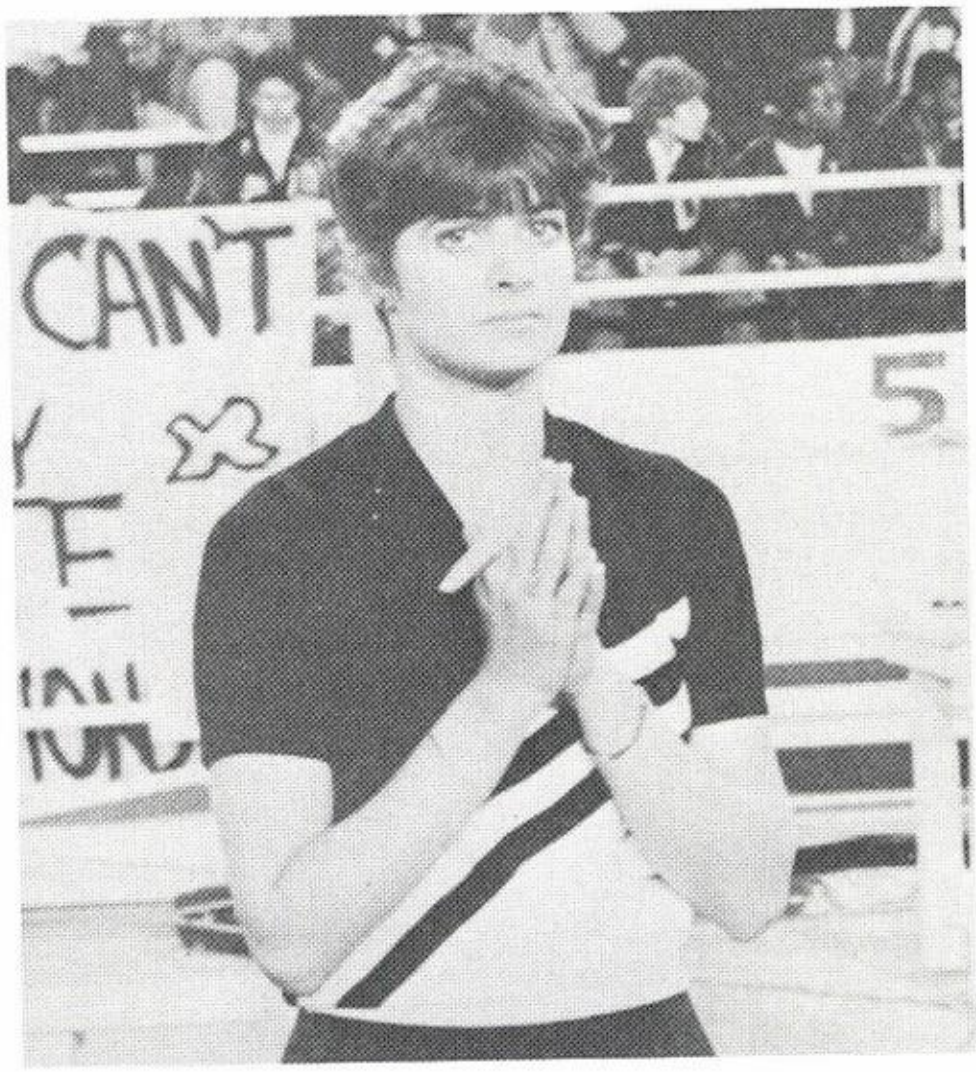
JACKETS 49, WAXAHACHIE 19

"I had never seen a player score seven touchdowns in one game and I've been in this business a long time," said Jacket Head-Coach Marty Criswell.

This spectacular feat was accomplished by Aaron Jackson. He ran for 231 yards on 19 carries and caught two passes for another 86 yards including a 46-yard touchdown reception in the fourth quarter. The two teams battled on even terms in the first quarter as Waxahachie suprised Denison with a new defense. But the Jackets made the necessary adjustments and exploded for three second quarter touchdowns to take a 21-0 lead before halftime. Chalk up another victory!

TAKE TWO — Erick Harper takes two cups full of water to replenish himself after a workout on the field.

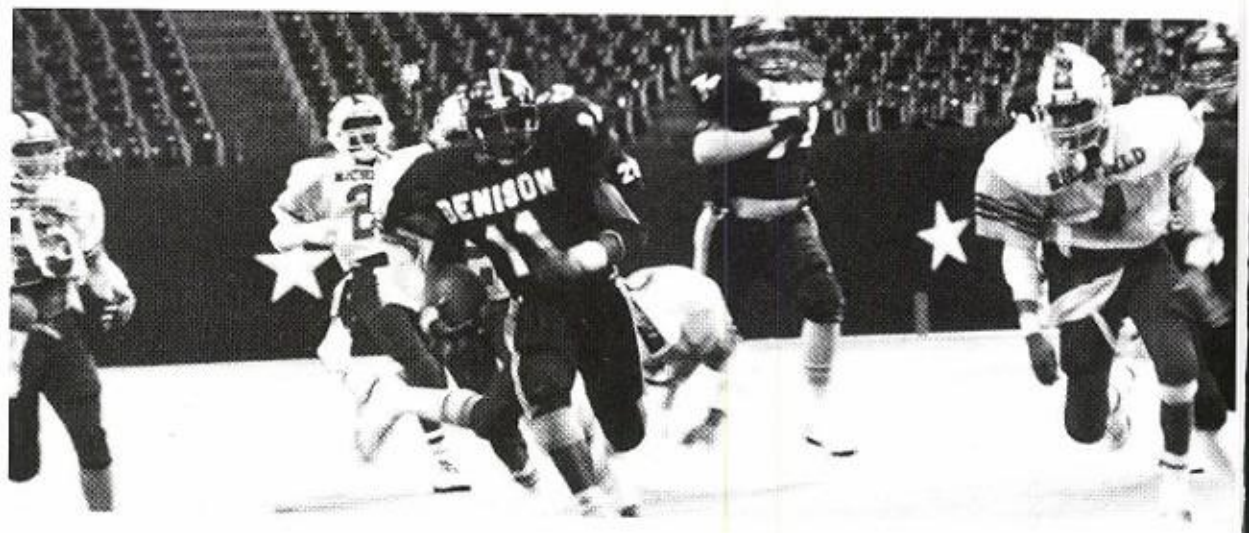




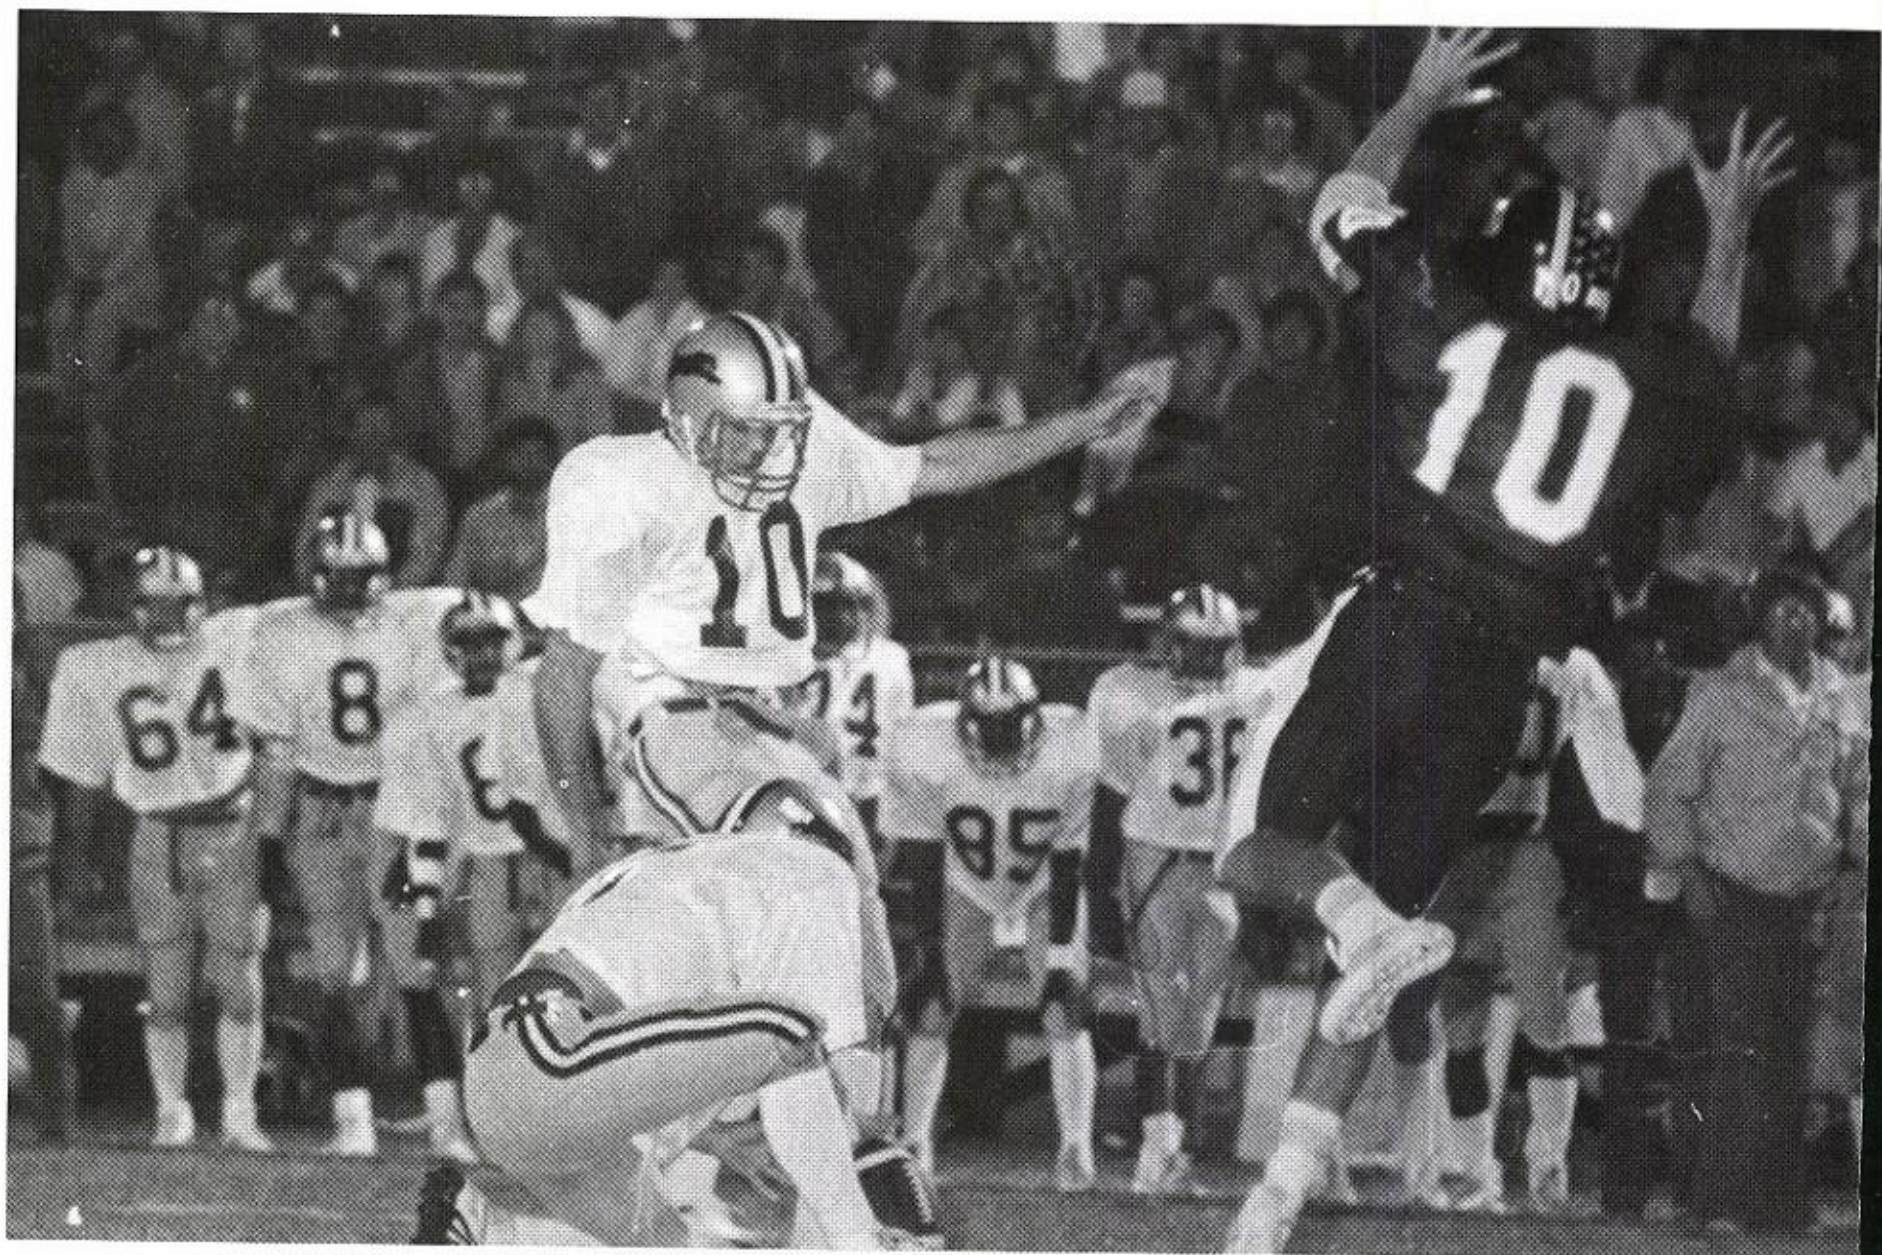
HOPING FOR YA' JACKETS — Head Cheerleader Marlene Fritts, top, stands on the sideline hoping for a victory for the Jackets. **STAY BACK** Erick Harper, left, has pressure as he is about to attempt a touchdown pass to Tony Plauche.

JACKETS 40, SULPHUR SPRINGS 0

The Yellow Jackets scored on a blocked punt, a 76-yard punt return and a school record 48-yard field goal by senior quarterback Erick Harper as Denison routed the Sulphur Springs Wildcats, 40-0. In winning their 28th straight game, the Jackets struggled in the first half offensively, but exploded in the third quarter behind senior tailback Aaron Jackson. The underdog Wildcats never threatened in the game, and had possesion of the ball only once in Jacket territory. The huge crowd of about 12,000 had barely settled in its seat when the Jackets turned on the scoreboard.



WHO'S THE HERO? — Erick Harper, above, runs for a touchdown. Tony Plauche, below, blocks a punt against the opponent.

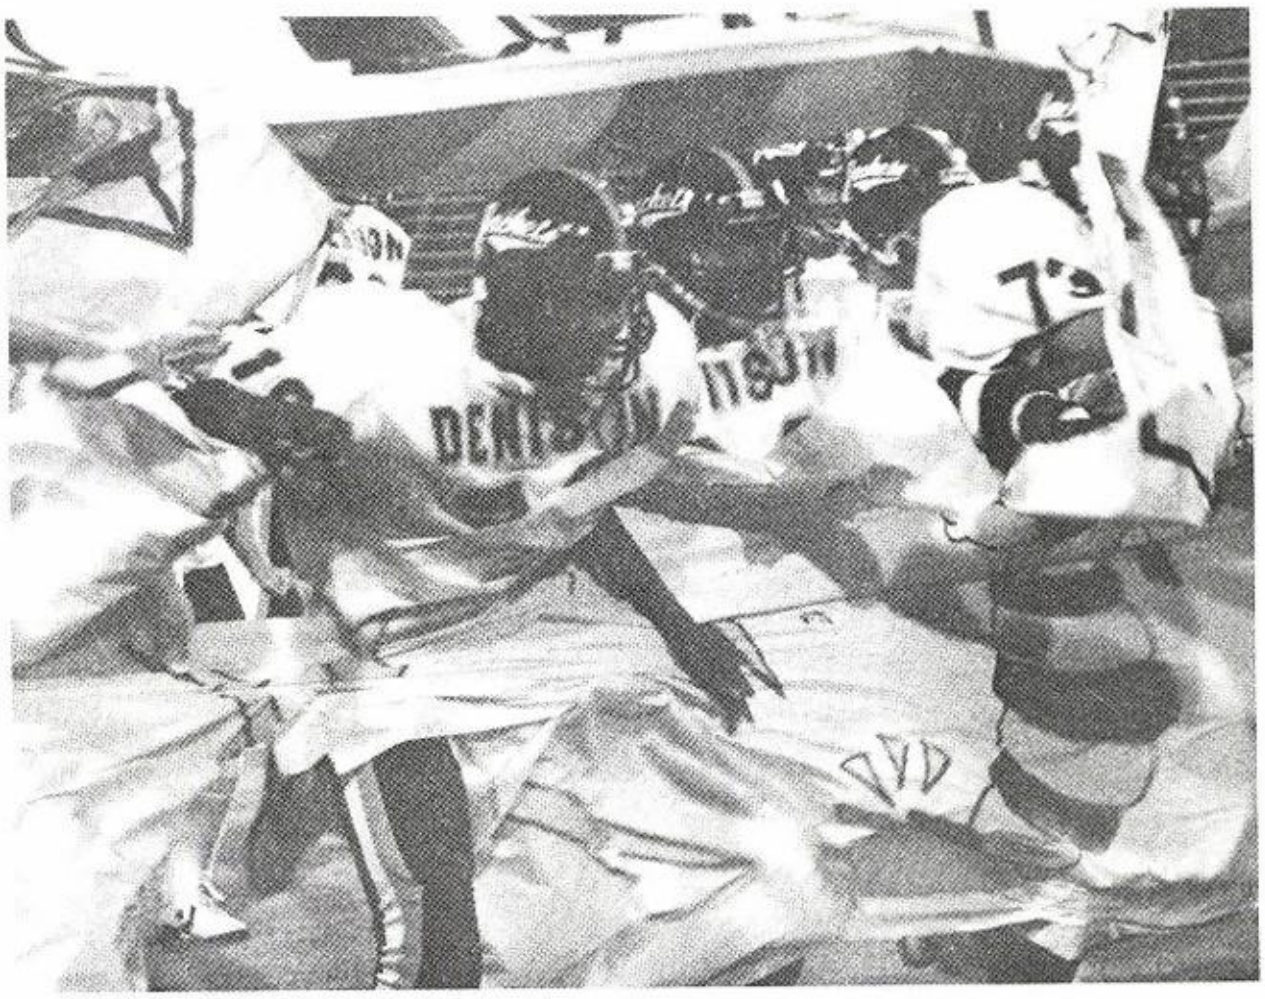


JACKETS 31, WACO RICHFIELD 22

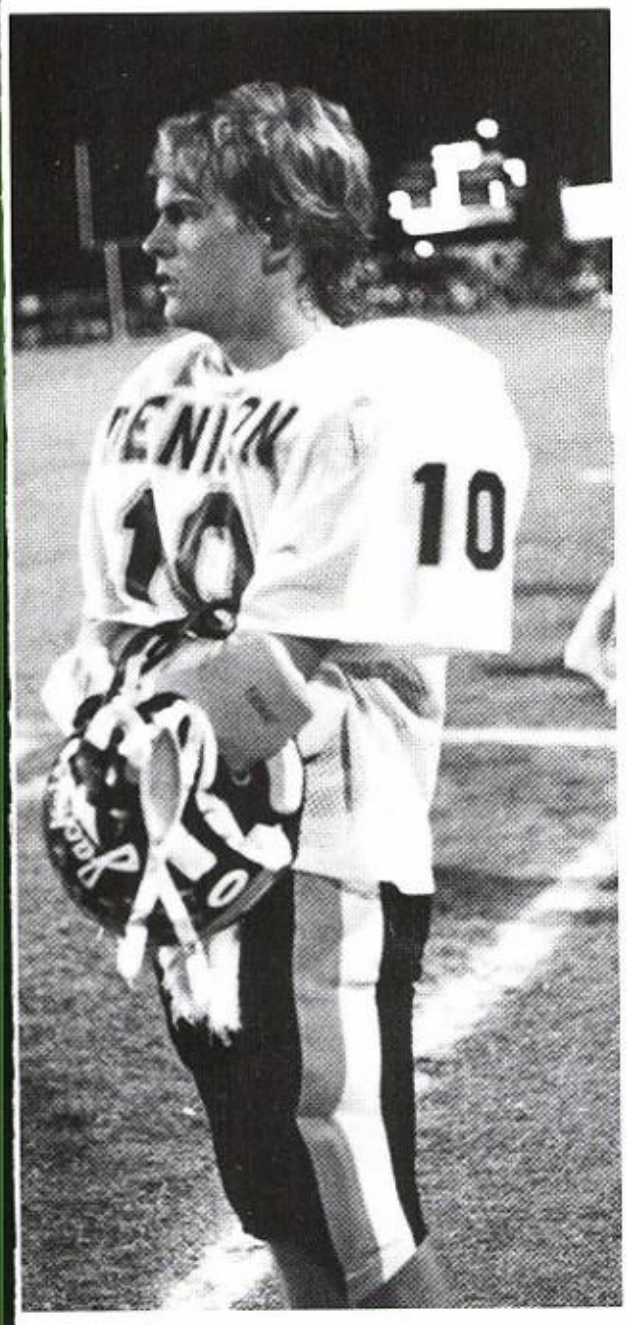
A pass interference penalty on the Yellow Jackets had given Waco Richfield a first down at the Denison one, with five seconds left in the regional playoff game and the Jackets holding a precarious 25-22 lead. But as the final second of the game ticked off the clock, quarterback Patrick Miller's desperation pass to Charles Bell was intercepted by Harper, who stole the pass at the two and outraced state champion hurdler Bell the distance of the field for a touchdown and a 31-22 victory.

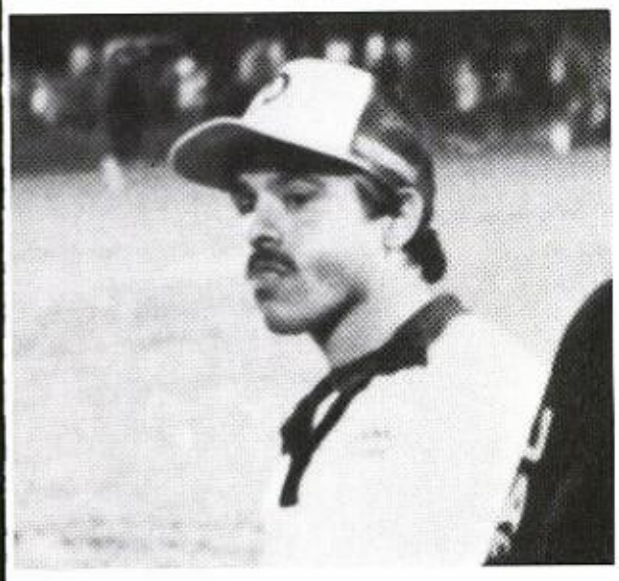
AUSTIN WESTLAKE 17, JACKETS 0

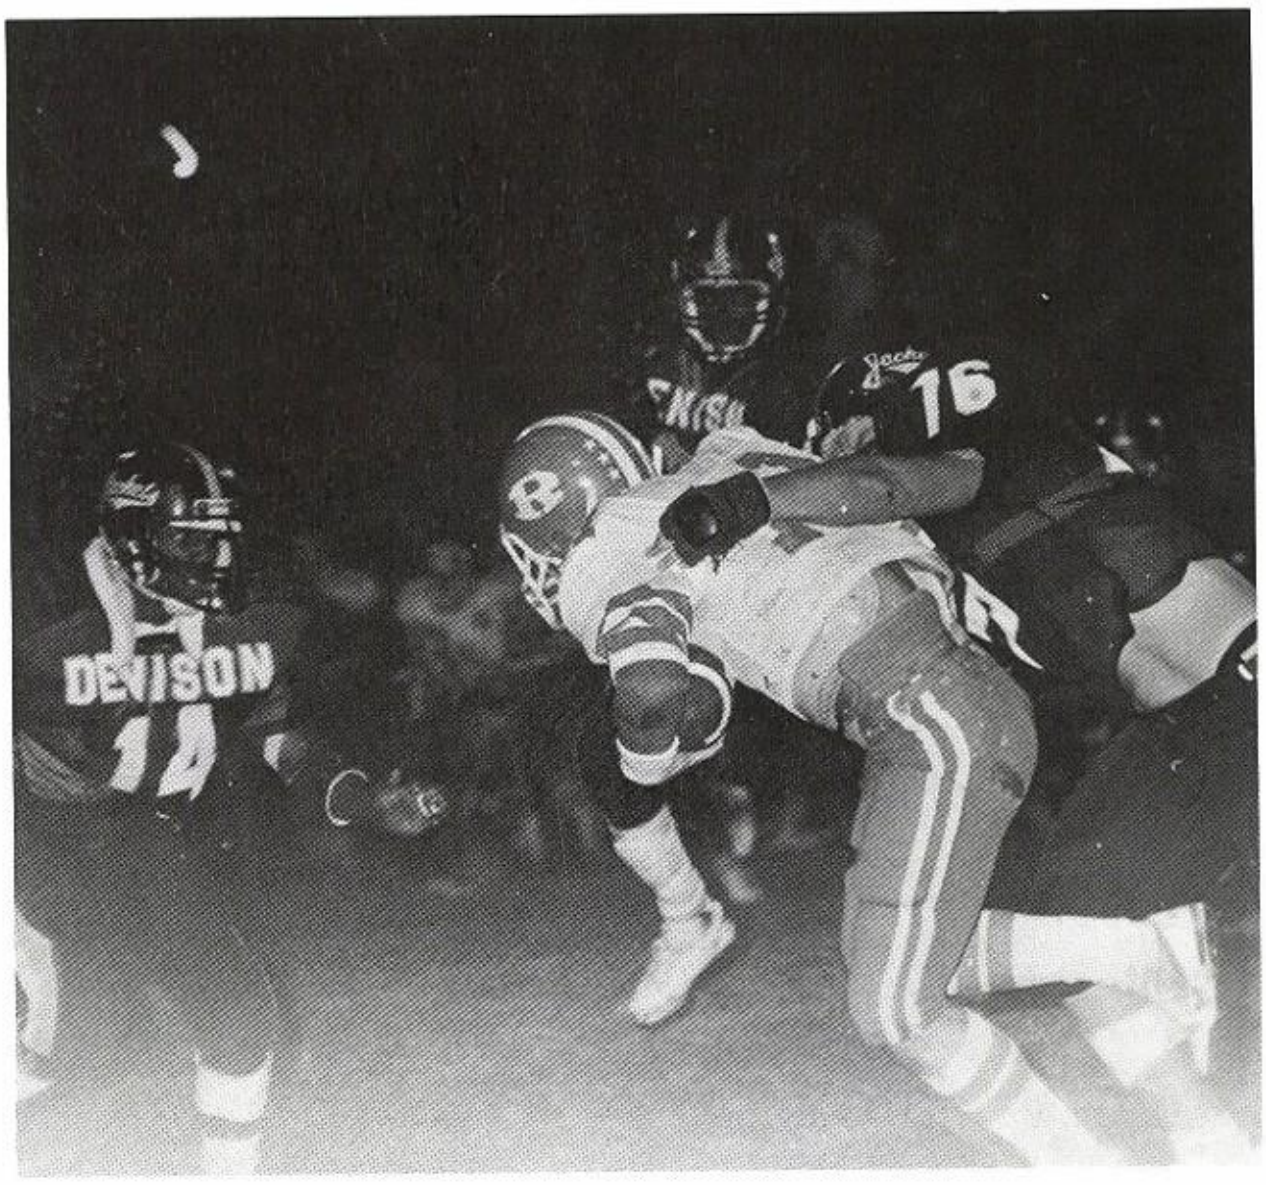
The fewest points Denison had scored in a game in 1985 was 23, but minus the fleet footed Jackson, because of a sprained ankle, the Jackets were held scoreless at Baylor Stadium as Austin Westlake ended Denison's 29-game winning streak and dream of back-to-back state championships with a shocking 17-0 win. Westlake totally dominated the game with its offense, running 76 plays to Denison's 37.



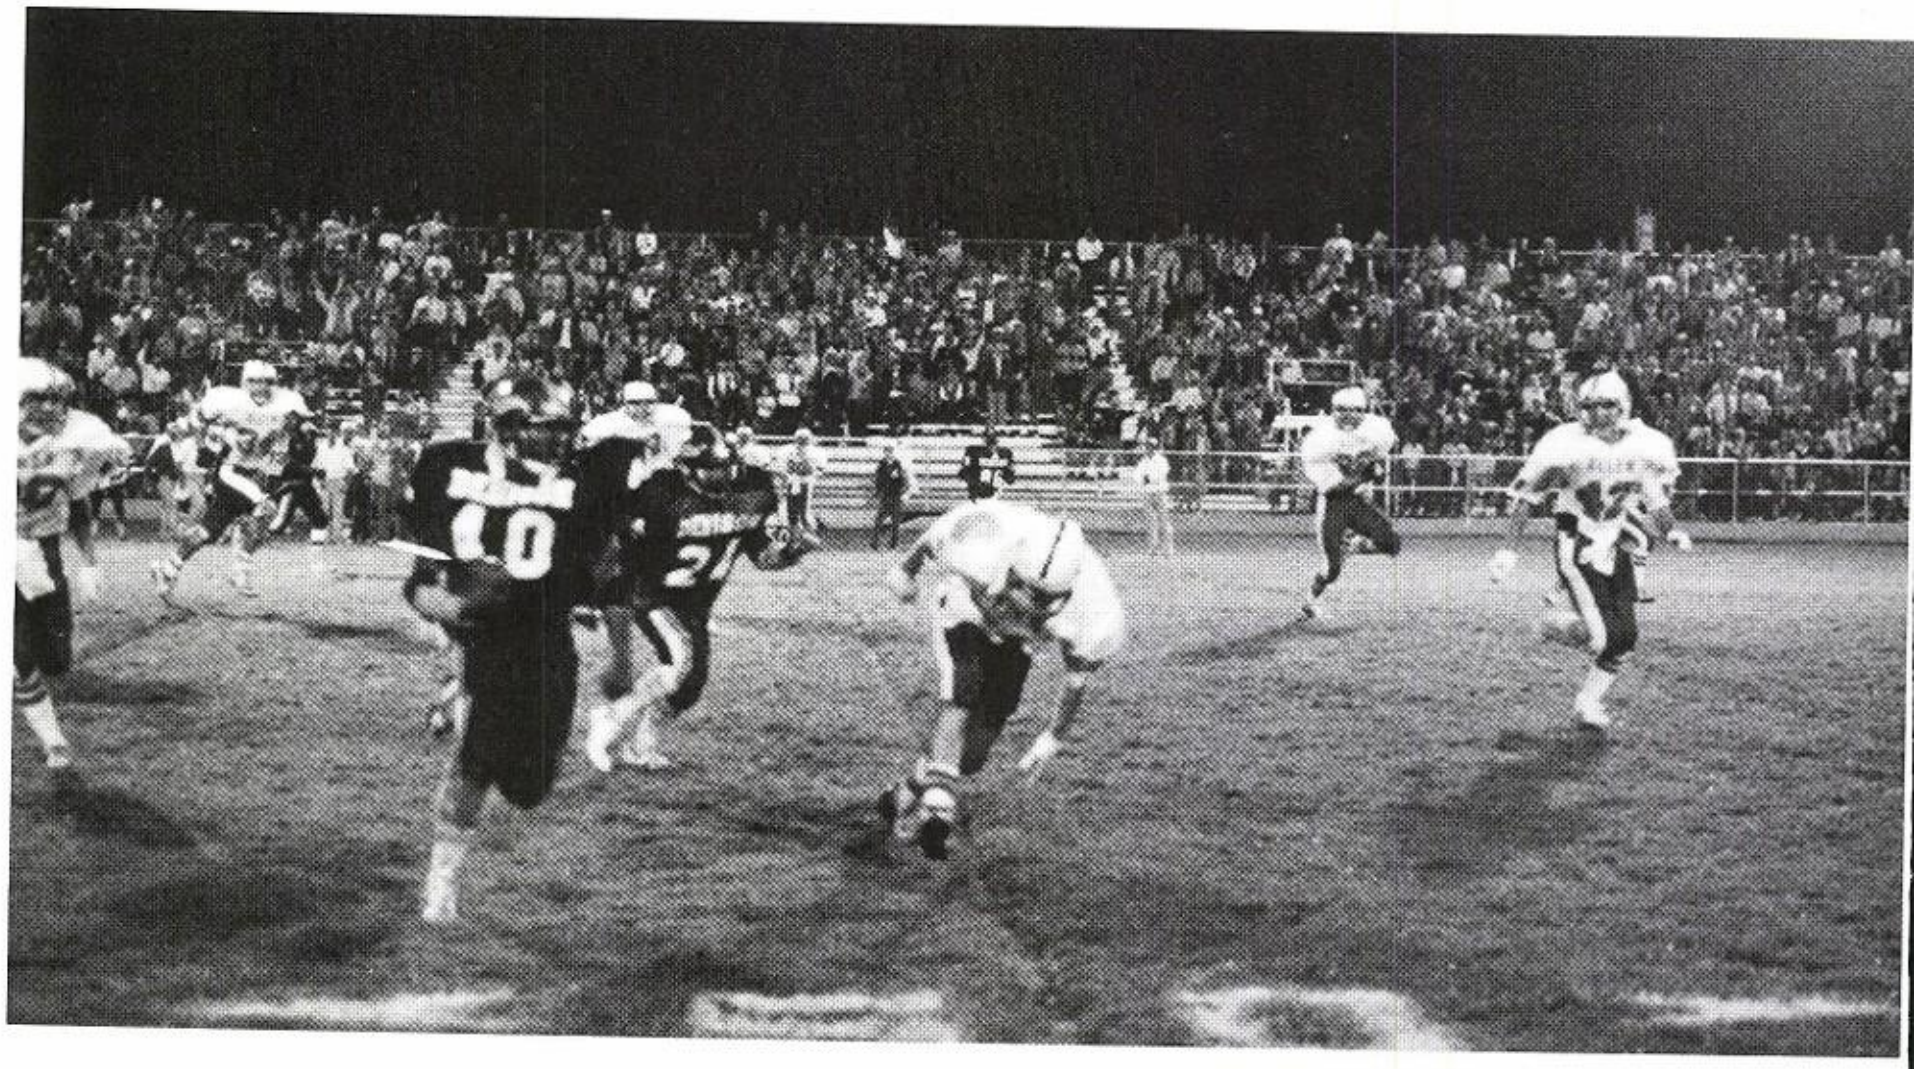
THAT'S A BUST!! — The Yellow Jacket football team runs through a sign at Mesquite, above.







BOGUS! — Brett Mayes (76), above, tackles the Rockwall fullback as James Cobb (14) comes up to assist. **FACING DISAPPOINTMENT** — Tony Plauche (10), above left, and Trainer Scott "Doc" Hess watch the clock tick down on the Jackets' first loss in 30 games.



RUN, MAN, RUN — Curtis Madden (40) turns to break up the field for another long gainer, above.
HERE IT COMES — Erick Harper fires the ball down field, right. **GETTING READY** — Phillip Pryor (74) and Scott DeFratus (78) prepare, mentally, for the contest.

Volleyball improves all season records

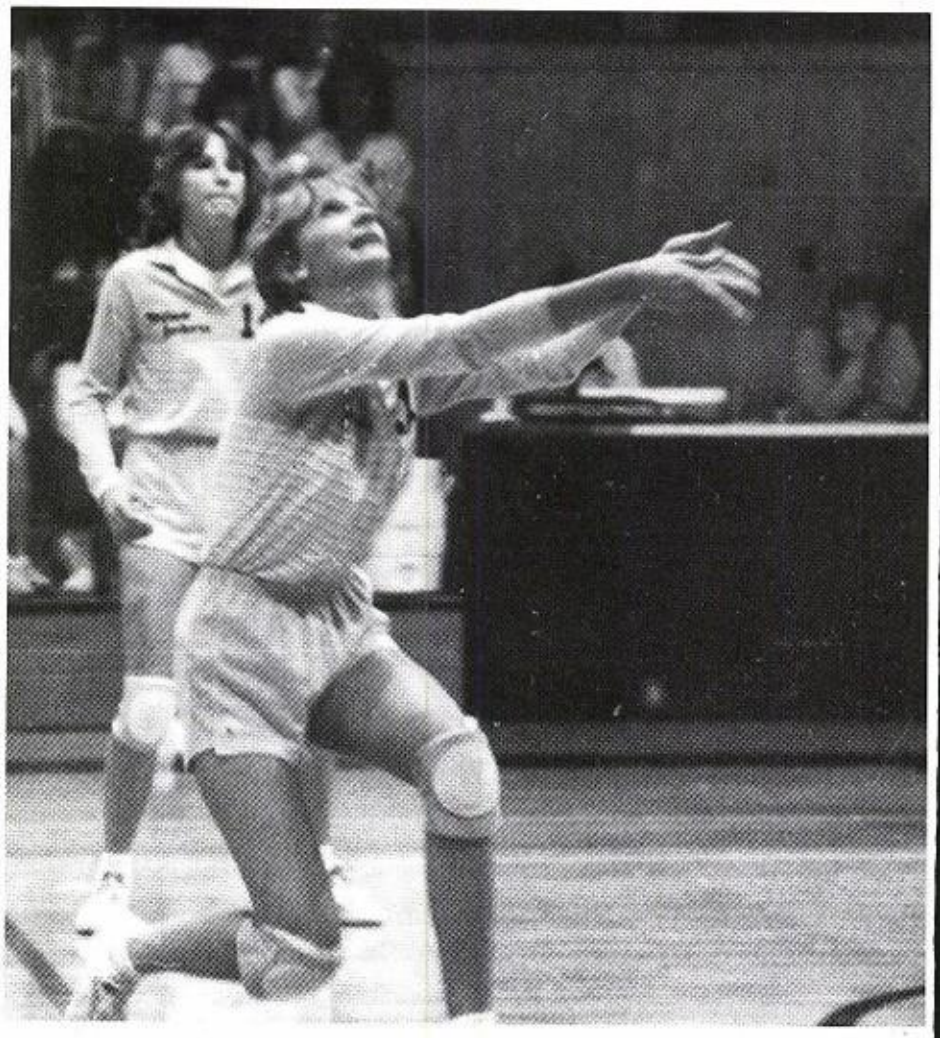
By Michelle Martindale

The Lady Jacket volleyball team ended a strong season in a three way tie for third, losing to a McKinney team that went on to the state playoffs. The team started out in a season opener with Sherman which they won 15-6, 15-4. The match was never close with team captains Darlene Flemmings and Sandra Brown dominating play. Shonda Tillery had 12 assists and was the leading setter.

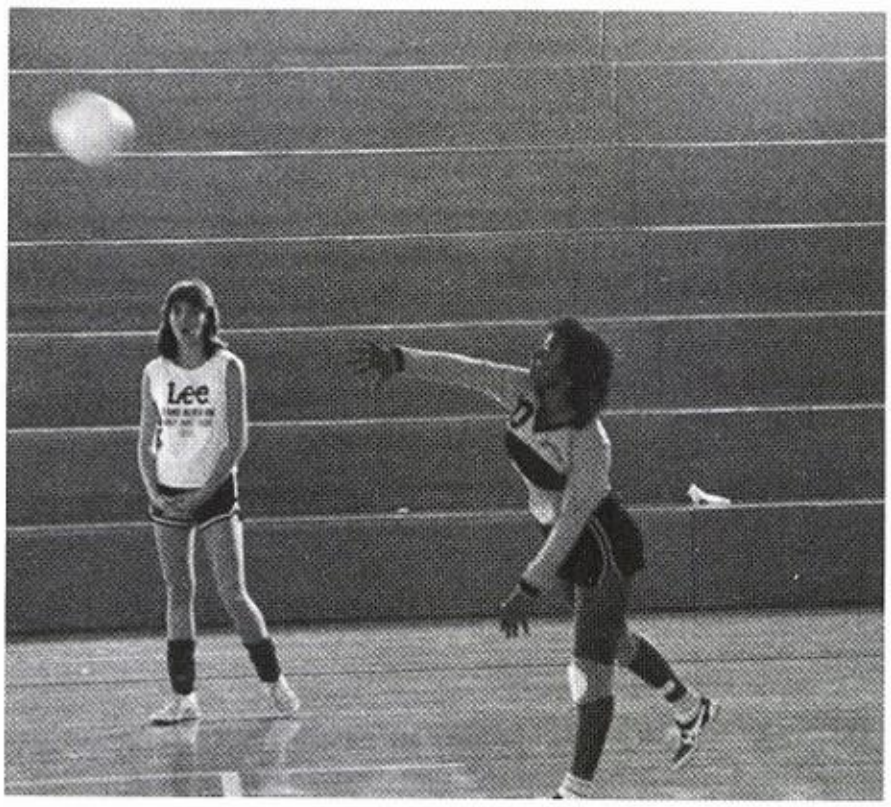
Brown was the leading spiker with eight kills. Later on in the season, the Jackets met up with the Lady Bearcats again and the Jackets achieved their first skunk, winning the match 15-0.

The highlight of the season for the team was the game against Allen here. The Lady Jackets were expected to lose this game, but ended up crushing the Eagles. This was the best district game for the Jackets because they dominated play throughout the game.

Flemmings received the Digger award and Sandra Brown received the Leadership award. The High Server award went to Tillery.



I've Got It — Christie Van Zee bumps the ball while Karen Beard looks on.



"I was very pleased with the performance of the girls throughout the season," Coach Saundra Hess said. "Their committment for the future and mental toughness was the reason for their success this year. I look for big things to happen next year also, because many of the girls will be returning from the varsity team and several good players are moving up from the junior varsity team," the coach commented.

Both the jv and freshmen teams won their district. The freshmen went undefeated throughout district play.

Lady Jackets strive for basketball success

Although success was predicted for the Lady Jacket varsity roundballers, injuries and illnesses hindered the team.

Even though the season was not as successful on the scoreboard as the girls had planned for it to be, they learned a lot from the experience. They learned how to work as a team, sportsmanship, leadership and pride. They can be proud of the extra effort they continuously gave throughout each game.

Though disappointed by the resignation of Coach Teresa Newson, the team and coach can be proud of the courage and pride the coach encouraged in the girls.

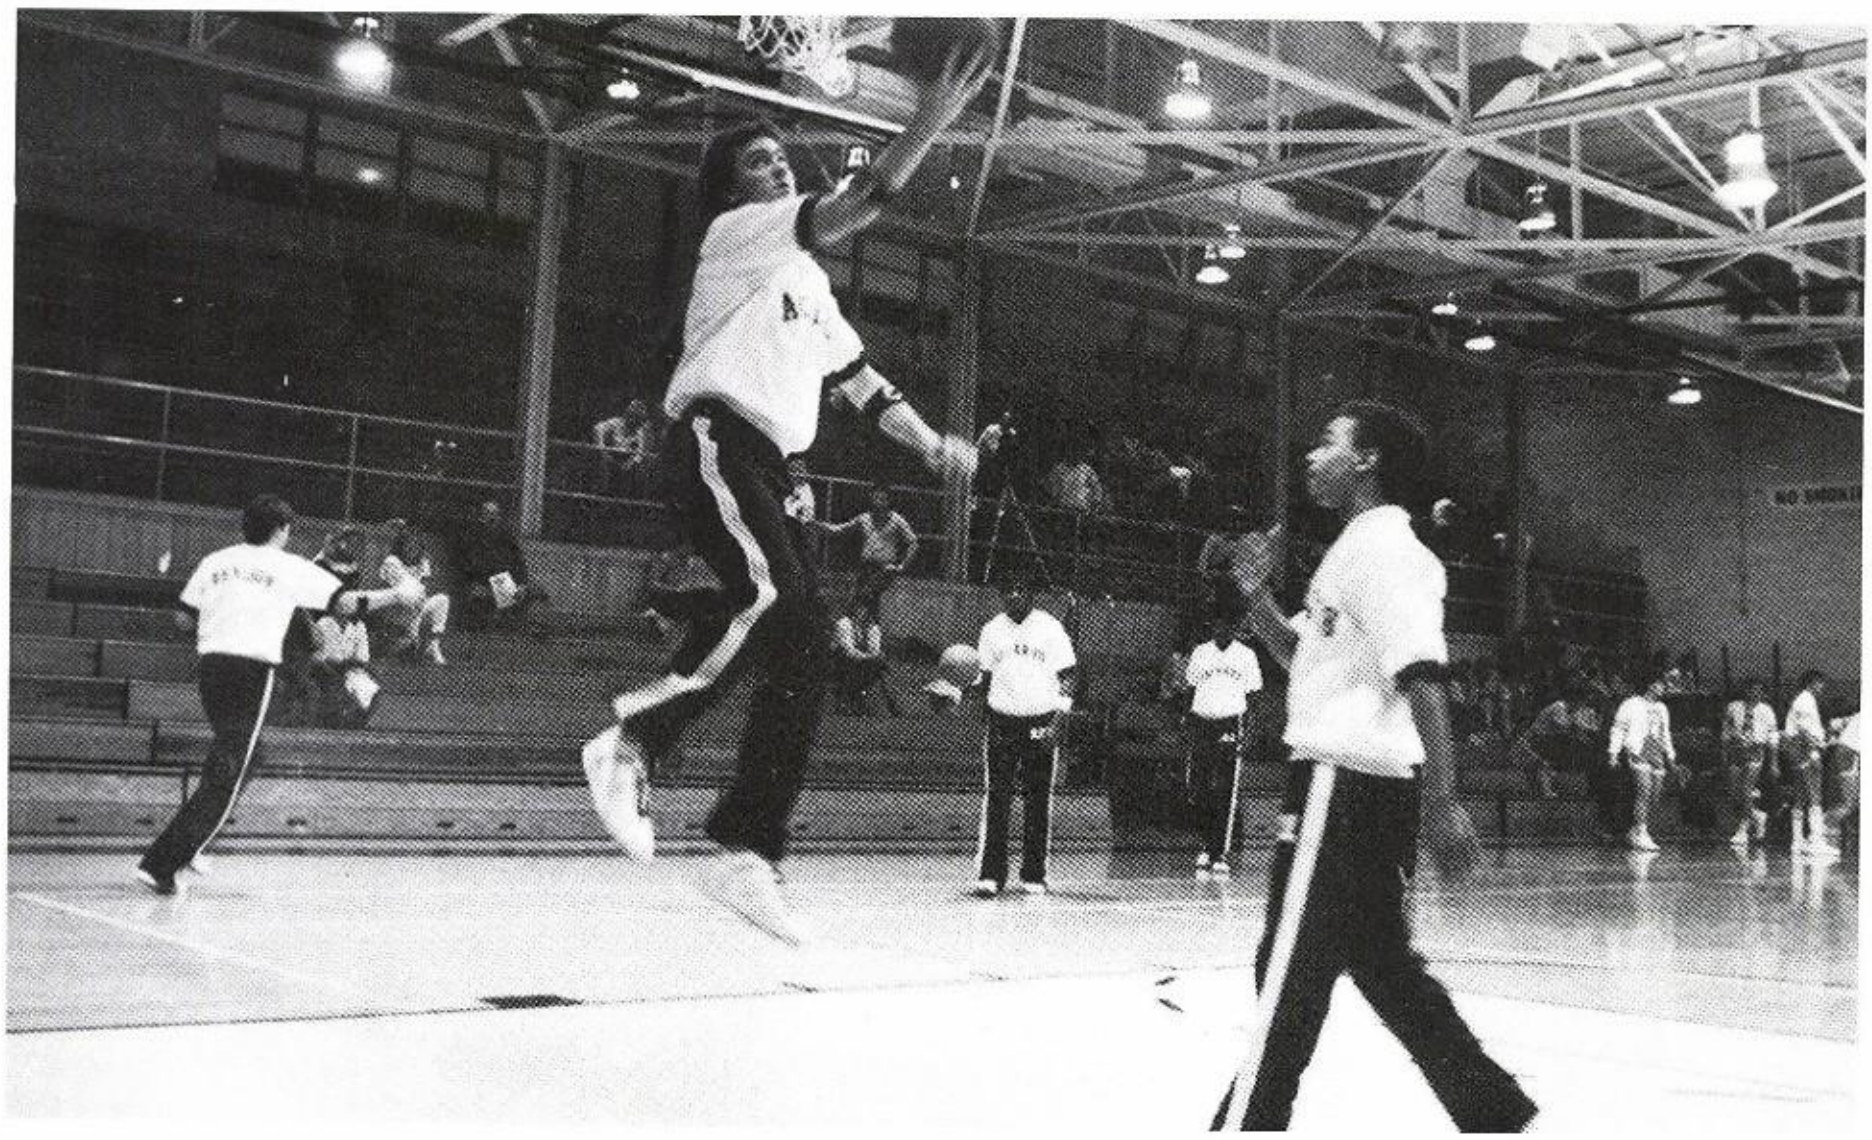
Roundballers win first district title

By Robert Stubbs

Basketball season brought a lot of excitement to roundball fans this year as the boys' team won the district championship for the first time in the school's history.

They completed this task under first year head coach Bob Clayton. Coach Clayton had just returned to coaching two years ago and moved up from 2A Savoy last year. The new coach installed a running, pressing game for the Jackets that was obviously wearing on all opponents, win or lose.

The team was led by seniors Anthony DeHorney, Kevin Emery, Erick Harper, Ronnie Kelly and Robert Stubbs Juniors contributing to the Jackets' cause were Claude Bell, Kip Isaacs, David Jones, Stacey Moore and Allen Stephenson. Then, there was this sophomore named McFadden, Duone McFadden.



High Flier — Senior Kevin Emery sails into practice.

The Jackets started the season off with a bang at Sherman with a big win over he Bearcats. Mount Pleasant was next on the list for the Black and Gold, who came out on top there, also. Greenville and Lewisville were the Jackets' first two setbacks of the year. One game later, the Jackets went to the DeSoto tourney and came home with a consolation trophy after a win over Dallas Madison.

By the time district rolled around, the team was 10-6. The first three league games went by fairly smoothly for the Jackets to set up a showdown with Gainesville, the only other unbeaten team in the district. The Jackets came out on top 74-67 to take first place in the first round. Both Denison and Gainesville went on to remain unbeaten by anyone else to set up another big game. The outcome would decide the district championship for the Jackets or send the district into a two way tie for first.

The Leopards stomped Denison 89-71 to tie for first, but something happened to Allen that many Denison fans will not forget. Allen beat Gainesville in overtime to give the Jackets, 93-83 winners over McKinney, the crown.

The Jackets went on the warpath against Lancaster and beat them 62-55 to enter bi-district playoffs against Palestine, the sixth ranked team in the state. After a hard fight, Denison bowed to the Wildacts 81-73 to end the season.

Kelly was the leading scorer with 16 points per game and took all district honors along with Moore who was second in the district in scoring with a 16.2 ppg average. The Jackets swept the elite team with Erick Harper winning player of the year, Coach Clayton as coach of the year and McFadden sophomore of the year. Finishing out the list were DeHorney, Stephensen and Stubbs who all received honorable mention. The Jackets finished the most successful season ever with a record of 20-8.

Fulton, a junior, earned a trip to Austin and the state meet by finishing second in the 3200 meter run in 9:58.50 and fourth in the 1600 meter run, becoming one of the elite who are double qualifiers. The Lady Jacket track team began their season with new Coach David Norman.

"Since I had never worked with girls before, I was somewhat nervous and a little scared," the new coach said.

"But, it wasn't long before I realized that girls are just as dedicated as boys. I was extremely pleased with their hardworking effort and commitment that was put forth on the track. All the credit for the successful season goes to the girls," Coach Norman said.

The Lady Jacket tracksters opened their season in the Texoma Relays in Gainesville which, the coaches said, established the tempo for the season and gave the girls a look at the work set before them. The Lady Jackets won the Eagle relays at Allen with 115 points and Michelle Martindale set a school record in the 100 meter hurdles with a time of 16.82. Jacket baseballers win zone, bi-district

By David Hintz

The Yellow Jacket baseball team compiled a 19-11 season record and earned zone and bi-district crowns before losing the area contest to Waco Richfield, the fourth ranked team in the state.

The Jackets' season was a roller coaster ride for the champs. The year started out with the Jackets expecting a great season after winning two of the first three games. They invaded the McKinney tournament as one of the tournament favorites, but lost their first two games and were quickly eliminated.

After a win over Paris, the Jackets entered the Sherman tournament where they won their first two games and were suddenly in the championship game. But, the Jackets' bats went silent and they lost the first of three heartbreaking games to Allen. Following this crushing defeat, the Jackets came back and won their next two games.

A week's rest inspired the team to come back and sweep Paris in a doubleheader to finish up the non-district schedule.

The Jackets opened district against pre-district favorite McKinney, and beat the Lions in one of the Jacket's best games of the season. But, the roller coasting Jackets followed that emotional victory with their second loss to Allen.

The Jackets rose to the challenge and rolled to victories over Terrell and Rockwell, but stumbled into Gainesville and lost possession of first place with a disappointing performance against the Leopards. In the opening game of the second round of play, the Jackets scored another victory over McKinney before losing another heartbreaker to the Allen Eagles. At this poin the Jackets needed to win the re of their games and hope for a Allen loss which would put th Jackets in the playoffs.

The team responded to th situation with victories over Terre and Rockwall to set up a game t decide Denison's fate: if th Jackets win, they win district, not, they play in a three-game three-team playoff to decide th district runnerup. But, the Jacket did not have to worry about se cond place as they rolled to a 3- district clenching victory ove Gainesville. Then, it was off to th playoffs.

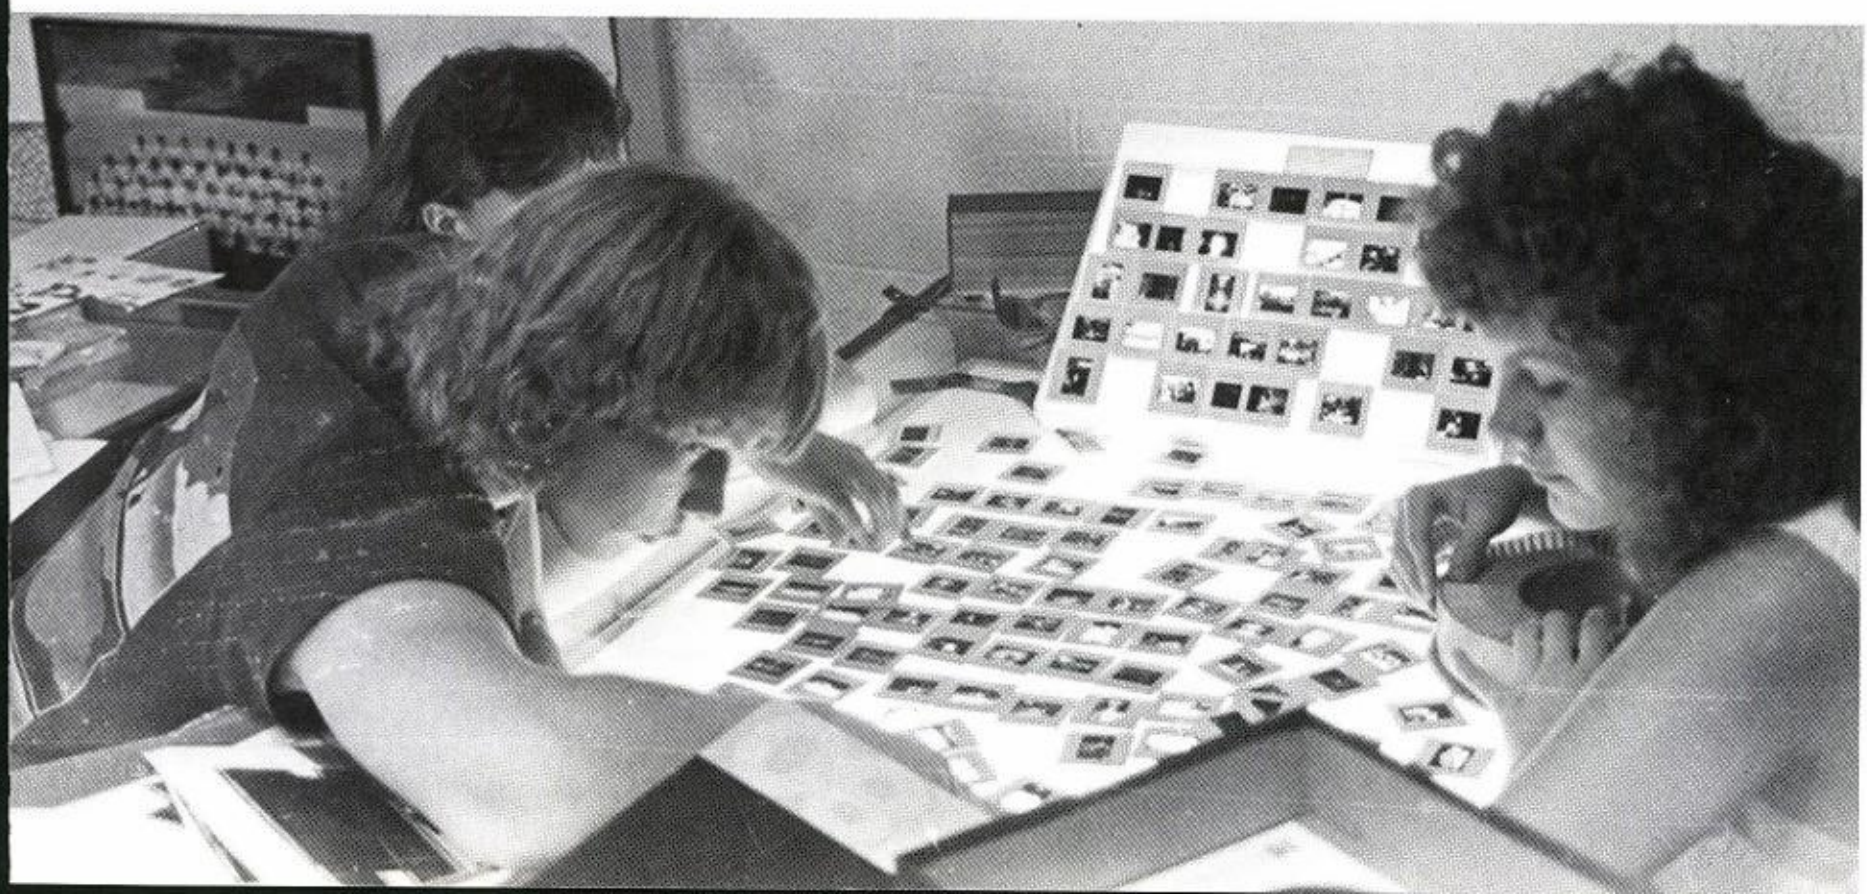
The photography classes worked hard this year to provide many pictures of a variety of different events. The students atteneded activities such as field trips, sports games, tryouts, and others. These pictures are used for the Stinger, the school newspaper, the yearbook and for publicity in the community.

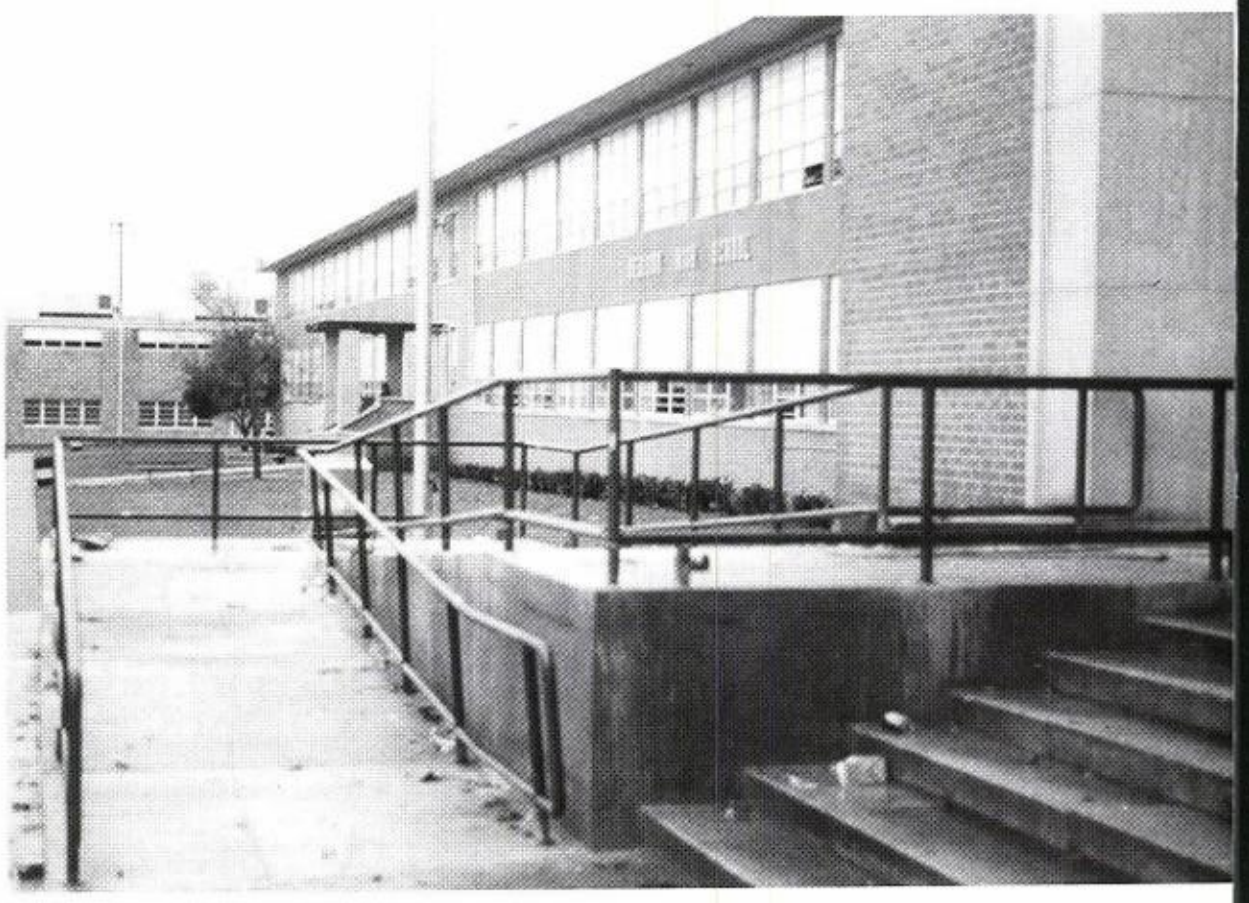
There is more to the job than just snapping the shutter, however, as the students develop their film and print the black and white pictures they use. All of the pictures in the yearbook are made by students except for the color shots and the individual portraits.

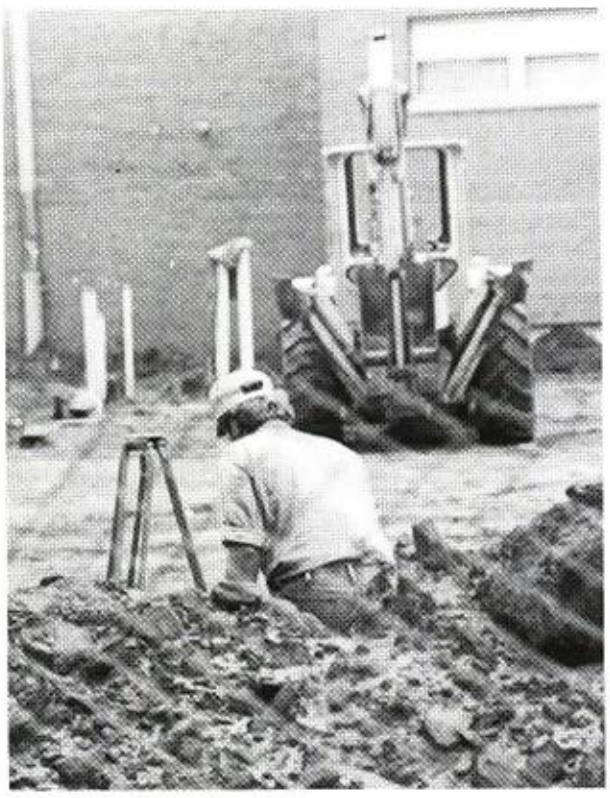


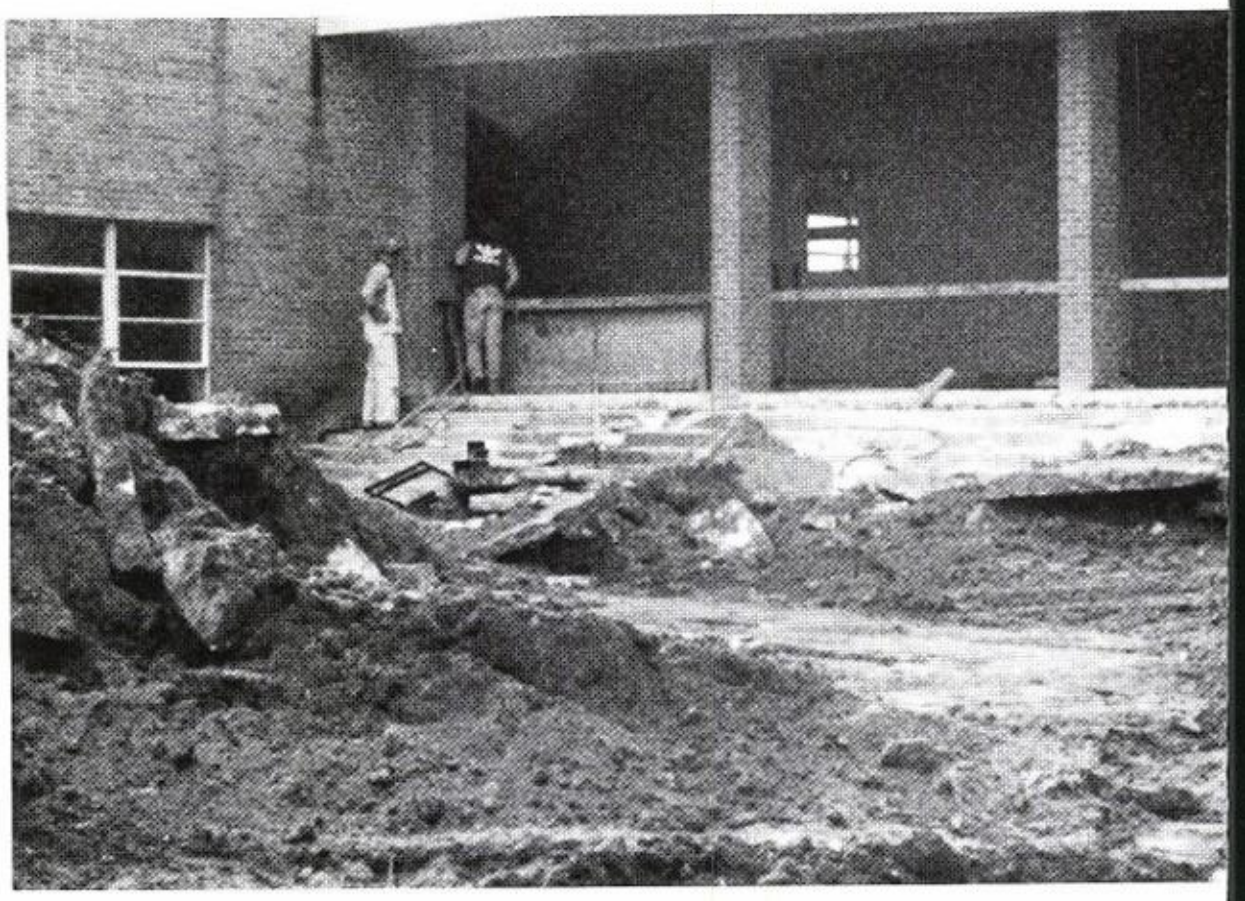
School scene changes

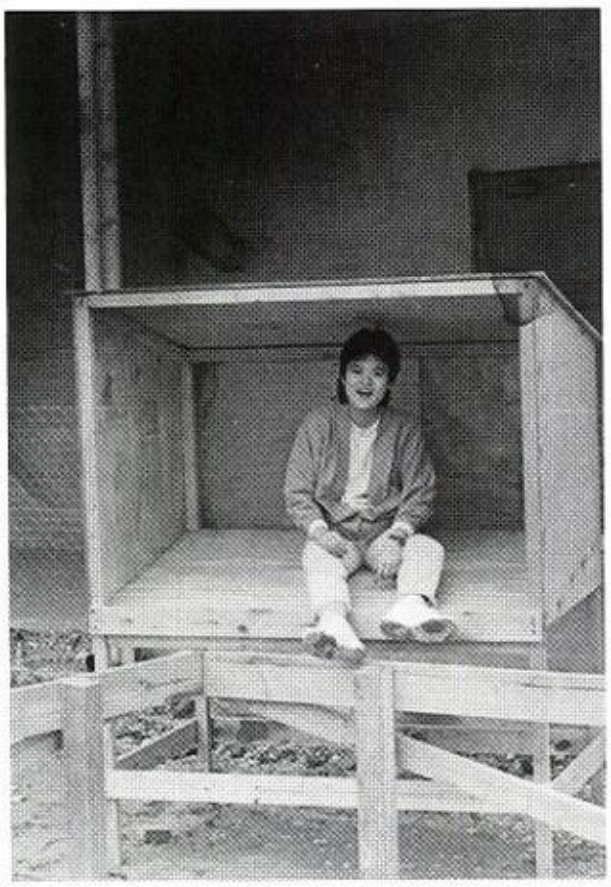
Improvements and the beginning of the first major construction project in 20 years provided a changing scene this year. The school district added a ramp and guardrails at the school entrance, right, and inside, an elevator was installed to accomodate those unable to negotiate the stairs.

The biggest changes, however, were outside, as the ground was prepared for the construction of new educational facilities.









Sniffer dogs — The school district employed sniffer dogs to help in the program to stop drug possession or use at school. Mr. Carl Ricker, president of the security service which handles the dogs, emphasized that the purpose of the program was not to catch students with drugs, but to prevent them from bringing drugs on campus. The program gave students another way to say no to drugs. Activities director Carole Linsteadt and Mrs. Maxine Wiley talk with a handler, top. The dogs, trained to alert on a variety of drugs, sniffed rooms, hallways, lockers, the parking lot and other areas of the campus.

FCA skit shows kids how to say "no"

Working on the premise that peer pressure can be used for positive responses, eighteen Fellowship of Christian Athlete members visited fourth and fifth graders in the elmenetary schools with a skit showing the students "how to say no to drugs."

Building on ideas presented at the state convention of FCA, the athletes worked up a skit with the message that encourages youngsters not to allow peer pressure to entice them to try drugs and alcohol.

Called "Positive Peer Pressure," the skit was presented through the cooperation of the school administrators who assembled the fourth and fifth grade students to see a good guy and bad guy in a locker room conversation. In the skit, one or two of the actors gang up on a third and try to talk him into going to a party and trying drugs and booze. The skit ends with the actors showing how to say no, and not be shunned by fellow students. After the skit, the students held a "talk it over" session for discussion and questions from the audience.

FCA sponsor Lanny Pettit was pleased with the project and especially with the response from the students.

"You could tell it was a success by the questions the youngsters asked," Coach Pettit said. Many students wrote letters to FCA calling the program a "really good thing." Scott Donowho and Kendall McKinley were the organizers of the program.

Other members of the skit presentation were Chad Edelen, Sheri Todd, Carmen VanMeter, Marcus Jackson, Kim Jones, Tisha Robinson, Scott Gundlach, Jimmy Bilner, Monty Watts, Rhonda Smith, Troy Vest, Mark Skelton, Doug Neaves, Jeff Neaves, Paige Hudgins, Shawnna White and Marlene Fritts.

"If even one youngster learns to say no to drug and alcohol by watching this skit, all the work in getting it together would be worth it," Coach Pettit said. He termed the "mission" a success and thinks it might be worth repeating next year.

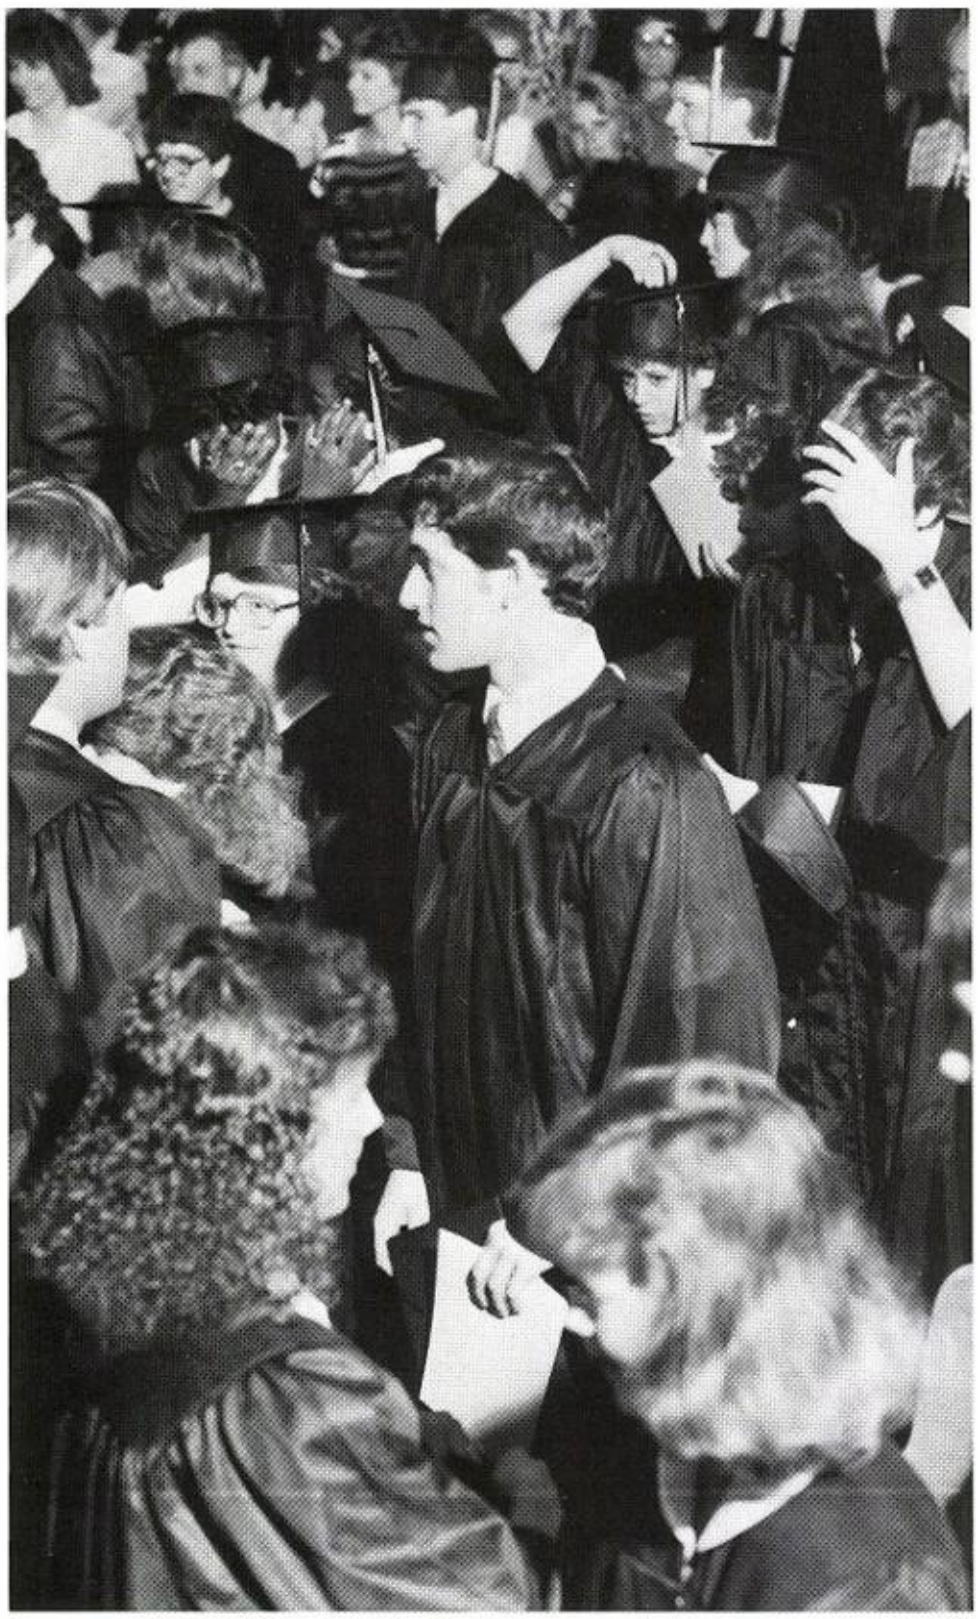
Graduates receive challenge

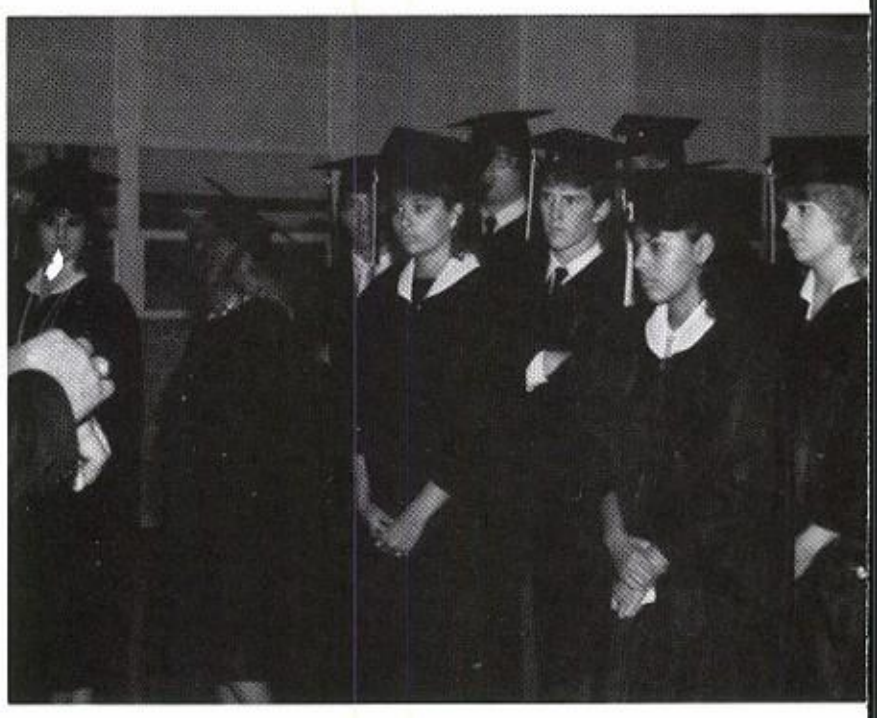
More than 200 young men and women marched through the halls of Denison High School for the last time as students when graduation ceremonies were moved to Eisenhower auditorium because of rain this year.

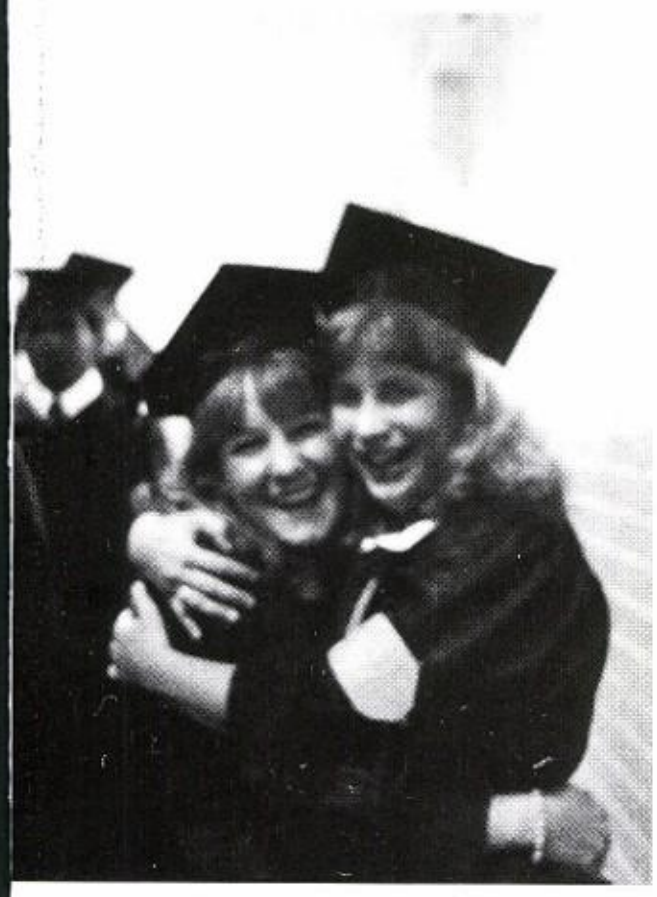
KRLD Radio comentator Ken Rudkin gave the commencement address after graduation candidates marched into the auditorium before a full audience of parents, teachers and friends. Valedictory and salutatory addresses challenged the graduates to set goals and pursue them, reaching for a new dream now that this one had become a reality.

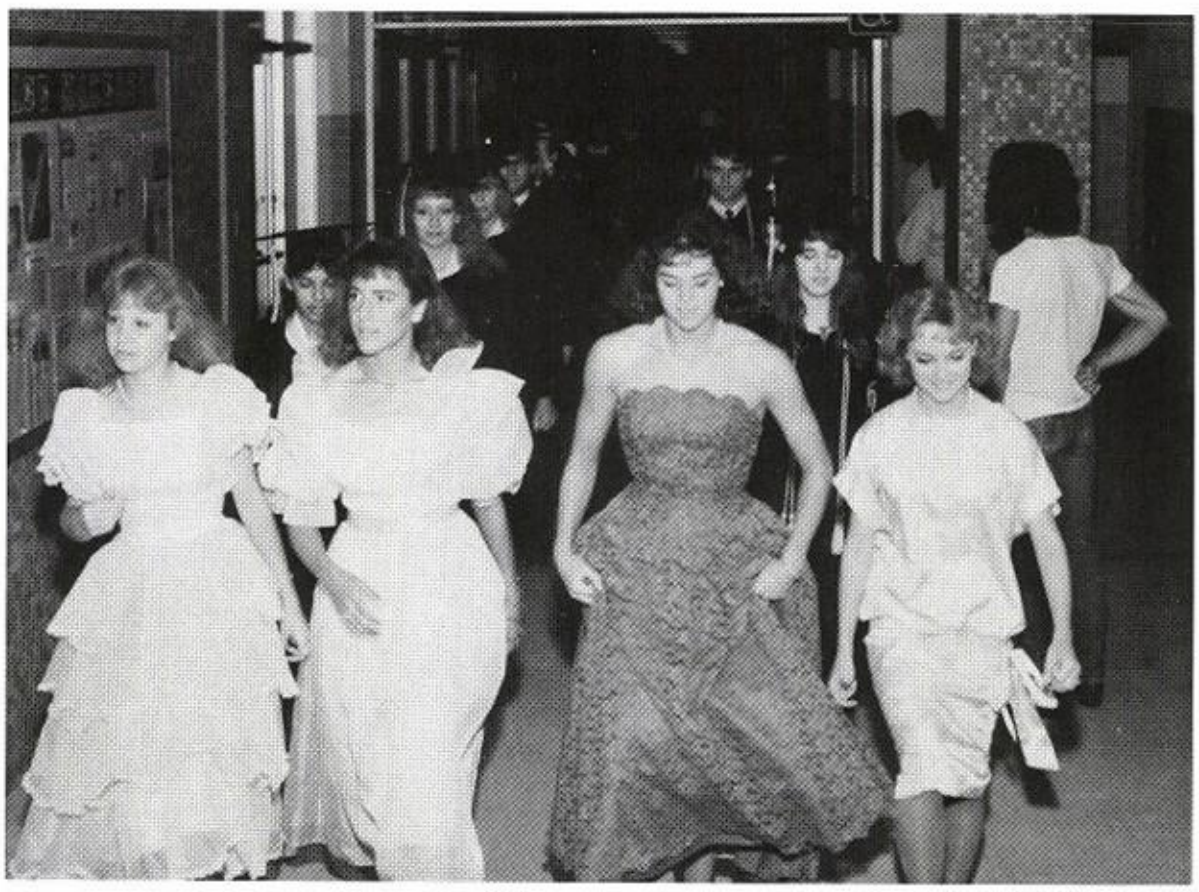
On this rainy Saturday, seniors gathered in the cafeteria where sponsors and parents made last minute inspections to insure perfectly attired grads. Junior leaders ushered the class of 1986 through the halls to the auditorium where members of the school board, administration and high school faculty assisted in presenting diplomas.

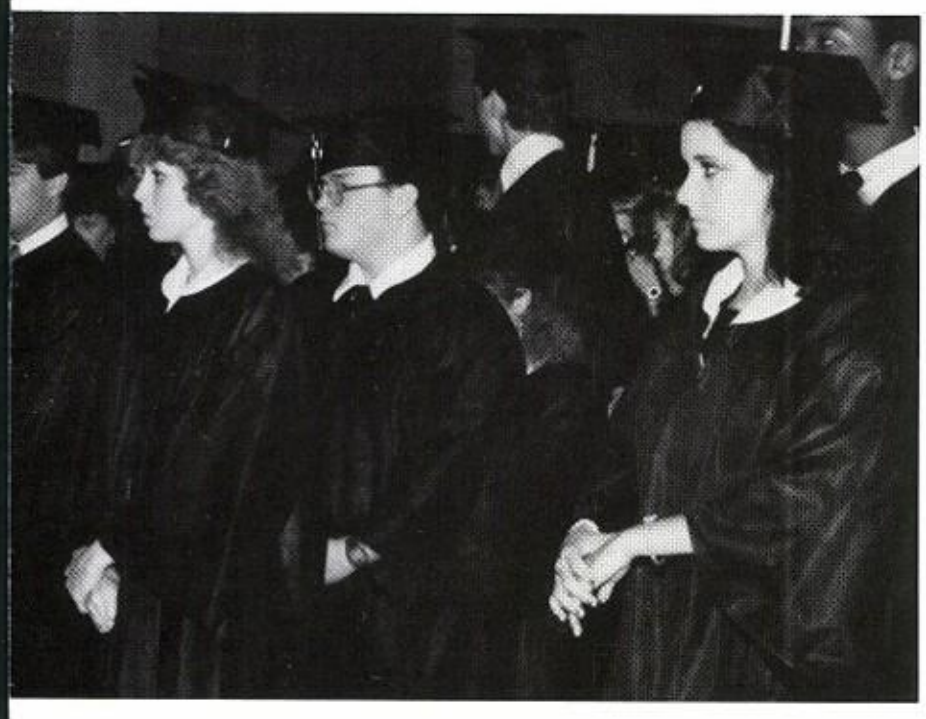
The valedictorian, salutatorian and honor graduates were presented. Class officers participated in the ceremonies which concluded with the traditional wave of the diploma.

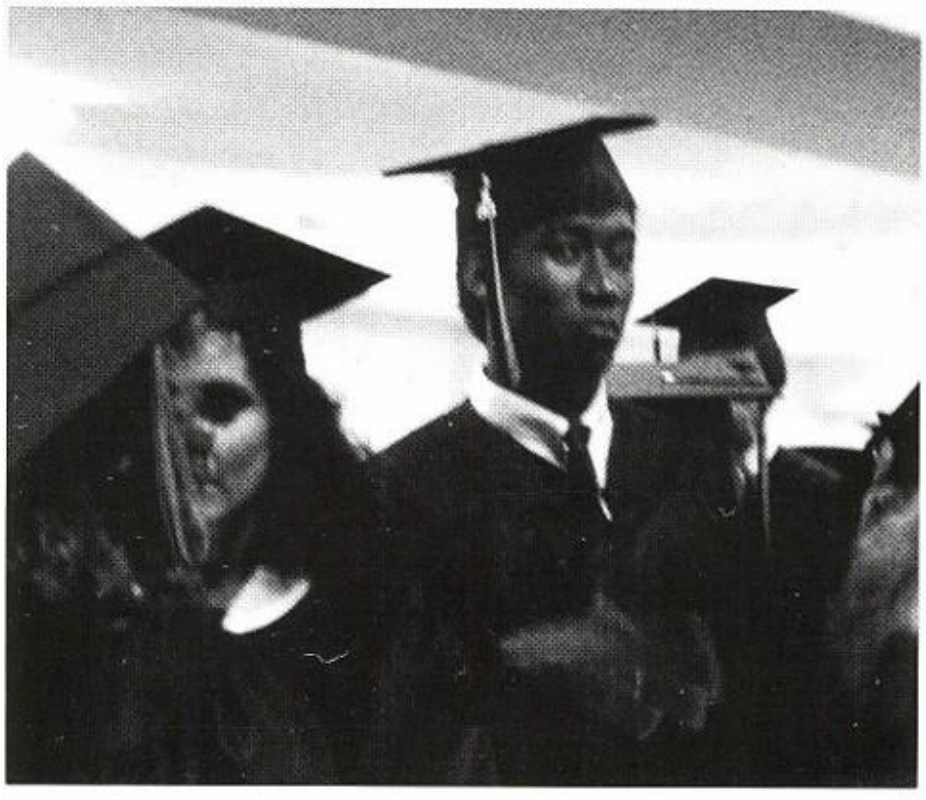


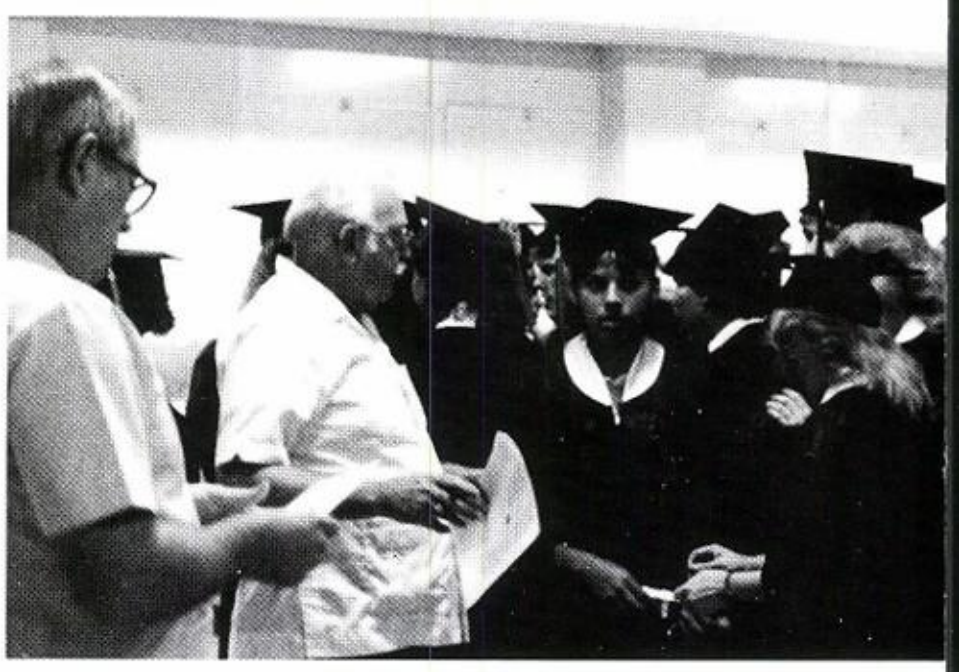


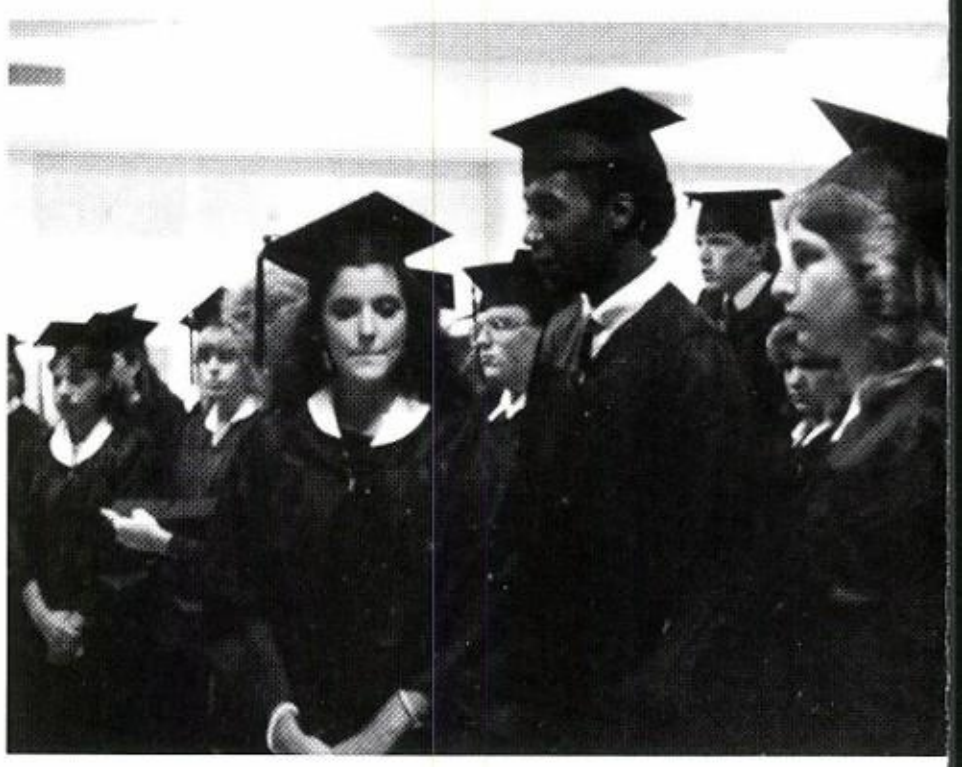


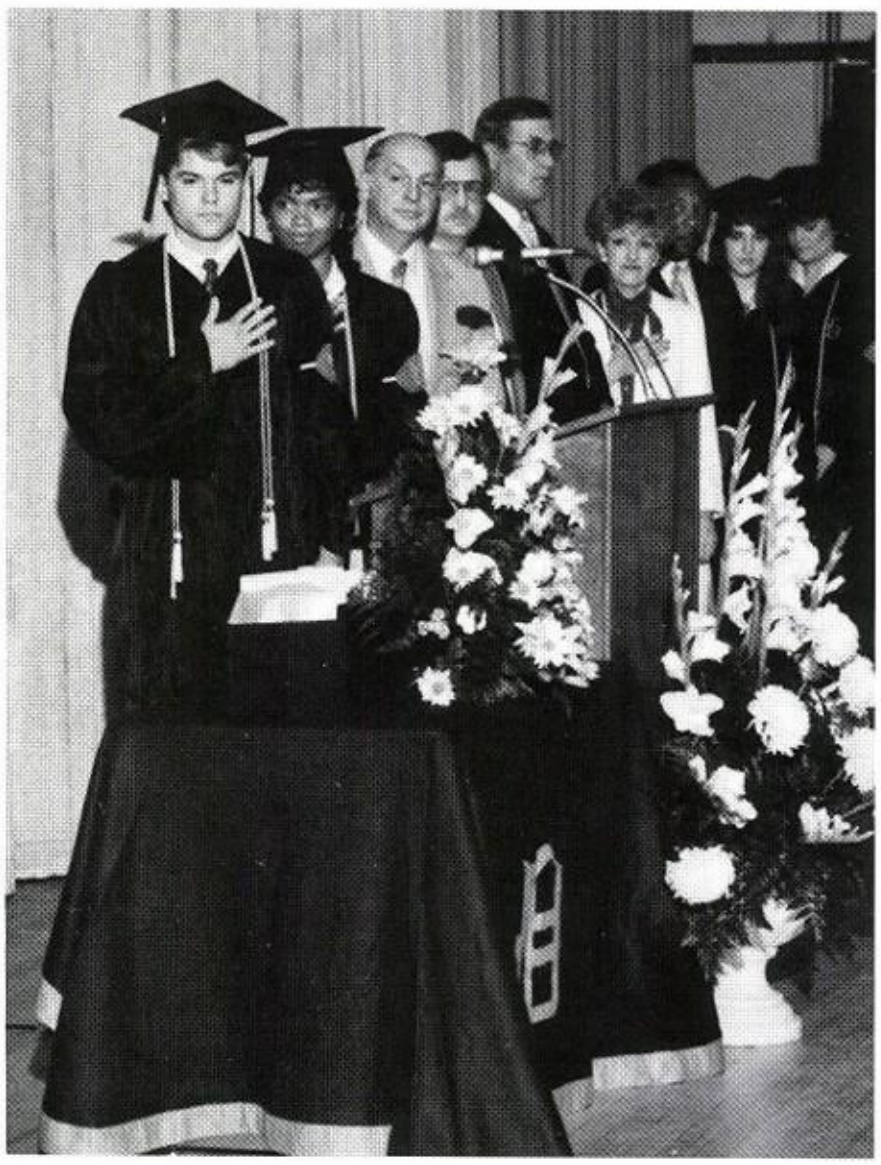


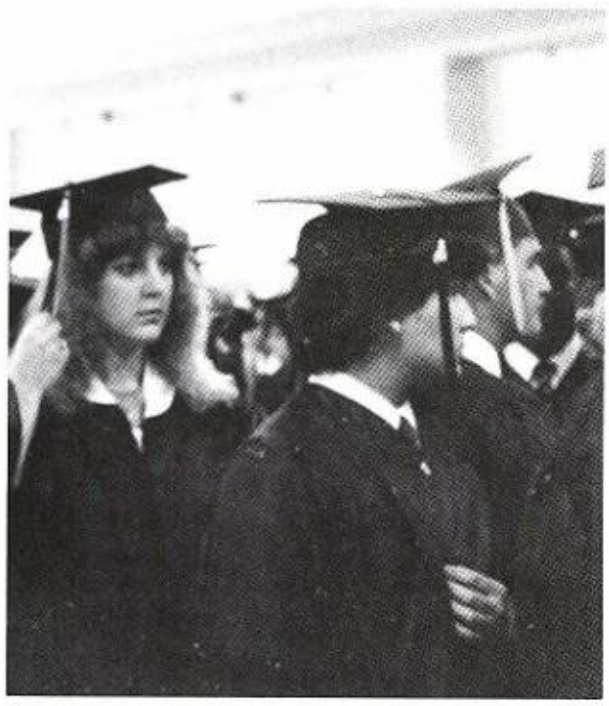


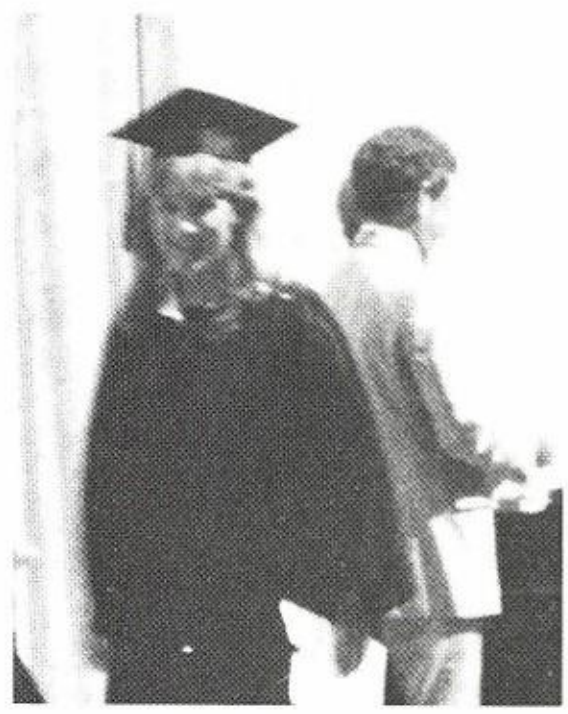


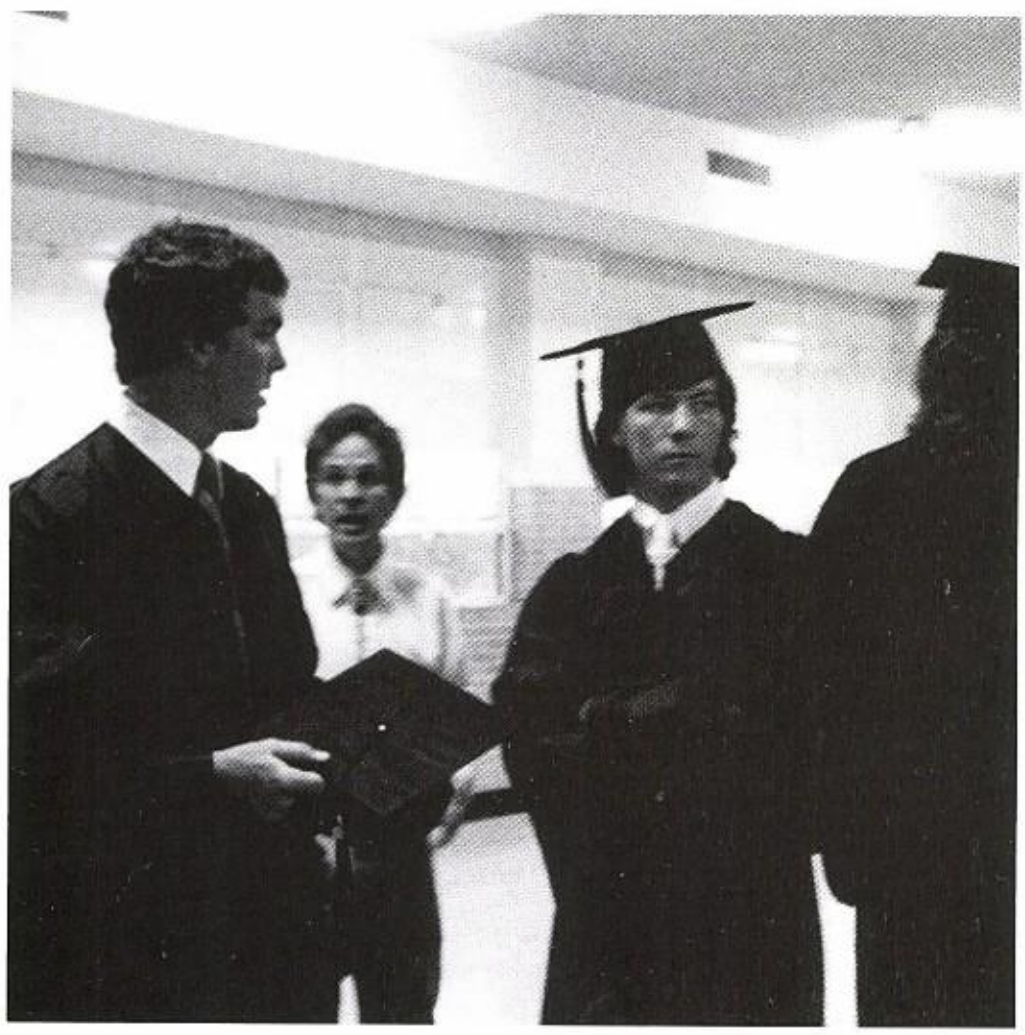


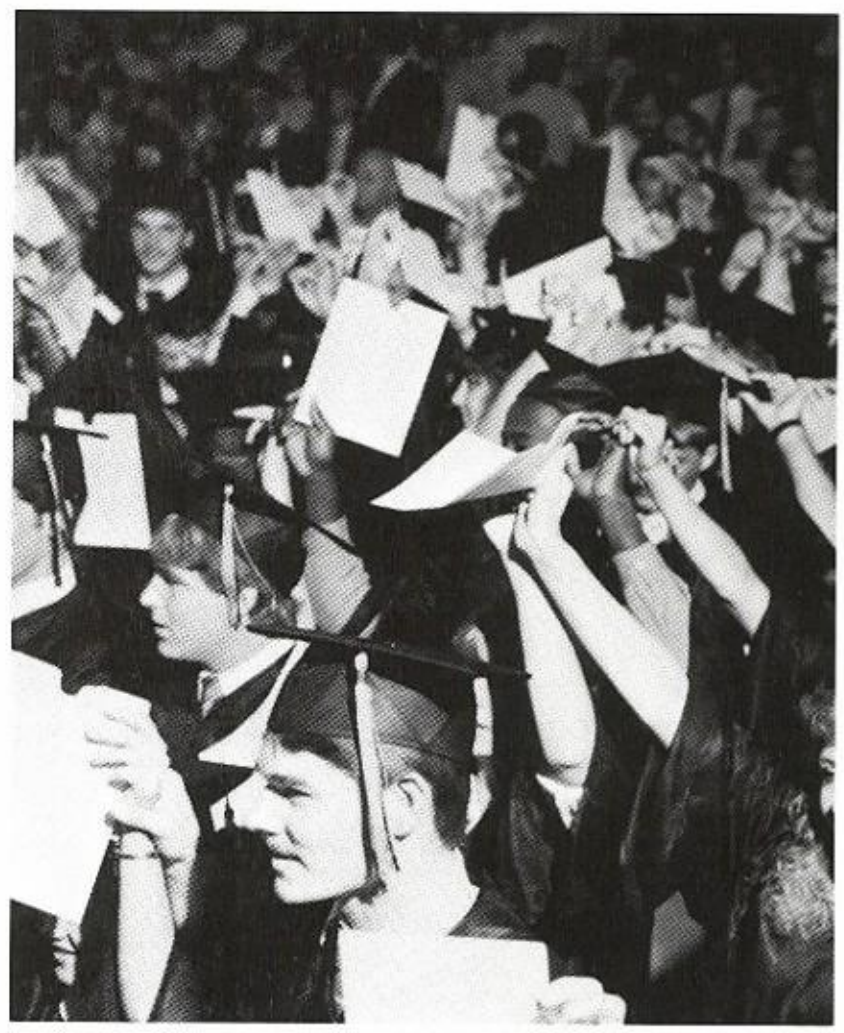


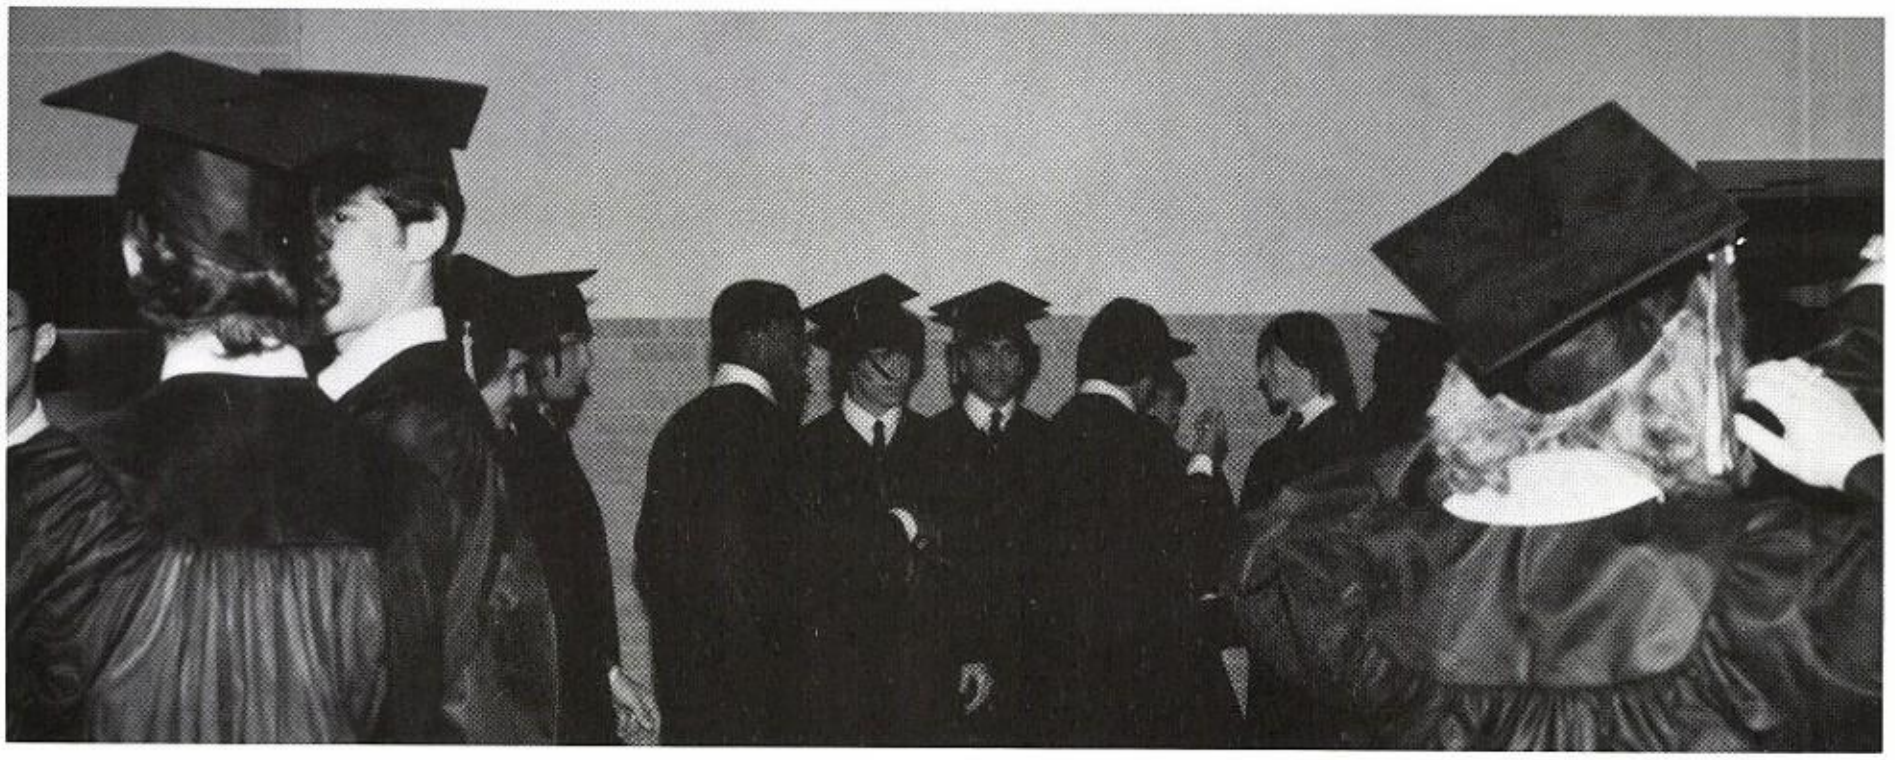


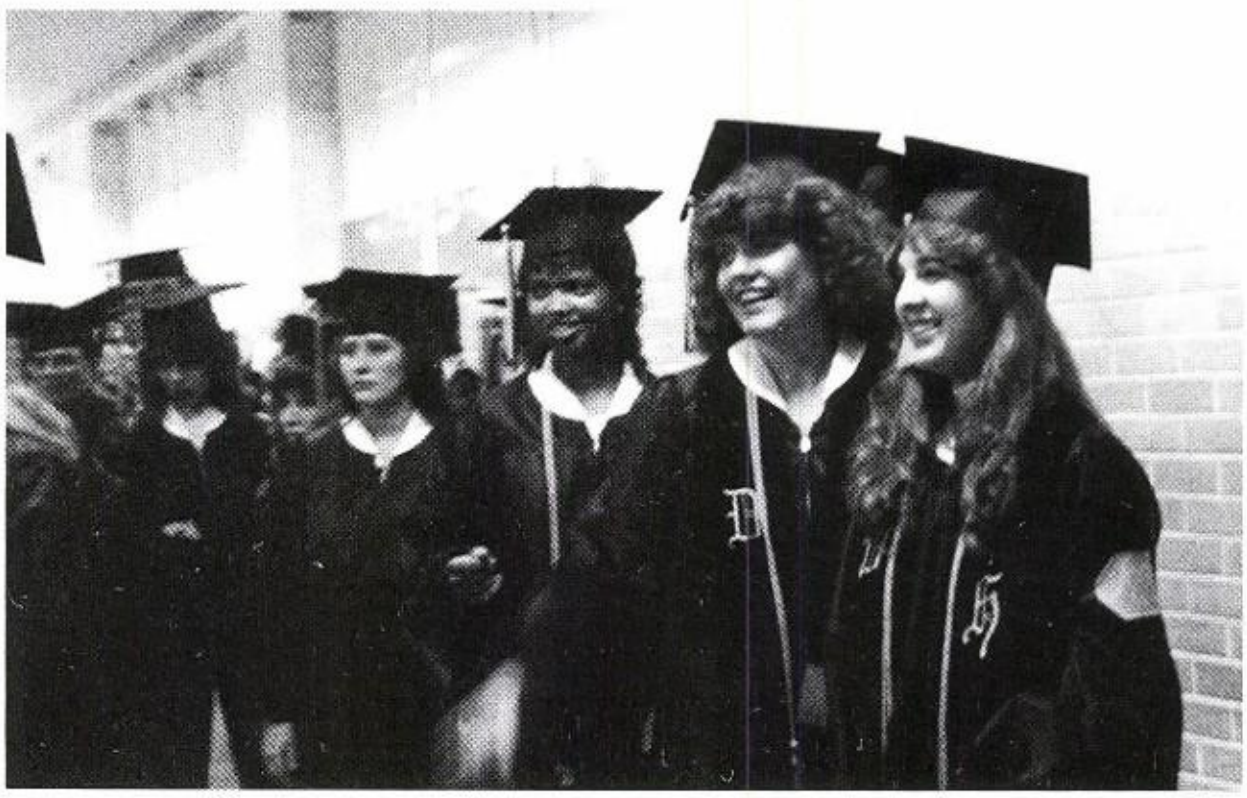












Valedictory Address — 1986

Good evening. I am pleased to stand before you tonight as the valedictorian of the class of 1986. I would like to share with you some thoughts by Jan Michelsen in this special moment of life.

"Think freely. Practice patience. Smile often. Savor special moments. Live God's message. Make new friends. Rediscover old ones. Tell those you love that you do. Feel deeply. Forget trouble. Forgive an enemy. Hope. Grow. Be crazy. Count your blessings. Observe miracles. Make them happen. Discard worry. Give. Give in. Tust enough to take. Pick some flowers. Share them. Keep a promise. Look for rainbows. Gaze at stars. See beauty everywhere. Work hard. Be wise. Try to understand. Take time for people. Make time for yourself. Laugh heartily. Spread joy. Take a chance. Reach out. Let someone in. Try something new. Slow down. Be soft sometimes. Believe in yourself. Trust others. See a sunrise. Listen to rain. Reminisce. Cry when you need to. Trust life. Have faith. Enjoy wonder. Comfort a friend. Have good ideas. Make some mistakes. Learn from them. Celebrate life."

This poem by Jan Michelsen is always a special source of inspiration to me and is a constant reminder to enjoy life's every possibility.

I have given much thought and consideration to this valedictory address. I began to think of the many legacies left to us, and of the legacies we will leave to future generations.

We have the legacy of perseverance. We have used this determination to reach a goal that will be culminated tonight. May we continue to use perseverance and determination to be responsible and succeed in whatever goals we set.

We have been raised in a society that reaches out to its fellow man. This love and compassion has been shown through many great projects and events, such as Band-Aid, Farm-Aid and Hands Across America. We are entering into a world of problems, but we are entering into a world of solutions as well.

Throughout our lives we have been taught by our parents and teachers to look for the good in every situation, and through church, we have learned to overcome temptations and evil in the world. Let us remember the lessons learned and strive to abide by them.

We have obligations as citizens to our children and theirs to provide the new adventures come to us. And, we can feel secure knowing we have prepared Tonight opens up a new door of "tomorrow." But we do not close and forget the doors of "yesterday." This is not a farewell to happy times — for there are many more awaiting the members of this class.

This is not a farewell to family — for we never say goodbye to them. Their love and guiding light will be with us throughout our lives.

This is not a farewell to educators — for the knowledge they have imparted to us will remain always.

This is not a farewell to learning — for all lives are a process of building and rebuilding as each of us gains new experiences.

And, lastly, this is not a farewell to friends — for they remain with us in our hearts and our memories of the times we have shared.

Rather, this valedictory says farewell to a phase of our lives. Though there is sadness in parting, it will pass, as new friends, new responsibilities, and new adventures come to us. And we can feel secure knowing we have prepared ourselves to enter the door of "tomorrow."

Thank you.

Salutatory Address — 1986

Dr. Jacobs, Mrs. Peters, Members of the Denison Independent School Board, faculty, graduates, family, friends and guests:

I welcome you to the commencement of the 1986 Denison High School graduating class.

After the initial excitement of receiving the award of salutatorian, one of the first things I thought of was, "Oh no! I've only got one week to write a speech." So, I asked my friends and relatives for help in deciding a topic to talk about. Finally, one of them said, somewhat facetiously, "You know, Kris, it's traditional that you write about the future."

At first, I disregarded his suggestion. How could I talk about such a broad topic as the future? Later, however, I realized that his advice had been right. The future was an ideal topic because we are at a commencement and to commence is defined as to begin.

We, the class of 1986, are at the beginning of our new lives and, as such, we must leave the old ones behind. In the words of Dianne Westlake, "You are new only when you have released — totally — the old. You must not stay on the same level of living. There always is another way to awareness. Grow — change — become."

But just what will we become? To a large extent, that depends on the individual. This is not because of a difference in talents, but rather because of a difference in wills. Helen Keller once said, "We can do anything we want to, if we stick to it long enough." Her life was a living testimony to her words.

We, too, can accomplish anything if we truly set our minds to it. Therefore, our goals must be our dreams. If we follow our dreams and pursue them with courage, we will succeed, for it is the pursuit of dreams that makes life worth living.

When we finally do achieve our dream, the fulfillment we feel will make all the effort worthwhile. Recently, my grandparents gave me a card with these words by Ralph Waldo Emerson, "The reward of a thing well done is to have done it."

And, we **have** done it. We have reached our goal and are on the threshold of attaining the dream of graduation.

This does not mean, however, that we will not strive for more. When we realize one dream, we must set our goals for the next. As Socrates said, "I believe that we cannot live better than in seeking to become still better than we are."

However, many people, on facing setbacks, are discouraged and lose sight of what they are after. But, disappointments should not discourage us because the only person who never makes a mistake is the person who never tries anything — and that is the biggest mistake of all.

Therefore, we must hold on to our dreams. As Darwin Kingsley once wrote, "You have powers you never dreamed of. You can do things you never thought you could do. There are no limitations in what you can do except the limitations in your own mind as to what you cannot do. Don't think you cannot. Think you can."

We will think we can. We will set our goals and go forth!

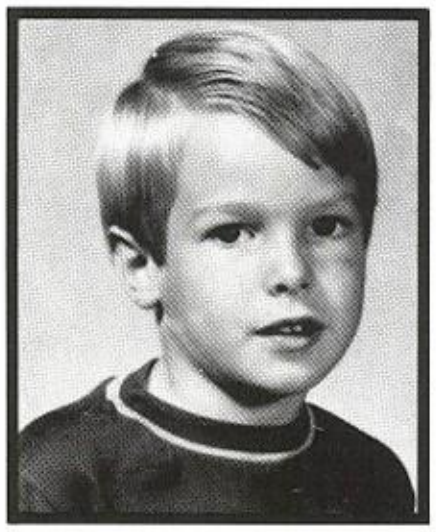
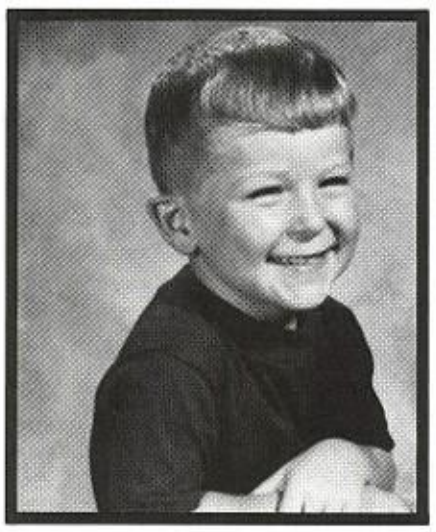
Senior Salute



Monty Watts -You've always been a source of joy and inspiration in my life and have made me very proud. As you enter adulthood I would like to share with you some advice and wisdom: Continue to resist temptation, control anger, face each day with courage, and above all, be patient in life's circumstances. May I have the fortitude to allow you to live your own life and may you have the wisdom to go strongly and successfully on your way. Love, Dad. (left

Lori Michelle Williams — Congratulations to our first sweet graduate. May you always light up the lives of others as you have ours. We love you, Mother, Daddy and Lisa. (right)



Brett E. Mayes — Congratulations! We are very proud of you. We love you. Mom and Dad. (left)

Friends, fun highlight last school day

With a playoff baseball game against Waco Richfield scheduled immediately after school, the final day of classes was declared "Jam Waco" day and everybody wore jams to show support. A little relief from the pressure of final exams was provided by hacky sack games in the parking lot as friends prepared to part for the summer, some forever. Sadness was banished by the festive atmosphere, however, and parting tears saved for another time.

"The Spirit Continues, In our Hearts, our Minds, and our Actions, to prove Denison High School is still number 1!" It couldn't have been said any better. The tremendous spirit, pride and support which evolved last year remained and increased this year.

The staff has tried to capture all of those special moments and events from this past year to give you a yearbook full of memories.

Even with the new rules made by the state and school, this has been a very special and memorable year. The closeness gained through sports, academics and friendships has given students of the future something to live up to.

The success this school has earned has not only given each of those involved a special feeling, it has also given this town a reason to be very proud.

My words cannot express the feelings of all my classmates, teachers and townspeople, but speaking for everyone, I think it could be said that this is one of the best years this high school and town has ever seen.

I appreciate all the hard work and dedication given by the staff and other outside contributors. Through everyone's great effort, this has been a year worth remembering. May this great spirit continue always. Thanks for a job well done.

Thank you,
